FOREWORD

Junior Football has the ability to connect, bond and build communities through participation and social inclusion. It not only creates opportunities for families to spend time together and to socially interact with others within society, but it also plays an important role in creating safer communities which helps to address anti-social behaviour across the state.

The West Australian Football Commission wants to maximise participation in this great game to not only address these social outcomes, but to also increase the physical activity of all participants. In 2013 there were 161,429 participants involved in 6 week or greater competitions, making football Western Australia's number 1 participation sport.

The West Australian Football Commission has an ambitious target of reaching 200,000+ participants by the start of 2018, and it will be important that all segments of the game continue to thrive and develop for us all to reach this goal.

The environments that we create at our junior clubs will significantly impact on our ability to recruit and retain participants and volunteers, so I would encourage you to be mindful that this is junior sport, and that you all take on a leadership role when it comes to setting the right behaviour and expectations. This is not about us as adults; this is their game, so let's ensure that we all continue to create a positive game day environment for our children.

Finally, to the almost 50,000 volunteers that are involved in football week in and week out, I would like to thank you for all your efforts and your continued involvement in the game. The West Australian Football Commission is certainly grateful for your ongoing contribution.

I wish you all the very best for the 2014 Junior Season.

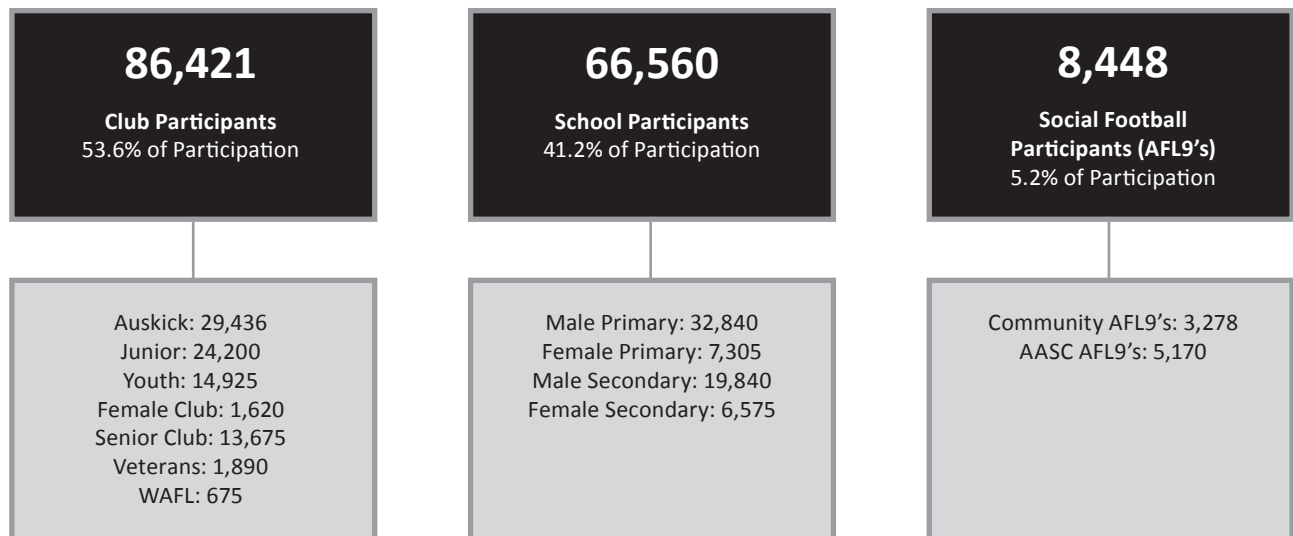

Gary Walton
Chief Executive
West Australian Football Commission

WELCOME TO THE 2014 JUNIOR FOOTBALL SEASON

Football is Western Australia's number 1 participation sport, and it continues to grow and develop with more and more participants wanting to play, umpire, coach and volunteer in this great game.

In 2013, we had a remarkable 161,429 participants equating to 13.81% growth. There is a lot of hard work from volunteers and staff that goes in to achieving this growth, along with a number of programs that continue to support the game. In 2014, some of these initiatives will include:

- Conference Model for Year 11 & Year 12 participants that will for the first time offer variety and divisional play for all participants.
- State Championship that will continue to generate interest into the Year 12 competition.
- A focus on both Junior and Youth Girls competitions that will continue to develop the female pathway in the game.
- Environment Points – no longer is winning the only focus of teams and through shifting the emphasis to environments all Districts are having a significant impact on overall behaviour standards at games.

By-Law 1 - The Spirit of Junior Football is critical when it comes to Junior Football in Western Australia and fully understanding the premise of what this sport at this level is all about. I would encourage all of you to become strong advocates for By-Law 1.

2014 is going to be an exciting year of football and I would like to wish you all the very best!

FACT SHEET

UP TO \$200 TOWARDS CLUB FEES FOR KIDS!

Minister's introduction

KidSport is a partnership between the Department of Sport and Recreation and local governments.

The program is important because we believe that all kids should have the opportunity to take part in sport and recreation. Yes, because it's fun, but just as importantly, participation in sport and recreation gives your child a better chance of doing well at school and being physically and mentally healthier.

This program will pay up to \$200 towards club fees for children whose families couldn't normally afford it.

Terry Waldron
Hon Terry Waldron MLA
 Minister for Sport and Recreation

- Referral agents - who they are, what they do:**
- Referral agents identify those who would benefit from KidSport.
 - They can include, but are not limited to school teachers, doctors, police, social workers, local area coordinators and other community organisations and agencies.
 - Referral agents can assist with the completion and lodgement of KidSport application forms with participating local governments on behalf of parents/guardians.
 - Referral agents are ideal to promote KidSport to their community, but if wanting to refer children to the program should contact local governments to register.
 - Local governments can advise where KidSport application forms are available and supply further information.

KidSport overview

KidSport enables Western Australian children to participate in community sport and recreation, no matter their financial circumstances. Eligible youth aged 5-18 years can apply for financial assistance to contribute towards club fees. The fees will go directly to the registered KidSport clubs through their participating local government. While the primary objective of KidSport is to ensure all Western Australian children can participate in sport and recreation clubs, its secondary objective is to engage these children and their families in the community.

What are the eligibility criteria?

- Applicant must be aged 5-18 years.
- Applicant must have a Health Care Card or Pension Concession Card OR be referred by a recognised referral agent.
- Applicant's primary place of residence must be in the local government area where they are applying.

What else?

- Funding will cover the cost of fees to join the nominated sport or recreation club and this may include other related costs identified by the club).
- Maximum of up to \$200 per child per calendar year.
- Fees are only for the nominated registered season.
- No retrospective fees will be paid.
- No limitation to applications per family as long as the criteria is met.

Schools - How can they be involved?

As referral agents, school teachers can identify children who would benefit from KidSport as well as complete and lodge application forms with local governments. Teachers can also assist in identifying suitable clubs and sport or recreation activities for children to be involved in. Schools can obtain KidSport application forms from participating local governments.

There are numerous benefits for children and their families getting involved and participating in sport and recreation clubs:

- Physical activity improves children's health, school performance and decision making skills.
- Club membership provides positive role models and opportunities for new friendships and community engagement.

Sport and recreation club criteria:

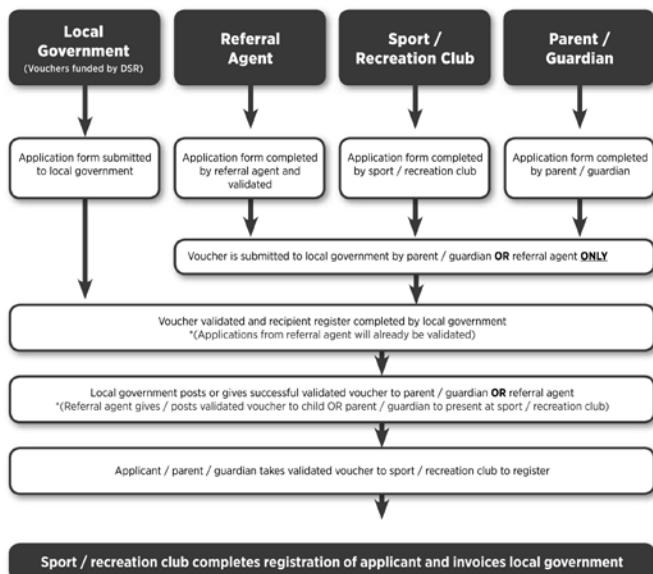

Sport and recreation clubs can get involved in KidSport by registering as a KidSport club with their participating local government. To be eligible clubs can be a:

- Not-for-profit sport or recreation club and affiliated with a recognised State Sporting Association or have affiliation through a State organisation.
- Business/privately owned BUT individual members MUST be affiliated with a recognised State Sporting Association or have affiliation through a State organisation.

Once registered, KidSport clubs receive applications and then invoice the local government for the cost of the applicant's fees and other identified costs. All KidSport vouchers must be submitted and validated by the local government before being accepted by the club as payment for fees. Local governments can assist with the invoicing process for KidSport vouchers.

Clubs can promote KidSport to their members by linking with their participating local government to access application forms. Hand them out at registration days, during workshops or by directing parents/guardians to the KidSport website. Information can also be distributed via club newsletters and through club and State Sporting Association websites. Ask your local government for promotional material.

PROCESS FLOWCHART

KIDSPORT™

FREQUENTLY ASKED QUESTIONS

How do I get a KidSport application?

Contact your local government to find out where you can pick up an application form OR visit the Department's website for a generic application form and contact your local government to validate.

What if the club fees for the season are more or less than \$200?

KidSport funding is up to \$200 per applicant per calendar year. Clubs can only invoice the local government for the total amount of their set fees. If these fees are less than \$200 then the lesser amount should be invoiced.

Can an applicant use the KidSport funding to play more than one sport?

Yes, as long as the total applied for is not more than \$200 per calendar year.

What if an applicant requires a uniform or some equipment to take part in the activity?

This needs to be approved by the local government prior to invoicing by the club and is on a case-by-case basis. Many local governments are happy to receive applications that include the cost of uniform and equipment, but this is an Individual local government decision, so contact yours before applying.

What if the child turns 19 during the season?

If the eligible applicant is 18 at the time of registration they can apply for KidSport funding for that whole season.

Can an applicant register halfway through the season?

Applicants can access KidSport funding at any time of the year. Clubs should use discretion in registering applicants to participate within a season (i.e. it would not be beneficial to the applicant to register with only a few games left). They may be encouraged to register the following season.

When do clubs invoice the local government?

This is decided by the local government. The club must contact their local government to arrange the invoicing process and is usually within 30 days.

How do clubs check if the applicant is eligible to access KidSport funding?

Clubs should only accept application forms that have first been validated by local government. They will confirm if applicants are eligible by validating and registering the voucher.

Can an applicant participate at a club that is not in the local government area they reside in?

Yes, but the KidSport application must be lodged with the local government where the applicant lives.

Does the applicant have to provide a copy of their Health Care Card or Pension Card?

Yes, this must be attached to the voucher when submitting to the local government unless the voucher is completed and signed by a referral agent. The applicant's name must be listed on the card and the card must be current.

ABOUT FOOTBALL IN WA

The West Australian Football Commission is the caretaker of football throughout the State and responsible for the overall development of the game.

The rich history of football in the community of Western Australia stretches back to 1895. Today it is the most popular sporting code in Western Australia with more than 160 000 active participants each weekend during the season. This is more than double any other sport. On top of this football clinics are provided to approx. 280 000 West Australian Children every year throughout our schools and communities across our state.

The WAFC plays an important role in funding the ongoing development of football in all communities. This ensures that football is the best resourced sporting code in the State and can have the most active role in building better communities through various development programs.

The WAFC is a not for profit sports association. It is incorporated under the Associations Incorporation Act and governed by a volunteer board that oversees the operation of all football activities throughout the State.

The WAFC's role includes ownership of the State's two AFL teams - West Coast Eagles and Fremantle Football Club (Dockers), guiding the West Australian Football League (State league competition), overseeing community football, managing umpiring and football development through participation and the talent pathway and acting as the manager of Patersons Stadium. Most importantly the WAFC plays a key guidance role in the ongoing enhancement of the District Development model.

This results in a significant social benefit and the creation of better communities through the active promotion of the sport and its associated values of teamwork, responsibility, respect, leadership, commitment and community participation. Advocating healthy participation for every player, volunteer, official, administrator, coach, umpire and spectator is at the forefront of our strategic priorities.

INTRODUCTION

WA Football refer to the 7 development objectives below in the strategic development of our game.

The WAFC collaborates with our District affiliates based on a philosophy of “State objectives, local solutions’.

- 1 PARTICIPATION** To develop and support appropriate pathways for all segments from AFL Auskick to Open age that maximise participation.
- 2 COMMUNITY** To support well managed leagues, clubs and schools to motivate volunteers, umpires, coaches, teachers, school ambassadors and sports trainers for all levels of Australian football to promote quality environments and competitions.
- 3 WAFL & TALENT PATHWAYS** To develop the talented player, umpire, administrator and coaching pathway. Promote and enhance the talent pathway systems and structures to capture talented participants
- 4 FACILITIES** To collaborate on facility development for the community football network of leagues & clubs
- 5 ENGAGEMENT** To utilise Australian football as a vehicle to promote social inclusion, community engagement, education, leadership and employment initiatives, particularly in female, Indigenous and multicultural communities.
- 6 FANS** To build the relationship with community and school players, coaches, umpires, teachers, ambassadors and volunteers to develop them as fans of the AFL /WAFL Competitions and AFL /WAFL Clubs.
- 7 PEOPLE & CULTURE** To attract, develop and retain quality staff and develop a high performance culture in line with our values.

WA FOOTBALL DISTRICT STRUCTURE

Both metropolitan and regional areas are divided into different geographic Districts that are linked to one of the nine West Australian Football League (WAFL) clubs.

Each football District in Western Australia is governed by a District Football Development Council (DFDC) in the metropolitan area and a Regional Football Development Council (RFDC) in the regional centres. These councils are responsible for strategically planning the growth of all levels of football in the area, which includes all players, coaches, umpires, administration and volunteers.

This ensures competitions and football environments of a consistently high level of administration, opportunity for players of all levels to play and the development of a talent pathway for players to reach elite levels of football, such as the WAFL or AFL competitions.

The DFDC and RFDC have members representing all stakeholder groups within the area, including Local Government Agencies, WAFL, seniors, juniors, schools, umpiring and coaching. Each Council has a Junior Competition Committee (JCC) or league which is responsible for the conduct of the junior competition within the district.

Each District and Region has development staff. The District Manager and the Development Officer, who are based strategically in both metropolitan and regional locations and are directed by the respective District Football Development Councils. The Development staff are your key liaison point for football participation and development programs in your local area.

AFL GAME DEVELOPMENT

AFL Game Development is the national development body of football in Australia. Whilst the Australian Football League (AFL) runs the major League, AFL Game Development coordinates the development of all other levels of football in Australia. It is responsible for:

- The National Development Plan and National Participation Policies,
- Coaching Accreditation,
- Umpire Accreditation and Development,
- National Championships 16's / 18's and Women's,
- Programs to promote mass participation,
- Expanding the most comprehensive set of resources in Australian sport.

WA FOOTBALL COMMISSION FOOTBALL AFFAIRS COMMITTEE (FAC)

The WAFC is the governing body of Junior Football in Western Australia, and its affairs are overseen by the WAFC Football Affairs sub-committee.

Its membership comprises four (4) members. The FAC will be chaired by a selected WAFC Commissioner with two additional Commissioners acting as committee members.

A General Manager of the WAFC will act as the Executive Officer of the FAC. The WAFC has the power to co-opt other members as required. The General Manager of Game Development along with the General Manager of Pathways & Competitions will conduct business on behalf of the FAC.

JUNIOR FOOTBALL POLICIES

MEMBER PROTECTION POLICY (MPP)

The Member Protection Policy has been designed to be user friendly based around five key pillars:

Each pillar has its own booklet which will outline the relevant WAFC policies, best practices, document templates along with complaints handling and resolution practices.

Each of the Member Protection Policy booklets will be available for download at: <http://www.wafootball.com.au/clubs/memberprotection>

What is Member Protection?

Member protection is a term used by the Australian sports industry to describe the practices and procedures that protect an organisation's members - both individual members such as players, coaches and officials, and the member organisations such as clubs and other affiliated organisations. It involves:

- protecting members from harassment, abuse, discrimination and other forms of inappropriate behaviour
- adopting appropriate measures to ensure the right people are involved in an organisation, particularly in relation to those involved within junior sport
- providing education
- promoting and modelling positive behaviour

Why does the WAFC need a Member Protection Policy?

- Helps to clarify responsibilities and expectations of all members - individual and organisational
- To comply with State and Federal legislation
- Fulfil moral obligations
- Insurance purposes
- Raises awareness of fun, safe and inclusive football environments
- Outlines WAFC complaints handling procedures

SOCIAL MEDIA POLICY

'The organisation' refers to the West Australian Football Commission and to Junior Football Clubs.

'Members' refers to administrators, clubs, club members, coaches, officials, registered players, sponsors, support personnel, spectators, parents and umpires.

The Internet and Information and Communication Technologies (ICT) devices / equipment bring great benefits to all users and can contribute to the effective operation of the organisation and its members through the ability to disseminate information, the ability to promote the sport and clubs and to provide members with the ability to connect with others within the organisation.

The West Australian Football Commission (WAFC) has an obligation to ensure that affiliated clubs maintain a safe physical and emotional environment for its members and this includes cyber safety and the safe and responsible use of ICT. Individual members also have a responsibility to use ICT in a safe and responsible way.

Junior Football stakeholders including clubs and its members will create a cybersafe environment by:

- Using the organisation's name, motto, crest and/or logo only in an appropriate way in line with the organisation's guidelines,
- Using the organisation or affiliated club's websites to provide information about competitions, committees, policies, rules, social events or other important sport related issues,
- Using SMS and/or email by officials, managers, coaches etc to communicate organisation business and organisation sanctioned social events (via parents in the case of juniors),
- Using the organisation or affiliated clubs social network pages to promote positive organisation news and events (with permission obtained from featured individual(s) and via parents for juniors),
- Ensuring content of posts or electronic communication doesn't breach any organisation policies or codes of conduct,
- Ensuring content of posts or electronic communication doesn't breach state or commonwealth law. This includes not engaging in 'sexting' where a member sends or is in possession of an inappropriate sexualised image of a person under the age of 18 years – this is a criminal offence in WA and the Police will be informed immediately,
- Not engaging in cyber bullying, including but not limited to:
 - harassing, teasing, intimidating or threatening another person via electronic means,
 - sending or posting inappropriate digital pictures or images, email / instant / phone / text messages, or website postings (including social network sites ie Facebook or blogs) and is irrespective of whether the page could be viewed by the wider public or not,
- Members will remain responsible for and be vigilant of the content and security of their individual accounts such as email, social networking (ie Facebook), micro blogging (ie Twitter), video sharing (ie YouTube), picture sharing (ie Instagram) and mobile phones.

The West Australian Football Commission and Junior Clubs take any breaches of the policy seriously. Any person (including, but not limited to, players, officials, coaches, members, umpires, spectators, and parents) or clubs who breached this policy can be called before the controlling bodies tribunal under **By-Law 45.7** and can be charged for *'misconduct of a serious nature'*.

SPONSORSHIP POLICY

Sponsorships that could involve football in controversial issues or expose football to adverse criticism must be avoided. All potential sponsors must have company values that are in line with and complement the values of Australian football. These are:

- To be determined by executive meetings,
- Egalitarianism (social equality),
- Participation,
- Integration and inclusion,

The following sponsors are regarded as inappropriate:

- Political or religious organisations,
- Programs that denigrate exclude or offend minority community groups,
- Sponsors that may present a hazard to the community (including cigarette companies),
- Sponsors that create environmental hazards,
- Sponsors that do not reflect community standards,
- Companies and organisations that conflict with existing WAFC sponsors,
- Companies and organisations that conflict or may conflict with sponsors of the Fremantle Football Club and West Coast Eagles or has the ability to erode their revenue.

Sponsorships and explicit endorsement of products and or services of a sponsor must be in the public interest and must be approved via the management process.

The WA Football Commission has a Corporate Relations Team which manages all central football sponsorships and reviews sponsorship policies, templates and proposals. They are able to offer their expertise and experience if your club requires advice in this area. Please feel free to contact Nikki Bower on (08) 9381 5599 should you have any enquiries.

EQUAL OPPORTUNITY POLICY

The FAC will ensure that equal opportunities for participation in sports are made available to all children, regardless of ability, size, shape, gender, age, disability or ethnic origin.

Individuals may participate in all levels of football. Players moving from AFL Auskick (modified rules) to open rules (full contact) must be fully informed (in writing) of the changes regarding the physical nature of open rules before participating at this level.

Single sex (all girl / boy competitions) are preferred if teams can be arranged within the schools or junior districts and / or country regions. Alternatively females are able to participate with males until the age of fourteen.

ALCOHOL POLICY

There is absolutely no place for Alcohol within Junior sporting environments, and subsequently:

THE SALE AND CONSUMPTION OF ALCOHOL AT JUNIOR FOOTBALL IS STRICTLY PROHIBITED.

It is important to note that this refers to game day matches (including scratch matches) and during all training sessions. Junior Football Clubs need to have clear policies, procedures and Memorandums of Understanding (MoU's) that addresses this issue of alcohol sales and consumption.

SMOKE FREE ENVIRONMENT POLICY

The DFDC and the WAFC greatly appreciate the support of the wider football family by supporting the Smoke Free Environments at football grounds around WA. This Smoke Free environment can be maintained and implemented into all areas of our game by the following strategies –

- Smoke Free change rooms – Please ensure player changing areas are smoke free at all times
- Smoke Free club rooms (social halls, canteens, etc) – please ensure the club rooms, social hall, kitchen and canteen are smoke free at all times
- Smoke Free interchange benches, including coaches and managers area – Please ensure there is no smoking by any person in the interchange area where the coach, manager and interchange players sit or stand.
- Smoke Free viewing areas – Please ensure the following areas are Smoke Free during matches and other events; Club room verandas, interchange benches, seated outdoor viewing areas, areas close to where juniors are coached.
- Smoke Free NAB AFL Auskick – Our youngest players are the future of our club and game. Please ensure there is no smoking in any area where the NAB AFL Auskick activities are taking place.
- Smoke Free Area acknowledgement – to assist promote your sporting area as smoke free, the following announcements may be utilised *“WA Junior Football Clubs support smoke free sporting venues for all members and supporters. Please observe the smoke free areas which include change rooms, club rooms, verandas, interchange benches, outdoor seated viewing areas and areas close to where juniors are coached”*.

PREGNANCY POLICY

Sports Medicine Australia has developed guidelines entitled *“Participation of the Pregnant Athlete in Contact and Collision Sports”*.

The guidelines are intended to provide recommendations to the pregnant athlete and sporting organisations on safe participation in contact and collision sports during pregnancy.

Summary of the guidelines follows:

Football is classified as an unlimited contact and collision sport;

- Contact or collision is frequent and maybe quite forcible,
- A high risk of falls, blows to the abdomen and contact with a projectile exists,
- In a normal pregnancy, participation can only be recommended during the first trimester.

Recommendations:

- Display a copy of the summary of the statement issued by the Medicine and Science for Women in Sport committee of the Australian Sports Medicine Federation on club notice board so that players can make an informed decision about playing,
- Encourage any player that is pregnant to seek the advice of a medical professional,
- Provide a safe environment for all footballers.

Insurance and the Pregnant Player

- The pregnant player is provided with the same personal accident policy that is provided for all registered members of the football leagues. However, the player is not covered if the resultant injury is found to be due to the pregnancy. NO cover is provided for the unborn baby.

PLAYER ROTATION POLICY – EQUAL OPPORTUNITY

The on-field rotation of players is a policy developed to enhance the participation and skill development of all players in NAB AFL Auskick (5-12 years) through to Youth participants (13-18 years).

The rotation of all players through a variety of positions in a game and season is designed to allow players to experience the skills and roles required in different positions, and to ensure all players are provided with equal opportunity.

The policy states that every player in a team should play at least half a game, and that no player should spend more than half a game in any one position. Further, every player should experience playing on each of the five lines of field position over a three match period.

The Australian Football Match Policy document clearly states that to ensure all players feel an essential part of the team, regardless of their age, size, sex, ability or the competition they are playing in, it is critical they have an equal amount of time on the field during the season. This will keep players in the game and reduce the likelihood of them leaving to pursue other sports. It also satisfies parents expectations that their child will be given a fair go. It is recommended that all coaches keep records of weekly game time of each player to ensure each has had equal time.

*Note: players should be rotated through a variety of positions on the field in each line, not straight up and down the “spine” or only on the left or on the right side of the field. Coaches and Team Managers must ensure that this policy is adopted and relates directly to **BYLAW #1 – The Spirit of Junior Football**.*

Feedback is continually sought from Clubs and Districts on ways in which we can continue to enhance the PLAY AFL Recruitment Campaign strategies. Feedback can be forwarded to the WAFC through your District Competition Director.

VILIFICATION POLICY

Vilification to any degree is totally unacceptable at any level of football (including Junior Football) and refers to any person including, but not limited to, players, officials, coaches, members, umpires, spectators, and parents that acts towards or speaks to any other person in a manner, or engages in any other conduct, which threatens, disparages, vilifies or insults another person on any basis, including but not limited to, a person's race, religion, colour, descent or national or ethnic origin, special ability/disability, illness, disease or sexual orientation, preference or identity.

All those involved in Junior Football have the right to be involved in an environment that is free from vilification and/or harassment. The Junior Competition should take an extremely firm stance on eliminating this type of behaviour from the game. The vilification resolution process is:

Any adult that is found to have vilified a person at Junior Football, or has been found to have encouraged others to vilify other people, should receive significant penalties from the Tribunal.

There is absolutely no place for vilification of any nature in Football!

PROHIBITED PERSONS DECLARATION FORM (PPD) - POLICY

1. The WA Football Commission Football Affairs Committee is committed to providing an environment that is safe for participation in junior football physical activities. The FAC will not tolerate the criminal act of child sexual maltreatment, which occurs when a child (defined as a person under the age of 18 years) has been exposed or subjected to sexual behaviors or acts which are exploitative and/or inappropriate to his or her developmental level. Such behavior involves a wide range of sexual activities which exploit children and includes forcing, tricking, bribing, threatening or pressuring a child into sexual activity.
2. The Prohibited Persons Declaration forms conveys a message to all members and prospective members, responsible for junior football activities, particularly those involving members under 18 years of age, about minimizing risk exposure. Managers, coaches, officials, leaders, trainers and management personnel, have a responsibility to provide safeguards dedicated to the well-being of those under the age of 18 years (youth).
3. The abuse of youth members, by other members of external source, is not acceptable and FAC encourages all incidents of such abuse as described above to be reported immediately to the appropriate authorities.
4. Working with Children Legislation will be adhered to. All volunteers must sign a PPD. For specific details on Child the Prohibited Persons Declaration Forms for junior football please refer to the WAFC website www.wafootball.com.au

WORKING WITH CHILDREN LEGISLATION POLICY

West Australian Football Commission acknowledges that our staff, members and volunteers provide a valuable contribution to the positive experiences of our juniors. The West Australian Football Commission is committed to ensuring the safety and welfare of its junior participants through the implementation of its Child Protection Policy.

WAFC aims to minimize the risk of harm to children by ensuring clubs adhere to screening procedures when employing people in positions (paid or voluntary) whose usual duties involve, or are likely to involve, contact with children (those under the age of 18 years). Clubs are required to:

1. Request all people in these positions obtain a Working with Children check, in accordance with the Working with Children (Criminal Record Checking) Act 2004.

Working with Children Checks

The Working with Children (Criminal Record Checking) Act 2004 was implemented in 2006 and makes it compulsory under legislation for all people in 'child-related' work (paid, volunteers or self employed) to obtain a Working with Children check.

Some exemptions apply such as:

- Parents (see website for a definition of parent) volunteering in a club or certain activity in which their child is also involved or is ordinarily involved (this exemption does not apply to overnight camps)
- Volunteers under 18 year of age
- Employers of children, or adult employees who merely have contact with a minor as a fellow employee in the workplace, unless the job otherwise involves 'child-related' work

Also only people who work more than 5 days per calendar year in 'child-related' work are required to get a check.

The Working with Children Check is a comprehensive criminal record check for certain people working with children in Western Australia.

The Working with Children Check aims to increase the safety of children in our community by helping to prevent people who have a criminal history that indicates they may harm children from working with children.

This is legislation and affects volunteers as well as paid personnel. Please check the website www.checkwwc.wa.gov.au for more information.

2. Obtain completed Prohibited Persons Declarations from all persons in 'child-related' work.
3. Check a person's referees (verbal or written) and interview a person about his/her suitability for the role and his/her suitability for working with children for both paid and voluntary positions.

For the full WAFC Child Protection Policy please refer to the WAFC Member Protection Policy at www.wafootball.com.au

PRIVACY POLICY

All information collected by the WAFC will be kept in a secure location and compliant with the privacy act. The FAC's Privacy Policy Statement for junior football clubs can be found at www.wafootball.com.au

PHOTOS & VIDEO POLICY

The WAFC recognises the privacy concerns of certain participants and requests that at all times it can be demonstrated that all reasonable efforts have been made to secure the consent of WA Football participants where images may be captured on photo or film prior to these images being taken. Parental permission should be sought for the publishing of any image by any Junior Football Club.

RISK MANAGEMENT POLICY

A detailed copy of the WAFC Risk Management Policy for Junior Football Clubs can be found at www.wafootball.com.au

INFECTIOUS DISEASES POLICY

Junior football clubs should refer to their district by-laws for regulations covering infectious diseases.

To gain a copy of the recommended Infectious Diseases Policy for junior sporting clubs please refer to The Department of Sport and Recreation website at www.dsr.gov.au

INSURANCE POLICY

It is recommended that all clubs investigate upgrading the insurance coverage for their teams.

The West Australian Football Commission has negotiated in conjunction with the AFL, an Australian national insurance program with Insurance Brokers Jardine Lloyd Thompson (JLT). The program covers four critical areas of insurance:

Player and Volunteer Personal Accident, Public Liability, Asset protection (theft and/or damage) and Associations (Directors and Officers Liability)

The national scheme covers each junior club from 1st November to 31st October at the base bronze level for Personal Accident. Upgrades to higher levels and therefore higher returns on claims are available after contacting JLT direct.

PLEASE NOTE: At the start of every year, a club representative needs to register the club for the upcoming season online at the JLT website.

Clubs wishing to contact JLT can do so on 1300 130 373 or via the website www.jltsport.com.au

Junior Clubs should ensure the following:

- Adequate insurance cover is essential for the protection of young players in the event of injury; serious or otherwise.
- It is also becoming increasingly necessary in order to protect clubs, coaches, sports trainers, umpires and administrators against the possibility of legal action as a result of their activities – the level of cover over the base bronze level is totally at the discretion of the Club.
- All clubs should seek incorporation under the Association Incorporation Act 1987.
- The levels of your Club's insurance is to be disclosed to your players
- All clubs should accept the responsibility of insuring themselves and their officials and players in at least the following areas:
 1. Sports Liability: including Public Liability, First-Aid Treatment Risk, and Coaches Indemnity, to at least \$10 million.
 2. Death and Disablement.
 3. Non-Medicare Medical Expenses.
 4. Income protection is recommended for players in age groups where players have full time employment.

The JLT scheme covers the first 3 at the Bronze level which currently is set at the 50% reimbursement level. It is important to note that it is illegal for any insurance scheme to fully cover a participant at the 100% level.

Overview

All clubs are insured at a basic Bronze level coverage and should investigate upgrading their level of cover.

GROUND LIGHTING RECOMMENDATIONS

The following levels are the recommended Australian Standard (AS2560.2.3-2007) in terms of lighting for football:

- Auskick training and playing minimum lighting standards (intra-club) – 50 lux
- Year 3 Auskick Super 8's game minimum lighting standards (fixtured inter-club competition) – 100 lux
- Junior and Senior Community **training** minimum lighting standards – 50 lux
- Junior and Senior Community **game** minimum lighting standards – 100 lux
- WAFL **game** minimum lighting standards – 200 lux
- AFL **game** minimum lighting standards – 500 lux

BALL SIZE

The following ball sizes are to be used in junior football:

- Auskick (PP- Year 3) Size 1
- Year 4 – Year 5 Size 2
- Year 6 – Year 7 Size 3
- Year 8 – Year 10 Size 4
- Year 11 – Year 12 Size 5

PROTECTIVE EQUIPMENT POLICY

Mouth Guards

All players should wear a mouth guard when either, training for or playing football.

Goal Post Padding

In order to prevent injuries to players, officials and spectators, all fixed goal posts must be padded and PVC or plastic posts replace all portable steel posts.

Protective Head Gear

A player who desires to wear protective head gear during a match must wear head gear approved in writing by a sports physician or doctor.

Associations should adopt policies to cover:

- (a) Players suffering from any known disabilities or medical conditions; Whereby the player is required to produce a certificate that the player will, in the view of a medical practitioner, receive adequate protection in respect of such potential injury from the protection in respect of such potential injury from the protective head gear.
- (b) Players not suffering from any known disabilities or medical conditions; Whereby the parent or guardian is required to submit a certificate to state that a player does not suffer from any known disability or medical conditions which will be affected if injuries are received to the head whilst wearing the protective head gear.

There is no definitive scientific evidence that helmets prevent concussion or other brain injuries in Australian football. There is some evidence that younger players who wear a helmet may change their playing style, and receive more head impacts as a result. Accordingly, helmets are not recommended for the prevention of concussion.

SPECTACLES POLICY

Junior footballers who wish to wear spectacles during matches and training sessions should wear spectacles with PLASTIC FRAMES and PLASTIC LENSES. The spectacles must also be held on securely by a band. This will minimize the risk of injury to the player, team mates and opposition players.

CONCUSSION POLICY

Concussion occurs when, after a blow to the head, there is brain injury with some immediate disturbance of brain function. Any player showing the signs or symptoms of concussion should be removed from the field immediately and referred to a medical practitioner. A player who has suffered concussion with or without loss of consciousness should not participate in any match or training session until he/she is fully recovered and has been cleared by a thorough medical examination.

All players sustaining a concussion require a medical clearance before the resumption of training or playing.

Key Considerations

- Any player who has suffered a concussion or is suspected of having a concussion must be medically assessed as soon as possible after the injury and must not be allowed to return to play in the same game or train in the same practice session. **If in doubt, sit them out!**
- There should be a trained first aider at every game and the principles of first aid should be used when dealing with any player who is unconscious or injured.
- A concussed player must not be allowed to return to school or return to training or playing before having a formal medical clearance.
- The child is not to return to play or sport until they have successfully returned to school/learning, without worsening of symptoms. Symptom assessment in the child often requires the addition of parent and/or teacher input.
- It is reasonable for a child to miss a day or two of school after concussion, but extended absence is uncommon.

For the updated Concussion Management Document please visit: www.wafootball.com.au

CONCUSSION MANAGEMENT IN AUSTRALIAN FOOTBALL

Concussion refers to a disturbance in brain function that results from trauma to the brain. The changes are temporary and the majority of players recover completely if managed correctly.

Key Components of Concussion Management

1. Recognise the injury
2. Remove the player from the game
3. Refer the player to a medical doctor for assessment
4. Ensure the player has received medical clearance for a graduated return to training

There should be a trained first aider at every game and the principles of first aid, including management of the cervical spine, should be used when dealing with any player who is unconscious or injured.

Recognise Concussion

1. Visible clues of suspected concussion

Any one or more of the following visual clues can indicate a possible concussion:

• Loss of consciousness or responsiveness	• Lying motionless on ground / Slow to get up
• Dazed, blank or vacant look	• Grabbing / Clutching of head
• Unsteady on feet / Balance problems or falling over / Incoordination	• Confused / Not aware of plays or events

2. Signs and symptoms of suspected concussion

Presence of any one or more of the following signs & symptoms may suggest a concussion:

• Loss of consciousness	• Headache	• Seizure or convulsion	• Nervous or anxious
• Dizziness	• Balance problems	• Confusion	• Neck Pain
• Nausea or vomiting	• Feeling slowed down	• Drowsiness	• "Don't feel right"
• "Pressure in head"	• More emotional	• Blurred vision	• Sensitivity to noise
• Irritability	• Sensitivity to light	• Sadness	• Difficulty remembering
• Amnesia	• Fatigue or low energy	• Feeling like "in a fog"	• Difficulty concentrating

Manage Concussion

- ✓ Any player who has suffered a concussion or is suspected of having a concussion must be **IMMEDIATELY REMOVED FROM PLAY** and medically assessed as soon as possible after the injury. **They must not be allowed to return to play in the same game or practice session.**
- ✓ A concussed player must not return to school or return to training or playing **before having a formal medical clearance.**
- ✓ A concussed child (player aged 5-17) is not to return to play or sport until they have successfully returned to school/ learning, without worsening of symptoms. Symptom assessment in the child often requires the addition of parent and/or teacher input.
- ✓ The concussion rehabilitation program should be supervised by the treating medical practitioner and should follow a graded, symptom limited progression.

In the best practice management of concussion in football, the critical element remains the welfare of the player, both in the short and long term.

RECOGNIZE & REMOVE

Concussion should be suspected if one or more of the following visible clues, signs, symptoms or errors in memory questions are present.

1. Visible clues of suspected concussion

Any one or more of the following visual clues can indicate a possible concussion:

- Loss of consciousness or responsiveness
- Lying motionless on ground / Slow to get up
- Unsteady on feet / Balance problems or falling over / Incoordination
- Grabbing / Clutching of head
- Dazed, blank or vacant look
- Confused / Not aware of plays or events

2. Signs and symptoms of suspected concussion

Presence of any one or more of the following signs & symptoms may suggest a concussion:

- | | | |
|-------------------------|--------------------------|----------------------------|
| • Loss of consciousness | • Headache | • Seizure or convulsion |
| • Dizziness | • Balance problems | • Confusion |
| • Nausea or vomiting | • Feeling slowed down | • Drowsiness |
| • "Pressure in head" | • More emotional | • Blurred vision |
| • Irritability | • Sensitivity to light | • Sadness |
| • Amnesia | • Fatigue or low energy | • Feeling like "in a fog" |
| • Nervous or anxious | • Neck Pain | • "Don't feel right" |
| • Sensitivity to noise | • Difficulty remembering | • Difficulty concentrating |

3. Memory function

Failure to answer any of these questions correctly may suggest a concussion.

- "What venue are we at today?"
- "Which half is it now?"
- "Who scored last in this game?"
- "What team did you play last week / game?"
- "Did your team win the last game?"

Any athlete with a suspected concussion should be **IMMEDIATELY REMOVED FROM PLAY**, and should not be returned to activity until they are assessed medically. Athletes with a suspected concussion should not be left alone and should not drive a motor vehicle.

It is recommended that, in all cases of suspected concussion, the player is referred to a medical professional for diagnosis and guidance as well as return to play decisions, even if the symptoms resolve.

RED FLAGS

If ANY of the following are reported then the player should be safely and immediately removed from the field. If no qualified medical professional is available, consider transporting by ambulance for urgent medical assessment:

- | | |
|--|---------------------------------|
| ▶ Athlete complains of neck pain | ▶ Deteriorating conscious state |
| ▶ Increasing confusion or irritability | ▶ Severe or increasing headache |
| ▶ Repeated vomiting | ▶ Unusual behaviour change |
| ▶ Seizure or convulsion | ▶ Double vision |
| ▶ Weakness or tingling / burning in arms or legs | |

Remember:

- In all cases, the basic principles of first aid (danger, response, airway, breathing, circulation) should be followed.
- Do not attempt to move the player (other than required for airway support) unless trained to do so.
- Do not remove helmet (if present) unless trained to do so.

FOOTBALL TRAINERS POLICY

The Sports Trainer is the first contact the player has upon injury and the trainers assessment and handling of such situations is vital to the welfare of the individual.

Junior Football bodies should ensure that suitably qualified persons attend regular competition matches. Sports Medicine Australia (SMA) provide an Accreditation Scheme from Level 0 to Level 2 and also run concussion workshops for sports.

All Football Trainers are encouraged to join the WA Football Trainers Association (WAFTA). Membership of WAFTA is free and is available for all trainers within WA irrespective of which level of football the person is involved with and irrespective of the experience of the person.

WAFTA run free education sessions for its members throughout the year and also sends out regular newsletters and can provide career opportunities for those who wish to advance and develop within the trainer's role.

Contact Noel Johnstone C/- PO Box 275 Subiaco WA 6904, President Ph: 0433 955 226, Secretary Ph: 0466 969 279, Email: mail@wafta.org.au. For further information, simply email the WAFTA with your name, club and contact details.

E-POINT

The establishment of positive Game Day Environments is critical to the ongoing growth and development of Junior Football across Western Australia. In 2006, a number of districts began piloting and implementing game environment initiatives known as E-Points and S-Points, and in 2012, given the success that the model had in improving the environment and shifting the focus away from winning at all costs, all Districts implemented E-Point structures in their competitions.

The E-Point and S-Points are recognised strategies that are having dramatic impact on the environments in Junior Football. In essence, these point variations remove the focus of winning at all cost to guide a healthier understanding of the values of team work, winning and losing with dignity, fairness, equality and respect. The E-Point is targeted at Youth competitions and the S-Point is focused on juniors.

The WAFC DFDC Council of Chairs unanimously indicated that all Districts and Regions must adopt the E-Point Base Model; however through discussion with their district stakeholders can also further develop the base model to suit their specific needs and requirements. Please see the Global By-Laws at the end of this manual for the E-Point Base Model.

UMPIRES HANDSHAKE POLICY

Coaches are expected to shake the hand of the match day umpires both pre and post game.

This mark of respect will reinforce our commitment to influencing positive game day environments, and stands as an excellent example of behaviour from the Coach to Players and Spectators. Coaches should also shake each other's hand both pre and post match.

CODES OF CONDUCT

The major objective of Junior Football is to provide an opportunity for all children to play Australian Football in a safe environment designed to maximise the acquisition of skill and provide enjoyment (Fun). The following Codes of Conduct, if followed by all people involved in our junior game, should ensure the fulfilment of this important objective. The West Australian Football Commission Football Affairs Committee strongly advises that all persons involved be issued with copies of the appropriate code of conduct. WA Football supports acts of sportsmanship (hand shaking etc) between players, coaches, administrators, umpires etc.

RED FLAG – Game Environment Filter

Protecting and enhancing our Game Environment will always be a strategic focus for Football. In 2014 we will see the ongoing enhancement of a Game Environment Filter, **RED FLAG**. This will assist in monitoring all football segments, and the standard of the environment and the spirit in which they are played. To this end an online filter has been developed whereby key football stakeholders are able to identify and bring to the attention of governing bodies any undesirable behaviours and actions that may breach any of the Codes of Conduct or By-Law 1 “The Spirit of Junior Football”.

The Red Flag notification is completed online with confidentiality assured within the process. Issues that are flagged that require official intervention will be overseen by the WAFC Manager Community Development in consultation with the specific League Officials and WAFC District/Regional Staff. The Red Flag filter will apply to everyone involved in Football from coaches, spectators, and players to volunteers and Club Administrators.

Club Presidents, District Officials, Umpires and WAFC Game Development Staff will have authority to access the filter via a special password and link. Please contact the WAFC Manager Junior Football Troy Kirkham to secure your access.

COACHES CODE OF CONDUCT

It is imperative that coaches understand and adhere to **BYLAW #1 'The Spirit of Junior Football'**.

As a coach, I understand that as an integral component of my accreditation, I must maintain a standard of behaviour and conduct in the best interests of the game and the players/staff in my care.

In representing myself in an honest manner, and without bringing the coaching profession or the Game into disrepute, I will endeavour to uphold the following to the best of my ability:

1. I will respect the rights, dignity and worth of all individuals within the context of my involvement in Australian Football, including refraining from any discriminatory practices on the basis of race, religion, ethnic background, or special ability/disability.
2. I will abide by and teach the AFL Laws of the Game and the Rules of my Club, District and League/Association.
3. I will be reasonable in the demands I make on the time commitments of the players in my care, having due consideration for their health and well-being.
4. I will be supportive at all times and I will refrain from any form of personal abuse or unnecessary physical contact with the players in my care.
5. I will have due consideration for varying maturity and ability levels of my players when designing practice schedule, practice activities and involvement in competition.
6. I will avoid overplaying the talented players aiming to maximise participation and enjoyment for all players regardless of ability. Where I am responsible for players in the 5-18 year old age group, I will strive to ensure that all players gain equal playing time.
7. I will stress and monitor safety always.
8. In recognising the significance of injury and sickness, I will seek and follow the physician's advice concerning the return of injured or ill players to training.
9. I will endeavour to keep informed regarding sound principles of coaching and skill development, and of factors relating to the welfare of my players.
10. I will at all times display and teach appropriate sporting behaviour, ensuring that players understand and practise fair play.
11. I will display and foster respect for umpires, opponents, coaches, administrators, other officials, parents and spectators.
12. I will ensure that players are involved in a positive environment where skill learning and development are priorities and are not overshadowed by a desire to win.
13. I reject the use of performance enhancing substances in sport and will abide by the guidelines set forth in the AFL Drug Policy.

Note: This "Coaches Code of Conduct" is to be signed and conformed to as part of the accreditation requirements of the AFL. Coaches should be aware that, in addition to this Code, they may be obliged to sign a further Code of Conduct/Ethnics with their Club and/or League or State Sports Association (WAFC).

AFL KIDS FIRST

Today's parents have an important role in the delivery and support of sporting activities for their own and other children. With it comes a clear responsibility to act in a constructive and encouraging manner at all times, parents must at all times work with coaches to uphold and adhere to **BYLAW #1 'The Spirit of Junior Football'**.

Barracking and wanting your child to perform well is human nature, but it is critical that this should be done in a responsible manner avoiding the ugly parent syndrome at all times.

The AFL Kids First is a program that has been designed for leagues and associations to guide parents so that both they and their children obtain the maximum benefit and enjoyment from their participation in junior programs and matches.

AFL Kids First includes recommendations for leagues, associations and their clubs to manage situations where parents become over-enthusiastic and risk having a negative impact on their children's activities.

The basic principles of AFL Kids First are to remind parents that:

- Sport for children is a vital part of their growing up.
- Children like to win, but more importantly, they want to have fun.
- Parents need to set the right example at the sports ground, not just at home.
- Parents should be proud of their child's efforts irrespective of the result.
- Sport is important to children's self-esteem.

The AFL has produced an operational manual for leagues, associations and clubs to drive these principles, and to remind parents of the vital responsibilities and to outline appropriate procedures in the event problems arise.

The manual outlines the program's objectives, presents the code of conduct appropriate to all parents, describes the education process for junior leagues and associations, and the conduct of an information session, the appointment of a coordinator to manage process, and the role and duties of the coordinator, parents, and administrators.

The continued growth and health of the game depends on junior programs and matches being conducted in a positive, encouraging and fun environment. AFL Kids First provides guidance for achieving this objective.

FOOTBALL CLUBS MEDICAL OR OPERATIONAL EMERGENCY ACTION PLAN

In the event of an emergency the following procedures should be followed for proper protocol.

REMEMBER THE WELL BEING OF THE PLAYER HAS FIRST PRIORITY

Activate the Emergency Action Plan;

1. If a player is injured, the “assigned person” should immediately attend the injured player and determine the seriousness of the injury. Adopt the Stop, Talk, Observe, Prevent Further Injuries regime.
2. If the assigned person considers the injury to be serious, stop the game immediately. If it is necessary to hold-up or abandon the game whilst the player is being attended to, then this action will be fully supported by the Club, DFDC and WA Football Commission.
3. If at any time a player is injured and is unconscious or has limited movement he/she should not be moved onto a stretcher, unless under the direction of someone who has **sound knowledge** of first aid.
4. Medical advice received by the Club is “If a person cannot get onto the stretcher unaided they should not be moved, except by qualified personnel”.
5. Commence appropriate first aid as quickly as possible after the accident or injury has occurred. Try to remain calm and think your actions through.
6. Make sure that one person is in control of the situation: i.e. the assigned person or coach, first aid person, to avoid any confusion with procedures and / or control bystanders.
7. Contact the ambulance service (dial 000) and inform them of the situation.
8. What to tell the ambulance personnel:
 - Address of the oval, nearest entrance or other relevant information.
 - The type and seriousness of injury and whether the player is conscious or unconscious.
 - Where to gain admittance, eg south side of Clubrooms at (club insert details) Oval.
9. Ensure the “assigned person” stays with the injured player until the ambulance arrives and takes control of the situation.
10. Make sure someone is assigned to wait in front of the main entrance of the Clubrooms or oval to meet the ambulance (you may have to unlock the chain so the ambulance can get onto the oval). Assigned person should know where key is kept.
11. Ensure the impact area is cleared for easy access for the ambulance personnel.
12. The assigned person should gather eyewitnesses in a central location (statements may need to be taken at the end of the match depending on the nature and seriousness of the injury).
13. Provide any additional assistance as required e.g. notifying parents, collecting personal belongings etc.

ACCIDENT / INJURY REPORTING

The last step following a serious injury or incident is documentation. An accident / injury report must be filled out for risk management and liability purposes.

1. The “assigned person” attending the injured player is to complete the accident / injury report form and hand it to the Club Secretary on the day of the injury.
2. Parents should refer to the insurance policy for details on making an insurance or medical claim.
3. The reports will be kept by the Club and reviewed by the Committee on a regular basis for risk management and liability purposes.
4. Copies of the reports are to be forwarded to the DFDC by the Club (use information sheet until report forms have been developed).

COACHING

The coach has significantly more influence upon players than any other official person connected with football.

It is critical that they are professionally educated in the best techniques and instilled with correct principles.

All persons placed in charge of junior footballers must have successfully completed an age appropriate AFL approved coaches course or be working towards completing the course by June 30 of the current season. If not, **they are not permitted to coach in Western Australia.**

WA COACHES – DEREGISTRATION PROCEDURES

Deregistration means the withdrawal of AFL Coach Accreditation for a set time (suspension) or permanently.

Under the WA policy of mandatory accreditation for coaches, deregistration will mean a person who has their accreditation suspended or withdrawn will not be able to engage in coaching activities in any affiliated organization during that time (Australia Wide).

Coaches who are sanctioned under this policy may also be subject to the disciplinary rules and processes of the Australian football organisations in which they are actively involved, including referral to the League tribunal or other properly constituted disciplinary mechanisms.

In accordance with the spirit of the Code of Conduct, a three-stage citation process, in line with accompanying flow chart, is recommended by the AFL for dealing with breaches of the AFL Coaches' Code of Conduct.

The operation of the process will be administered by the WAFC State Coaching Manager who retains discretionary powers to convene a Deregistration Panel, at any citation level.

THE COMMUNITY MULTICULTURAL PROGRAM

The West Australian Football Commission in partnership with the Department of Sport & Recreation have committed to the Multicultural Program (MP) to facilitate the future growth and sustainability of our game.

The MP assists new and emerging communities integrate into the wider community by using Australian Rules football as a vehicle for social inclusion. The program improves access to a traditional structured sport which involves not only the children through participation but also embraces other family members through coaching, sports training, umpiring & volunteer roles.

The WAFC recognizes that Australian Rules Football has the capacity to bring people together from culturally and linguistically diverse (CaLD) backgrounds in a traditional sport engrained in Australian culture. The program is building strong relationships through consultation with many diverse communities to develop strategies to encourage participation.

The program also provides consultation services to local football clubs to assist with the integration of players from new and emerging communities. These services include cultural awareness workshops and community engagement sessions.

A variety of events will be conducted to engage juniors and youth to join local football clubs including; Multicultural Carnivals, Transition Club programs and Multicultural Camps.

For further information on how your club can become more inclusive visit the following websites:

Department of Sport and Recreation: www.dsr.wa.gov.au

Department of Multicultural Interests: www.omi.wa.gov.au

For further information on how your club can get involved in the program contact the Community Engagement Manager as per the contacts list towards the front of the Junior Club Manual.

WAFL LITTLE LEAGUE – proudly sponsored by Movie Masters

The WAFL Little League competition is conducted at half time of all WAFL matches (primarily to promote and enhance the affinity with WAFL Clubs).

It is primarily designed for 11 and 12 year old age group; however each individual district may differ slightly in its approach in regard to the allocation of teams. The teams will be selected from clubs or schools within the District metropolitan and Regional country boundaries and play in respective WAFL club colours.

The rules will be as per NAB AFL Junior Rules (as outlined in this document NAB AFL Junior Rules for the Year 6 & Year 7 Year groups).

The Little League competition is a WAFL competition, which is organised and overseen by the respective District Development Staff and each WAFL Club Little League Team Managers (approved and appointed by the WAFC). The competition will run for the duration of the WAFL season (including WAFL finals).

The WAFC recommends that all players through Junior Football should be encouraged and be given the opportunity to participate in WAFL Little League.

NAB AFL AUSKICK – AFL GRID GAMES

During half time of every AFL game at Patersons Stadium, the AFL has allocated NAB AFL Auskick centres the opportunity to participate in Grid Games on the oval. This fantastic opportunity, proudly supported by the NAB, gives Auskick kids the opportunity to play football on the 'big stage', just like many of their AFL heroes.

As there are only 22 opportunities (excluding AFL Finals) each year, the process for allocating NAB AFL Auskick centres is one that is managed by each District and/or Region. Each District/Region is allocated one AFL game during the season to provide NAB AFL Auskick representatives for. It is the decision of the District/Region who attends these games. If your club/centre is selected to participate at half time of an AFL game your Development staff member will contact you and forward through all the relevant information. For further information on this process please contact your District Development staff.

AFL LITTLE LEAGUE GAMES

The AFL also provides an opportunity for two Year 7 teams (12 Year olds) to play against each other during half time of all AFL Games at Patersons Stadium. Once again this opportunity is proudly supported by the NAB.

As there are only 22 games (excluding AFL Finals) each year, the process for allocating AFL Little League teams is one that is managed by each District and/or Region. It is the decision of the District/Region which teams attend these games. If your club/team is selected to participate at half time of an AFL game your Development staff member will contact you and forward through all the relevant information. For further information on this process please contact your District Development staff.

SCHOOL AND COMMUNITY FOOTBALL

The WAFC sees the delivery of Australian Football as a partnership between schools and community groups.

Schools recognise that sport is an aspect of the school curriculum and is an integral part of an individual's development.

Community groups recognise the school system as an integral and positive part of football development and assist and encourage participation.

Schools and community groups/clubs should establish links to promote continuity of delivery. AFL School Ambassadors will be appointed in every school to facilitate the effective implementation of school football programs.

The use of existing school facilities by community groups is encouraged.

Schools should be receptive to interaction with community groups within and outside of school hours.

The WAFC works closely with key advisory groups;

- Education Advisory Group
- Primary School Football Advisory Committee
- Secondary School Football Advisory Committee

In designing and implementing quality football education programs.

The Education Advisory Group's foundation strategy is the induction of 1000 teachers to act as AFL School Ambassadors who will work actively in their school and cooperatively with community clubs to increase interest and participation in football.

PRIMARY SCHOOL AGE FOOTBALL

- The NAB AFL Auskick approach of modified involvement shall be adhered to from 5 to 12 years of age.
- Organisers, coaches and assistant coaches shall enter the AFL Coach Accreditation Scheme.
- Interschool competition, in the form of weekly games (Eagles Cup – Boys Competition), Fremantle Dockers Cup (Girls Competition) and one day Lightning Carnivals (Fremantle Dockers Shield) for years 6 and 7 conducted in the second and third terms of the school calendar year. Intra school competition (Eagles Faction Football) can be played all year round.
- Competition organised and administered by the WAFC under guidance of Primary School Football Advisory Council.
- Designed to target students who play other sports at weekends or no sport at all.
- Encouragement is given to those introduced to football at school to register for community club football.
- A 'special points' criterion is used to encourage participation and discipline and not focus solely on winning.

AFL SCHOOL AMBASSADOR PROGRAM

The AFL School Ambassador (AFLSA) program resources, recognises, motivates and rewards teachers who strongly promote the game of Australian Football in their school and community.

Over 1200 WA primary and secondary teachers have joined this national program since its inception here in 2004.

Free professional development opportunities are available throughout the year. Contact the WAFC on 9381 5599 or education@wafc.com.au.

Key AFLSA responsibilities:

- Implement AFL related activities and competitions in schools
- Provide a point of contact for teachers, parents, students and community clubs
- Assist in the distribution of resources
- Professionally develop colleagues

The AFL rewards School Ambassadors with a selection of the following:

- Equipment
- Apparel
- Curriculum resources
- AFL Season fixture pen

AFL INDOOR FOOTBALL / SOCIAL FOOTBALL / AFL9's

AFL Social Footy is a great alternative for those wanting to play competitive football in a fun environment without having to worry about injuries or intensive training. Potentially able to be played on ovals, indoor centres, beaches, warehouses or parks, AFL Social Footy is essentially a modified version of traditional Australian Football. A non-contact sport, the game allows all ages and genders the chance to participate in a great game in a risk-free environment with a strong emphasis on fitness and enjoyment. There is no tackling, bumping or shepherding.

Opportunities for Clubs

There are a number of Social Football opportunities that can benefit junior clubs. These include:

- Run a pre-season / off-season competition at your club to assist in keeping your teams together between seasons,
- Run a six week or longer social competition for parents and their kids,
- Could be a good opportunity to recruit additional participants to your club,
- Could be a good opportunity to raise additional funds for your clubs.

TALENT

Providing a clear pathway to the top in a sport with limited international opportunity is vital to ensure the talented “natural” athlete selects Australian Football at an early age.

The steps from junior mass participation to zone representation/opportunities at the Year 8 level, leading to functional talent identification at intrastate and interstate competition from 15-18 clearly defined.

The primary opportunity for a junior Australian footballer for both optimal performance and identification are the National Championships conducted annually for players competing in the 15's school boys and the WAFC & AFL endorsed 16's and 18's academy. The pathway leads from junior level to senior football via Country or State Leagues with the AFL as the clear destination for those wishing to achieve the ultimate. Players wishing to pursue an AFL career in WA must do so via the WAFL.

The next page outlines the career pathway for talented players:

Key Points

- Enter or leave pathway at the any level before being drafted by AFL,
- Inclusion In development squads give no guarantees, but an excellent opportunity to enhance football education,
- Level of training and play paramount,
- Plan and organise according to goals you have set,
- Understand there must be a balance - family, school / work , friends and sport,
- Seek advice - parents, teachers and coaches, especially Development Officers.

State Representation Policy

The talent pathway is quite clearly defined for our youth in Western Australia.

For our most talented young players, the opportunity to represent their state is an exciting and prestigious water-shed in their development. However, it should be noted that trials and practice matches are scheduled with community / country fixtures in mind and it is only on rare occasions that a clash results.

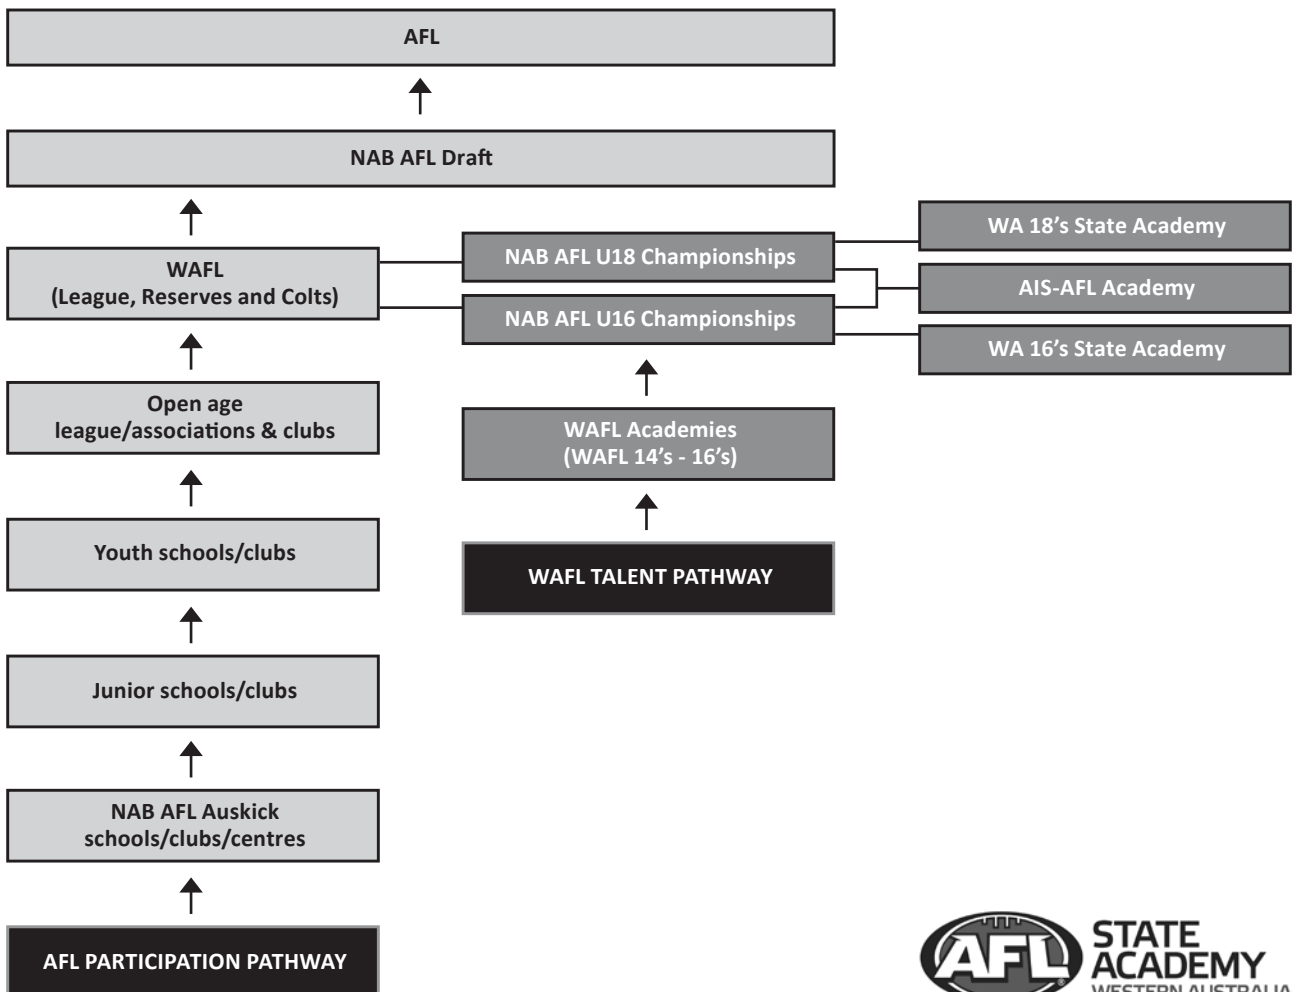

In reference to the official championship matches and State Academy Trial Matches, State representatives should be credited with local home and away games (i.e. two games) for the age group they were playing in prior to WA 16's & State Schoolboys selection, in a similar fashion to the situation involving the WAFL and AFL clubs.

If you have any queries contact Darren Davis or Raffaele Guadagnino at the WAFC on (08) 9381 5599.

PLAYER DEVELOPMENT PATHWAYS

FEMALE FOOTBALL

Over the past few years there has been significant growth in female participation. There are now almost 20,000 females playing football across Australia. The participation pathway, no matter if you are a female player, umpire, coach or administrator is being built through hard working volunteers and visionary clubs and development staff. The current pathway consists of:

All Girls Auskick (5-8yrs) – Centres are encouraged to host female dedicated sides within their Auskick program. The Centres that have adopted this approach have added up to 80 girls to their playing list. There are now a number of Female Dedicated centres in WA.

In 2014, there will be 3 Gala Days run for All Girls Auskick Centres – 1 North of the River, 1 South of the river and 1 central. Amy Potter has been appointed Female Auskick Coordinator and after winning the National Auskick Volunteer of the Year award in 2012 we are very excited to have her helping and promoting All Girls Centres. Amy can be contacted on 0439 943 708.

Junior Girls (9-12yrs) – A number of Districts and Regions have now run successful Junior Girls competitions. All Districts are working on developing stand-alone Junior Girls community competitions. This is real footy, real fun and girls only – with heaps of skills sessions and modified rules!

Contact your local Junior Football Club or District Development staff to find out more about Junior Girls competitions near you.

School Football (10 -17yrs) – From Fremantle Dockers Cup and Eagles Faction footy in Primary Schools, to Fremantle House Footy and School Girls Cup in High School, there is a game for you! So speak to your teachers to be part of a team.

Youth Girls (13 – 17yrs) – During 2013, the WAFC launched the inaugural Metro Youth Girls Competition. Teams were formed under the umbrella of current WAWFL teams as a 3rd tier, similar to the boys Colts. Games are generally played at 10.30am on a Sunday morning, 4 x 15 mins quarters, on the WAWFL grounds. Interested players should contact their nearest WAWFL Club to express their interest or alternatively contact Allana Dickie at the WAFC on (08) 9381 5599.

WAWFL – The WAWFL is the premier competition for females in WA. After over 25 years of action the WAWFL is a high class and athletic competition that displays the female game at its best. The opportunity to play football at Reserves or League level, as well as represent the state and achieve All-Australian selection is all there for the talented female player.

State Representation - With State 16's, State U18's and the Women's AFL National Championships there is a level of representative footy for you. Female players will be given the opportunity to be involved in Talent Academies and regular fitness testing across WA and Australia. Forming a partnership with All Saints College in Bullcreek and securing this as our high performance training venue, ensures an exciting future for females. AFL funding is allowing us to form another partnership with Notre Dame University to conduct regular fitness testing on the girls and gather benchmark data.

UMPIRING

To join a junior umpiring group, please log on to – www.wafootball.com.au www.umpireafl.com.au .

For any further information, please contact your local District or the WAFC Umpire Development Manager on (08) 9381 5599. .

UMPIRE MENTORING PROGRAM (GREEN SHIRT)

The Umpire Mentoring Program is an education and awareness program designed to help improve the match day environment for inexperienced umpires. The umpires in the program are put through an introduction to umpiring course, which teaches them the basic skills of umpiring. When umpiring, they will often have a mentor providing feedback. The umpires are distinguished by their Light Green uniforms, as opposed to the regulation orange. The aim of wearing the green is to send a message to all players, officials and spectators that the umpire is new, and thus to help improve the game day environment

ACCREDITATION

The AFL National Umpiring Accreditation Scheme is a competency based vehicle for ensuring that umpires attain skills and knowledge demonstrated on match day.

Accreditation of Umpires gives the umpire the confidence to better perform as an official, and provides the game with more competent persons to manage the laws and safe playing of our great game.

Level One Accreditation is provided through the District Umpiring Coaching structure to its umpires. Mentors assist the process as umpires become accredited as competent through their learning on match day and in off the field activities such as recorded diary reflections.

JUNIOR DISTRICT UMPIRE COACHING

WAFC Umpiring invests in the 9 metropolitan WAFL junior to cover umpire coach honoraria for the duration of the junior football season.

This honoraria payment is to ensure that the following key umpire development outcomes are attained across all of the 9 junior districts - Recruitment, In Season Training- Education, Game Day Appointments, Provide Game Day Coaching, Umpire Mentor Program, Accreditation, Uniform Distribution, Tribunal Guidance, Nominate Umpires for WAFL Talent Games, Gather Umpire District, Intelligence, Attend meetings as requested by DFDC.

WAFC Umpiring has in place Position Descriptions that cover all of the above whilst it also seeks to ensure that as a minimum all district umpire coach structures have the following personnel in place within each of the 9 junior districts. Appointment of positions is via the DFDC and WAFC Umpiring (partnership). In season WAFC Umpiring provides each umpiring coordinator with consultative support as per the need;

1. Junior District Umpiring Coordinator
2. Open Rules Coach and Modified Rules Coach
3. Game Day Mentor / Match Day Coach`s.

GROWING THE QUALITY OF OUR GREAT GAME

The quality and competency of umpires adjudicating at district junior games remains one of the key essential ingredients given the pursuit of attaining and maintaining a quality game day environment. The standard and proficiency of umpiring at the junior competition level plays a fundamental role in player development and welfare whilst encouraging and promoting the value of sportsmanship.

Each “Junior District Umpire Coaching Team” remains responsible for the recruitment and educational training of their junior umpires however the challenge of umpire retention requires leadership from all junior game day stakeholders.

It is crucial that all appreciate the need for a “collective responsibility approach” in setting and maintaining a quality game day environment. WAFC Umpiring acknowledges the sound partnerships that have now developed across all junior districts and remains positively focused towards building even stronger links as we continue to strategically develop and enhance umpiring at the junior level of game participation.

TALENT PATHWAY

Like players, umpires are provided with the opportunity to progress along a “TALENT PATHWAY” that starts at the District Junior Competition Level. Within the Junior Community level there remains the opportunity for young aspiring umpires to be selected to join the Hendrie/Margetts Development Squad or Geoff Hayes Development Squad (Peel Region) where additional and more specialized coaching can enhance the development process prior to them moving into the Senior Community level of game participation.

Any young umpire not selected to join Development Squad can still take up the opportunity to advance up to the Senior Community level following a request being made to the Umpire Manager, Senior competitions who will assess each individual umpire prior to acceptance.

All umpires selected into the WAFL or Mike Ball Talent Academy is via the selection process of the High Performance Umpire Manager. This process primarily looks at match day performance of the umpire at the Senior Community level together with a number of key benchmarks being attained as per the need of our state league competition WAFL. Selection into the AFL is via the WAFC Umpiring Manager endorsement, with selection criteria driven from a state and national perspective.

Definition of Level 1 +50 games

For the purposes of the above table the “games” component of +50 games is defined as any WAFC recognised game of football that is 4 quarters in length. For example any junior game in the district (modified or open rules) or any senior game (amateurs) is included, games that are 2 halves (school football), carnivals or modified versions of the game (AFL 9’s) are not included. If any further clarification needs to be sort on this please contact the WAFC Umpire Development Manager or WAFC Junior Football Manager.

Year 7 Rates

Due to the change in the National Junior Match Policy the Year 7 up-rates are based on the Year 6 figures. The one umpire system rate for Year 7 is higher than the Year 6 rate for reasons of a higher grade and the possibility of more players on a larger field leading to a greater umpire workload. The 2 umpire system rate for year 7 is based on a fair outcome for both clubs and umpires to ensure clubs are not largely out of pocket and so that umpires only receive a small pay decrease moving up from Year 6’s but need to be mindful that their workload is reduced under the 2 umpire system. The Year 7 figures will be re-assessed for 2015 based on 2014 feedback.

NATURE PLAY WA

Nature Play WA is devoted to helping West Australian children and their families connect with nature and help build stronger, healthier communities. It is the result of a growing awareness of the importance of nature on the lives of children and parents.

If you're a parent looking for ideas on how to get your children more involved in outdoor activities in Western Australia, then visit: www.natureplaywa.org.au

There are lots of reasons why kids should make the move from the TV or computer room to the outdoors. Probably the best reason is that it's fun, and you and your kids will be happier and healthier doing things together.

But there are other important considerations. Research undertaken around the world indicates there are real benefits for children being involved in nature.

Such research indicates that:

- Children benefit from appropriate risk-taking during outdoor play, by helping them refine their motor skills and gain confidence in being physically active
- Older children who spend more time outside tend to be more physically active and less likely to be overweight, and
- School gardens positively affect children's learning and behaviour, and that students involved in gardening develop a better school attitude, student bonding and teamwork.

The aim of Nature Play WA is to help parents help their children make the most of outdoor activities involving the bush, beach, and national and neighbourhood parks.

JUNIOR FOOTBALL

PRE-PRIMARY – YEAR 3 NAB AFL AUSKICK PROGRAM (5 – 8 Years)

NOTE: Children must turn 5 years of age before June 30th in the year they wish to participate to be eligible for the NAB AFL Auskick Program.

NAB AFL Auskick Program is the introduction stage to football for 5, 6, 7 and 8 year olds. NAB AFL Auskick Program is an introductory experience of coordination activities which prepares participants for the learning of skills for Australian football. It is primarily designed around free play, child centred activities involving basic skills and above all enjoyment.

AIMS

- Ideal Environment
- Child Centred Activities
- Sequential Skill Learning
- Free Play and Enjoyment

GUIDELINES

To be regarded as a Registered NAB AFL Auskick Centre, all clubs MUST purchase the required Auskick packs through the WAFC for each participant in their Auskick Program.

This ensures that the participants are eligible for all the benefits of the program and that they are covered by insurance.

- Sessions conducted once a week preferably on weekends, optional mid week session, for an hour to an hour and a half maximum.
- An NAB AFL Auskick Program session involves a majority (70%) of the time on football activities and the remainder 30% on minor games.

A typical session is as follows;

- a) An organised teaching session involving movement coordination and fundamental skills with parents acting as group leaders (ideally have one parent/adult per player or keep group numbers low, 5-6 per group).
 - b) An accredited coach coordinator should plan the skills to be taught and the activities to be used well before the players arrive at the oval.
 - c) At the conclusion of the skill session (for no more than 40 mins) the players can be divided into teams of 6, 9 or 12 to play NAB AFL Auskick matches.
- NAB AFL Auskick Program consists of ten (12-15) weekly learning sessions. (Max 15 weeks)
 - Small sided matches between groups or teams within the host club or centre are a vital part of NAB AFL Auskick, occasional social matches against other clubs are appropriate but fixtured interclub games are totally inappropriate at this level.
 - Utilise a Skill Achievement program as a vehicle for skill development.
 - A child's initial involvement with Australian Football should be through an organised community based program, focusing on skill education and modified skill games.
 - Focus on building motor, personal and social skills, as well as enjoyment, participation and self esteem.
 - Structured/formal/fixtured competition is totally INAPPROPRIATE!

Note: Coach Accreditation is now compulsory in both metropolitan and country areas

TRAINING RECOMMENDATIONS

The following guidelines should be adopted by all junior football coaches.

The NAB AFL Auskick program PP – Year 3: one additional mid-week training session to normal NAB AFL Auskick session (no more than one optional hour in duration).

NAB AFL AUSKICK - THE MODIFIED GAME: PRE-PRIMARY to YEAR 3

NOTE: Children turning 5 years of age after June 30th are ineligible for the NAB AFL Auskick Program

When participants have acquired the appropriate basic skills they should participate in modified games.

FIELD:

As per NAB AFL Auskick zone marking. See diagram. <Insert Diagram of oval layout>

FOOTBALLS:

Synthetic smaller balls up to 48cm x 63cm (size 1) should be used for these younger age groups.

FIELD MARKERS:

Ropes, witches hats or collapsible dome markers can be used to help mark the field.

PLAYING POSITIONS:

6-a-side, 9-a-side and 12-a-side minor games. Playing positions are restricted to zones. (Refer AFL Auskick zone markings). A suitable developmental scale would be: PP-Year 1 = 6-a-side; Year 2 = 9-a-side; Year 3 = 12-a-side

NOTE: The preferred organisation for this stage is activity games rather than positional games.

UMPIRES:

- Parents (it is recommended to have one umpire in each zone).
- Feedback to player should involve encouragement and direction.
- Should understand the philosophy and rules of the NAB AFL Auskick program.

*Conducted by AFL accredited coach(s)

**Note: Coach Accreditation is COMPULSORY in both metropolitan and country areas.*

FOOTBALLS:

As many footballs as possible are required for practice sessions to assist in skill development e.g. synthetic skill balls are inexpensive and readily available. It is recommended that teams have one ball per 4 players. Various size match balls are available, depending on the players' ages. Synthetic footballs are recommended for games played in wet conditions.

- Year 4 & Year 5: Mini League/Mini Team - 50.5cm x 66cm (size 2)
- Year 6 & Year 7: Little League/Junior Team - 52cm x 68cm (size 3)

TRAINING RECOMMENDATIONS:

The following guidelines should be adopted by all junior football coaches.

Year 6 & Year 7 – one to two sessions per week (Maximum)

FIELD MARKERS:

Witches hats or domes can be used to help mark the field.

PLAYING POSITIONS:

Playing positions also depend on the number of players in each team.

UMPIRES:

- One field umpire, no boundary umpires required for Year 4 – Year 6. In the Year 7 competition Boundary Umpires can be utilised if available. Goal umpires supplied by participating teams.
- Coaches should be prepared to umpire if required.
- All umpires should give encouragement and positive feedback to all players.
- Coaches MUST at all times support the umpire.

AWARDING OF POINTS – FINALS:

Year 4 – Year 6

The recognition of individual domination and emphasis on winning, team ranking and the conduct of finals is considered inappropriate to the promotion of individual skills and development at the formative levels.

The following rules are to be implemented:

Up to and including Year 6's:

- No premiership points to be recorded,
- No finals series,
- No recording or publication of ladders,
- No recording or publication of match results,
- No Names published (i.e. No Best Players, Fairest and Bests or Goal Scorers)
- Special Carnival Days may be held at times during season (participation only recommended).

Year 7

In 2014, after a comprehensive review by the AFL and the states it was recognised as part of a transition phase for Year 7 footballers that although there is still a focus on team development and individual skill development, that incremental changes have been approved for this Year group.

The following rules are to be implemented:

Year 7's ONLY:

- Premiership points can be recorded,
- A finals series can be held (*although various options could include the top team after the season wins the 'premiership', the top two teams play off or a regular finals series*)
- The recording or publication of ladders is permitted,
- The recording or publication of match results is permitted,
- No Names published (i.e. No Best Players or Goal Scorers)
- No Fairest and Best player voting (*The focus is still on team development as opposed to individual awards*)

FEMALE PARTICIPATION:

Junior Clubs are encouraged to have a Junior Girls team/s as a part of their normal team structure. Clubs may decide to either:

- Develop an All Girls team within the club to better cater for female participants.
- Combine girls and boys together up to the age of 14 years

Years 4 & 5

AFL YOUTH FOOTBALL (YEAR 8 – YEAR 12)

- AFL Youth Football provides the critical link from mass participation AFL Junior Football to the adult game.
- A clear national direction is that AFL Youth Football should embrace the changing educational and social demands of adolescents, and provide a flexible timetable pursuant to those demands.
- AFL Youth Football players should be encouraged to be involved in the decision making process regarding their competition.

AFL YOUTH AGE POLICY

The AFL Youth Policy aims to maximise the recruitment and retention of youth players (male and female) as they progress through the pathway to senior football and is based on positioning Australian Football for youth players in terms of the following qualities:

Fun, Fast & Skilful – The social interaction, fast pace of the game and the opportunity to play skilfully make the game fun for players. When players are able to execute their skills successfully on the field, they experience a sense of fun and mastery. The pace of the game engages their attention, adrenaline is stimulated in close competition, and success is experienced through skilful play, fulfilling team goals and coach aspirations, all of which are shared with their peers.

Social Interaction – Participants are drawn to the opportunity to socialize, develop / maintain friendships and to operate as a team, at an age where the peer group is of utmost importance. Football must provide an opportunity to feel a sense of belonging and acceptance.

Competition – Although on the surface players agree that winning is fun research reveals they are more concerned with the quality of the competition. The implication for leagues, clubs and schools here is clearly for well-graded competitions that match the skill level of opposing teams.

FACTORS EFFECTING YOUTH DROP OUT

Over the past decade growth in sporting participation has been in recreational, non-traditional forms of sport. These sports cater to busy lifestyles and a desire to achieve fitness without the risk of injury. For teens, study, social and part-time work pressures are increasing, together with competing entertainment opportunities such as movies, music and online games.

Community leagues and clubs responsible for delivering AFL Youth football competitions need to be mindful of these social issues and consider strategies to alleviate the contributing factors affecting youth drop out. It is impossible for leagues and clubs to cater for the complex array of a young person's needs and attitudes. However, some responses, like changing traditional notions on the timing of games, modifying the rules and team numbers, altering the focus of coaching and offering broader life experiences are well worth trying.

GRADING

Research reveals that while youth players agree winning is fun, they are more concerned with the quality of the competition. The implication for leagues, clubs and schools here is for well-graded competitions that match the skill level of opposing teams.

- **Junior Leagues** - Where team numbers permit, junior leagues implement divisional competitions with an appropriate grading process (grading round). This will ensure all teams and players participate in a competition that matches their skills and ability.
- **Clubs** - In the event a club enters more than one team in the same age group competition (no divisions), players must be allocated to each team so that they are evenly matched. In the event a club enters more than one team in an age group that has a number of competition divisions, it is recommended that teams be allocated to a division that best suits that teams skills and ability.

Although the peer group is of utmost importance, as is the opportunity to develop and maintain friendships, this should not override the needs of the team and club when allocating players to appropriate teams. Youth players should be engaged in the decision-making process. The Conference Model will provide all Districts the opportunity for divisional play in the Year 11 & Year 12 age groups which will in turn provide participants with greater variety and also assist in preventing scoring blowouts in the majority of games.

AFL YOUTH FOOTBALL (YEARS 8 – 9)

15-a-side or 18-a-side: community club and school competitions

Key Principles

- Fun and safe,
- Play with mates,
- Focus on developing skills and tactics,
- Modified rules, playing area and equipment.

Purpose

Learning how to train and consolidate the basic skills is the focus at this age level. Advanced technical and tactical skills start to be introduced, including decision-making in games and training, positional skills (competency in a position), and basic performance enhancing techniques, e.g. warm-up, cool-down, nutrition, hydration, recovery, goal-setting, pre and post-match routines.

It is important for players in this age group to feel an essential part of the team to develop self-efficacy, self-worth and a connection with the community, club and team. Commitment and loyalty to the club and team, and social responsibility on and off the field in line with adult standards should be engendered and acknowledged.

Spirit of the Game

Prior to the commencement of play: all players, coaches and umpires should shake hands; and the umpire and coaches should ensure players are aware of the rules and procedures to be followed in the game.

The spirit and intention is to ensure all games are played in a competitive and fair manner, in an environment that:

- permits a player whose sole objective is to contest and gain possession of the ball, to do so in a safe and fair manner; rewards and acknowledges commitment and loyalty to the team, club and or school
- allows all players to feel an essential part of the team while enabling each individual to develop self-efficacy, self-worth and an identity within the community, their team, club or school
- fosters and reinforces community values and social responsibility.

The player whose sole objective is to contest the ball must be permitted to do so. Ethically it is the responsibility of coaches to provide the best possible teaching and learning conditions; therefore, the use of negative defensive tactics where the opposing player's sole objective is to prevent a player from gaining possession is strongly discouraged at this age level.

Tactics such as tagging and flooding are elements of the modern game; however, they are contrary to the philosophy of providing an environment that maximises the desired fairness, fun, speed, skill and competitive elements of the game at this level.

Umpires should at all times: endeavour to apply the laws of the game, awarding free kicks to players in preference to calling for ball-ups; understand the spirit and intention of the laws is to ensure a match is played in a fair manner and to protect players from injury. For this reason restrictions are placed upon tackling in this age group. At the end of the game, all players and coaches should shake hands.

Laws of Australian Football

The Laws of Australian Football apply to the Year 8 & Year 9 year groups with the following modifications.

The Ball

A size 4 leather or synthetic football made specifically for this age group should be used. As many footballs as possible are required for training sessions. This may be maximised by players bringing their own football, support from a senior club, or fundraising.

It is recommended that teams have a minimum one ball per four players at training sessions.

Tackling

Tackling is permitted per the Laws of Australian Football, however: No player shall be deliberately slung, dumped or thrown to the ground in any tackle.

Order-off rule

To be applied at the umpire's discretion or by the competition's controlling body where applicable. Bad language, poor sportsmanship and disputing umpiring decisions should be actively discouraged.

Field

The ground size should be influenced by how many players are on the field. If teams are playing 15 a side then the oval should be shortened, however with 18 a side there is the option to play on a full size oval. Junior Clubs should also consider that by utilising a full size oval it will negatively impact the amount of scoring that occurs, particularly in the Year 8 year groups.

Year 8's: 120m – 185m long, 110 – 155m wide

Year 9's – Year 12's: 135m – 185m long / 110 – 155m wide

Playing Positions

Community club and school competitions - 15-a-side or 18-a-side field plus interchange. Both may vary with regional agreements designed to ensure maximum participation. To ensure all players feel an essential part of the team regardless of their age, size, gender, ability or the competition they are playing in it is critical that they have an equal amount of time on the field over the course of the season.

Note: Country junior associations in some instances may have slight variations to age/year groups and the standard order off rule so please contact your Regional Manager for further clarification.

AFL YOUTH FOOTBALL (YEAR 10 – YEAR 12)

18-a-side: community club and school competitions

Key Principles

- Fun and fast,
- Play with mates,
- Continue developing skills and tactics.

Purpose

The emphasis at this age level is to optimise the development of players' fitness levels and their individual, positional and team skills. Higher level competition skills should be developed and appropriate competitions provided to enhance players' learning and their chances of being identified for talent pathway programs.

It is important for players in this age group to feel an essential part of the team to develop self-efficacy, self-worth and a connection with their community, club and team. Commitment and loyalty to the club and team, and social responsibility on and off the field in accordance with community standards should be engendered and acknowledged.

Players in this age group may also benefit from social competitions such as AFL9's in order to meet their commitments away from football. Junior Leagues should investigate possible divisions that better cater to meet the needs of their participants.

Spirit of the Game

Before the start of play and at the end of the game, all players, coaches and umpires should shake hands. The spirit and intention is to ensure all games are played in a competitive and fair manner, in an environment that:

- permits a player whose sole objective is to contest and gain possession of the ball to do so in a safe and fair manner; rewards and acknowledges commitment and loyalty to the team, club and school;
- allows all players to feel an essential part of their team, while enabling each individual to develop self-efficacy, self-worth and an identity within their community, team, club and school;
- engenders and reinforces community values and social responsibility.

The player whose sole objective is to contest the ball must be permitted to do so. Ethically, it is the responsibility of coaches to provide the best possible teaching and learning conditions. Therefore, the use of negative defensive tactics, where the opposing player's sole objective is to prevent a player from gaining possession, is strongly discouraged at this age level. It could be argued tactics such as tagging and flooding are elements of the modern game, however, they are detrimental to the philosophy of providing an environment that maximises the desired fairness, fun, speed, skill and competitive elements of the game.

The umpire should at all times: endeavour to apply the rules of the games, while awarding free kicks to players in preference to calling for ball-ups; and understand the spirit and intention of the laws is to ensure that a match is played in a fair manner and to protect players from injury.

Laws of Australian Football

The Laws of Australian Football apply to all matches played in the Year 10 – Year 12 year groups.

Order-off rule

To be applied at the umpire's discretion or by the competition's controlling body where applicable. Bad language, poor sportsmanship and disputing umpiring decisions should be actively discouraged.

Field

The ground size should be influenced by how many players are on the field. If teams are playing 15 a side then the oval should be shortened, however with 18 a side there is the option to play on a full size oval.

Year 9's – Year 12's: 135m – 185m long / 110 – 155m wide

Note: Country junior associations in some instances may have slight variations to age/year groups and the standard order off rule so please contact your Regional Manager for further clarification.

49. WA FOOTBALL TRIBUNAL PROTOCOL AND GUIDELINES

**Standard Tribunal Guidelines and Penalties for Community Football
(Incorporating the Community Football Council, WA Country Football League and District Development Council Junior Competitions)**

GUIDELINES FOR CONDUCTING A TRIBUNAL

1. BACKGROUND

As described on page 10 of the Laws of Australian Football, the Purpose of the Laws explain how the game is played and seeks to attain the objectives of ensuring the game is played in a fair manner and spirit of true sportsmanship; and to prevent injuries to players where it can be reasonably achieved, considering the body contact nature of the sport.

Generally, most parents and especially mothers like to see their children involved in a sport that has rules promoting sportsmanship, fair play and one where they can participate in a safe environment. The AFL's rewrite of the laws in the year 2000 addressed this ideal.

The new definitions of Charging and Engaging in Rough Play has reduced the unnecessary rough contact and together with the Law related to prohibiting contact in marking contests, the issue of protecting the player making the ball his object has been addressed.

Australian Football is built around courage to get the ball and the Laws are framed to encourage this value. It is essential that the Football Industry is seen to deal with offenders in a consistent manner across the State.

In 1998, the Standard Order Off Rule (Red and Yellow Card System) was introduced to assist Umpires and the Football Industry to achieve consistency in controlling unacceptable behaviour on the field. This strategy has been very successful and continues to complement the game.

It is logical that the same principle of dealing with consistency, be implemented throughout the Tribunal system.

The following information has been produced to promote consistency in procedures and penalties set by the Football Industry of Western Australia.

9. PRESCRIBED PENALTIES:

Prescribed Penalties are adopted by the Controlling Body to eliminate excessive distances travelled by participants attending tribunal hearings and/or to lessen the time and inconvenience placed on club volunteers.

Prescribed Penalty: means a set sanction or penalty for a reportable offence that is offered to an offender by the Controlling Body or its Delegated Authority in lieu of attending a Tribunal Hearing. The offer of a Prescribed Penalty is at the discretion of the controlling Body. Unless a Yellow Card is issued by the Umpire for the First Offence, the **Prescribed Penalty** is derived from the minimum penalty of a specific reportable offence listed on the *Standard Range of Penalties*.

If an Offender elects to attend the Tribunal in lieu of accepting the Controlling Body's offer of a **Prescribed Penalty** and is subsequently found guilty of that offence, then the resultant penalty shall be equal to or greater than the Prescribed Penalty. It shall not be less than the Prescribed Penalty for that offence, unless mitigating circumstances are established at the hearing.

If mitigating circumstances are established, The Tribunal Chairman shall state and record the circumstances on the *Standard Disciplinary Record of Tribunal Proceedings* form.

9.1 STANDARD RANGE OF PENALTIES FOR REPORTABLE OFFENCES:

The WAFC Manager Junior Football will adjudicate on any anomalies, inconsistencies or interpretive issues that arise in relation to the range of penalties. Any request for rulings will be initiated by the District Competition Director in writing to the WAFC Manager Junior Football.

The *Standard Range of Penalties* shall apply to any Player or Official found guilty of a Specific Reportable Offence listed in Law 19.2.2 of the Laws of Australian Football or as described in the Rules and Regulations of the Controlling Body.

Where an Offender commits two (2) or more offences within the current 2 year period, then the "Second Offence" Range of Penalties shall be used to determine the penalty.

The "Second Offence" Range of Penalties have been set at double the "First Offence" Range of Penalties to clearly signify that repeat offenders will not be tolerated.

In determining an Offender's penalty, the Tribunal shall use the *Standard Range of Penalties* and may increase the penalty after taking into consideration any injury sustained by a victim and/or any previous convictions of the offender prior to the last 2 years of the Tribunal sitting. The use of Suspended Sentences may be used as an **additional penalty** to the *Standard Range of Penalties*.

The Tribunal shall **not reduce** the minimum *Standard Range Penalties*, unless mitigating circumstances are established at the hearing. If mitigating circumstances are established, the Tribunal Chairman shall state and record the circumstances on the *Standard Disciplinary Record of Tribunal Proceedings* form.
