Meet the Committee ~ Keith

Meet our one and only Keith "Everywhere" Daddow. Keith has a great 'can do' attitude and is involved in all aspects of Club life. In 2018 Keith was the recipient of Senior Club Person of the Year to recognise his valuable contributions to our Club. What would we do without you Keith!!!

Current Position on Committee- "Spare man in defence- see job-do job" also run the bar at functions.

Why did you join the committee?

I like to make a contribution and get involved and I'm not one that can ever sit back- whatever it is.

The club was in financial strife a few years ago and the call went out. I thought I had something to offer and stuck my hand up.

It's an absolute pleasure to be a part of the clubs success and some very firm friendships have been created through our committee work.

Kids at the Club

My youngest son Hunter is in Year six and has already chalked up 57 games.

My daughter Bronte played for the hawks when we were trying to establish a girls team.

My oldest son Big Sammy has played 84 games for the Hawks so far and we hope to be part of a 11/12 team next year which has been a long time since the club went all the way.

How long have you been at the club?

The Daddow's arrived at the club in 2013 so this is our sixth year.

How long have you been on the committee?

I've been on the committee for four years

What other roles have you had at the club?

I coached for three years Hunter's team from Auskick to year three, I've been runner for several years with Samuel's team . Currently coming off a football training injury which has had me out for 8 weeks but I am getting ready to start running the water again. I'd still love to be coaching but live in Katanning during the week and logistically can't.

I've ran the club Merchandise for a couple of years, and now run the bar.

I've been MC at the last two major functions being the Quiz night. Probably other things- see job do job 😊 I couldn't really imagine not being on the committee.

What AFL club do you support?

I'm an Eagles man and have followed my beloved Swan Districts since the 70's

Proudest moments at the club

Watching the Hawks boys play in three grand finals

Watching my boys both play up to help other teams each year.

Being the current 'Club Person of the Year' and sharing the stage with my son Big Sammy who is also current 'Junior Clubman of the Year'

MC'ing the major fund raiser of the year.

Kicking three 'snags' in last years Dad's V Lads game in which the dads finally won. A massive black eye was worn as a badge of honour that indeed I still have it 😊

Me playing Centre Half Back in 1988 with the North Albany Kangaroo's V South Mt Barker.

AMPJFC Milestones

A very important part of our footy club is recognising the effort and celebrating the achievements of our players and dedication to their Club and team. Congratulations to following: Luke Macri Year 6 Brown on his 50 Game Milestone, Sam Moreno Year 10 and Patrick Dwyer also of Year 10 for their 100 Game Milestone. Congratulations to Caleb Gorman on reaching his 125 Game Milestone. The Club is Super Proud of each of your achievements.

Kick Like A Girl

Inspired by AFLWs Tayla Harris we select one of our AMPJFC girls to feature in our "Kick Like A Girl" Weekly Post promoting girls in Footy. Congratulations to the following:

PP Auskicker
Lua and
Year 1 Blue
Auskicker
Charlotte

Coach In Focus:

Year 4 Leon Guthrie

1. How long have you been coaching footy for at AMPJFC and other clubs?

This is my second year at AMPJFC, last year was the first with the Year 3's

I previously had coached Auskick at Redcliffe JFC for two years and I also coached at Carlisle Amateur Football Club as the Reserves coach for 3 years

2. Did you play footy yourself as a youngster? If so tell us about your football career.

I have played a lot of Football in my career. I started out at Maddington Football club in the Under 8's, we then moved to East Victoria Park when I was in Year 7, back then it was East Victoria Park which was then amalgamated with another club to become Victoria Park.

When I was 17 I played 10 games of colts for East Perth. I then went on to play colts and seniors at Canning Football club in the old Sunday League, playing approx. 100 games. I then played approx. 130 games at Collegians Football club in the A, B grade amateurs and then approx. 150 games at Carlisle Football club. I sometimes still have a kick with the Booragoon Veterans

3. Who was your best coach when you played? Why?

My best coach was Gavin Keuresh or 'Frosty' at Collegians Football Club. He was the best for me because he knew my strengths and weaknesses and simplified the way I approached my football, this gave me a new view on the game and how it should be played

4. What children and teams do you have at AMPJFC?

My son Nate plays in the Year 4's 4.

5. What age groups have you coached?

I have coached Auskick, Year 3's, Year 4's and Men at Amateur level

6. What got you into coaching?

I was still playing at the time and was approached by the League Coach to take on the role, I had been the club captain previously and they were looking for someone that had a rapport with the younger colts and existing players at the club, I also thought I had quite a bit of experience that could possibly help.

7. What do you enjoy about coaching?

I really enjoy seeing each player develop and especially love seeing it when they understand a concept we are trying to teach, like a lightbulb moment goes off and they grow in confidence from it.

8. What are some stand out moments as a coach?

My definite stand out moments are just seeing each player grow and think that I may have had a small part in them getting better as a player.....Also winning in Round 3 against Booragoon this year!

9. What is your focus for the team this year?

Our main focus this year is to keep developing skills and working on ball movement with decision making a key component

10. What is your catch phrase that you always say to your players eg words of wisdom, inspirational message etc

I don't have any special words of wisdom or phrases, but I do say a lot 'Get the Ball!!!'

11. What AFL Team do you barrack for?

I'm a West Coast supporter and hoping for another prosperous season

What Ryan says: "Leon is a calm hand who rewards effort regardless of their skill level that keeps the kids engaged and most importantly enjoying their footy together."

What Chris says: "Leon has a great football pedigree as a player and coach and we are lucky to have him at our club. He has done a brilliant job of bringing our year 4 group together as we moved from 2 teams that were short of numbers last year, to one cohesive team this year that is playing a very good style of football."

What Daryl says: "Leon has coached the majority of these boys since the start of last season and the development the boys have shown is a real credit to his dedication and commitment to the team. The boys love training and playing together which shines through in their comradery and continued improvement. Keep up the great work coach."

Team In Focus Year 4

Coach In Focus: Todd Paterson

Auskick Year 1 Blue

Todd is one of those great team players who likes to get in and contribute. Along with his coaching role, Todd also serves as a valuable member of the AMPJFC committee and was instrumental in setting up the Auskick 2.0 program, taking the lead until the appointment of our current Auskick coordinator Danielle prior to the start of the season.

1. How long have you been coaching footy for at AMPJFC and other clubs?

4 years at AMPJFC, as assistant coach and coach.

2. Did you play footy yourself as a youngster. If so who for and what age till.

I played junior footy from the age of 5 for the Saints (St Brigid's Primary School) in Lesmurdie, until I was 12. We played some really good clubs that were both skilled and physically tough. I then code swapped to rugby union when I went to Aquinas, where I used my footy skills to be the team kicker.

3. Who was your best coach when you played? Why?

Mr Von Bergheim was the coach that influenced me the most from when I was about 9-12. I think he brought calm discipline to our team. He knew how to talk with us as individuals and guide us as a team. He encouraged us to work together and to support each other. Communication on and off the field was a strong point and as a result we gelled really well together as a team.

4. What children and teams do you have at AMPJFC?

Jet is in Auskick Year 1 Blue, whom I Coach.

5. What age groups have you coached?

Coaching Pre-Primary to Year 1.

Assistant coach Pre-Primary to Year 34. What age groups have you coached?

Coaching Pre-Primary to Year 1.

Assistant coach Pre-Primary to Year 3.

6. What got you into coaching?

4 years ago I could see Chris Bates needed a hand herding the cats in Pre-Primary Auskick, and I offered to help out whenever he needed me too. It all started from there. Last year the club was looking for a coach for Pre-Primary so I put my hand up.

7. What do you enjoy about coaching?

I love seeing the children grow in confidence. One week they may get frustrated with themselves not being able to do a certain skill. With some personal encouragement and focus on a particular area, a small improvement can make a huge difference to a child's overall confidence and performance.

Coaching has a lot of rewards, it has taught me a lot and I apply those learnings to everyday life.

Spending time with my children and seeing them have fun with their mates is really enjoyable.

8. What are some stand out moments as a coach?

For Auskick it's when you see something click in a child's mind where they finally overcome a skill like kicking. The feedback is instant because you can see a big smile across their face.

In their games, when the children encourage each other and work together they see how teamwork creates results.

9. What is your focus for the team this year?

In Year 1 we are keeping it simple. We are developing skills, learning the basics of the game, developing a team culture and having lots of fun.

10. What is your catch phrase that you always say to your players eg words of wisdom, inspirational message etc

I don't really have any catch phrase, however I do like Don Bradman's "Keep your eye on the ball". It is relevant to most ball sports.

11. What AFL Team do you barrack for?

Proud member of the mighty West Coast Eagles.

What Adam says: "Todd is an inspiring leader who is great at attracting and keeping the attention of the young Auskickers. He's a very focused coach that works hard to develop our Auskicker's skills whilst also engaging our support team and parents on ground. It's been insightful working with Todd during this season and our entire group are very grateful to have him on as our head coach".

What Danielle says: "Todd is as committed as they come. He's our go to guy for all things Auskick 2.0, the first to arrive for set-up each week and he was the best dressed 6 foot plus Superman we've ever seen! Known for his pre-game rev-ups, he makes an excellent role model for the Year 1 Blue team."
