Superheroes for A Day!

Gairloch was a-buzz with young superheroes keen to show off their super powers. The recent annual charity fundraiser organised by Auskick Coordinator Danielle Priestly raised a total of \$1,165.40 to go to Fair Game Australia who help communities in need to get active and healthy!

AMPJFC Milestones

Throughout the season AMPJFC proudly recognises the dedication of players who have achieved Game Milestones. Congratulations to the following players:

Kye Osterhage Year 11

Ben Molinari Year 8

Adam Fowler Year 8

Bryce Jakovich Year 8

Felix Oh Year 8

Micah Renton Year 8

William Renton Year 8

AMPJFC Milestones

Throughout the season AMPJFC proudly recognises the dedication of players who have achieved Game Milestones. Congratulations to the following players:

Tom Dowling Year 9

Sammy Daddow Year 11

Matthew Cain Year 11

This weekend, Sunday 20th September at 11:15am, Year 11 Caleb Gorman will celebrate his magnificent football career with AMPJFC at Shirley Strickland Oval Ardross, running through the 150 Milestone banner, representing the number of games he has played in the brown and gold as a junior.

To honour this auspicious occasion AMPJFC would like to invite all of our members, friends and players to join us as we celebrate Caleb's 150 Game Milestone Banner run prior to the Year 11 game which is due to start at 11:30. We ask all players to present at Shirley Strickland by 11am in their Hawk's playing jumper. The players will form a guard of honour as Caleb makes his way from the club room at Shirley, through the banner and onto the ground prior to the game.

FROM

Stories from the Club's 68-year history

The merger of Applecross and Mt Pleasant JFCs

The competition for boys from sports such as soccer and the move to single age groups challenged the smaller junior clubs to field teams. Applecross and Mount Pleasant JFCs already had a history of ad hoc mergers for older age groups through the 1970s and early 1980s and it was clear that there was going to be a consolidation of clubs in this area.

The East Fremantle Junior Football Council understood these pressures and supported consolidation to enable clubs to be sustainable. The first merging in the area took place between Ardross and Brentwood JFCs at the end of 1981 to form the Karoonda JFC (which in recent years has renamed itself Booragoon JFC).

Discussion on merging Applecross and Mt Pleasant occurred during 1985 and agreement was reached to merge the clubs at the end of that season. Agreement was reached that the 9s-13s would play at Gairloch Oval and 14s-17s would play at Shirley Strickland Oval. Training for the 9s, 10s and 11s would be at Gairloch Oval and all other teams at Shirley Strickland Oval.

Importantly, both clubs agreed to retire their current jumpers which for Applecross was the St Kilda style jumper and for Mount Pleasant the black and yellow coloured jumper and return to the Hawthorn style jumper and colours and called the merged club the "Hawks".

AMPJFC Celebrating 21 Years at Gaorlpch Clubrooms

Did you know that our
Gairloch Clubrooms, home to
the AMPJFC is 21 years old??

Our Clubrooms are a result of community contributions and government grants. We are grateful for our amazing Hawks' family, past and present. We hope to celebrate our wonderful history of all those connected to our Club's past as we proceed to our new digs at Shirley Strickland some time during season 2021, bringing with us all the memorabilia, leaving behind a little bit of our heart♥.

Official Clubhouse opening 1 August 1999
Opened by Mayor Katherine Jackson and Doug Shave MLA
