# APPLECROSS MOUNT PLEASANT JUNIOR FOOTBALL CLUB

This sponsorship prospectus outlines AMPJFC's story..... our history, our achievements and our vision for the future, with your help.

## SPONSORSHIP PROSPECTUS 2021

# ABOUT US

The Applecross Mount Pleasant Junior Football Club is a boutique family club with a strong history across the Applecross, Mount Pleasant and Ardross areas. We currently have home grounds for Auskick and Junior Football at our Club rooms at Gairloch Oval in Applecross. Our Youth teams (Years 7-12) play at Shirley Strickland in Ardross. Season 2021 will see the development of our new club rooms at Shirley Strickland to unite our club under the one roof, with the proposed move to align with the end of season 2021 and beginning of 2022.

We have over 360 registered players with our Club, including in excess of 120 Auskickers, including 14 girls which take to our ground at Gairloch every Saturday during Terms 2 and 3. For each of our Junior age groups in Years 3-6 which play on Sunday we have 1 to 2 teams. Our aim is to continue to grow the Club and to bolster the strength of numbers in our Juniors and Youth teams.

AMPJFC prides itself on being inclusive, welcoming girls and boys and catering for all abilities. We maintain a strong relationship with the Clontarf College in Bentley, which allows the indigenous students to train and play with our teams on the weekend. In season 2020 Clontarf provided an opportunity for 12 boys who come from communities throughout WA to join our Years 9-11 teams and become an important part of our AMPJFC family.

We are also extremely delighted to announce that moving forward to 2021 will be fielding an inaugural Year 7/8 All Girls Team for our Club with also provides us with another opportunity to work with Clontarf Indigenous Girls Academy.

We have a strong coaching team and support systems for the development of coaches. With current Coaching Coordinator Chris Bates and 2 ex AFL greats Glen Jakovich (West Coast) and Craig Treleven (Hawthorn) and a number of ex- WAFL players in amongst our coaching team, leading the way, our future looks bright. In addition we have an amazing team of volunteers working tirelessly behind the scenes, including a team of 25 committee members in 2021 lead by President Sheldon Brady and the many volunteers taking on roles within the teams. There is a lot of planning and focus on improvements and moving the Club forward for success into the future.

***"It takes a village to raise a child"***

# OUR ACHIEVEMENTS

## On and Off the Field

2019 was a very successful year for our Club with 3 of our 4 Youth teams playing in Grand Finals, achieving 2 premierships. Season 2020 was challenging for us as a Club with the impact of COVID-19, but with the support of the parents, the eagerness of the players and the unyielding will and effort of our team of volunteers, the season finally 'got going'. In fact our Club was even able to field a Year 11/12 team in the competition, the first time since 1995. This reflects the increasing strength and culture of our Club, the dedication of our volunteers and the commitment of our players.

With The Club's emphasis on evolving and continued development, 2020 saw our Youth Teams (Year 7-11/12) kitted out with newly designed polos, jackets and bags to wear as a pre game uniform and to major events such as the Trophy day and Awards night. The players wore their uniform with pride, looking professional and united.

Accomplishments of the AMPJFC Hawks to date include:

- 29 Premierships from 56 Grand Final appearance
- 43 WAFL Players
- 8 VFL/AFL players including the Great Harry Neesham and Neil Balme
- 39 Junior Football Districts Best and Fairest Awards
- 33 Honorary Life Memberships
- 278 Player Life Members (100 Games of more with the AMPJFC)
- Over 3,500 players through the club

# OUR HISTORY

APPLECROSS JUNIOR FOOTBALL CLUB

Under 18 yrs. — Premiers 1959

The Applecross - Mount Pleasant Junior Football Club (AMPJFC) has had a colourful 65 year history. Before 1985 it was two clubs - the Applecross Junior Football Club and the Mount Pleasant Junior Football Club. Between them, the AMPJFC has played in 53 grand finals for 28 premierships. The club has produced 43 VFL/AFL/WAFL players. The Applecross Junior Football Club commenced in 1952 but did not field its first team until 1953 in the East Fremantle Junior Football competition which started as a U/16s competition. The club's first premiership was won in 1959 by the U/18s side.

Applecross JFC teams during the early years shared the Stock Road ground (where the Palmyra JFC is situated) with the Melville JFC. The U/16s and U/18s teams commenced playing at Shirley Strickland Oval in 1962. Shirley Strickland Oval (12s-17s teams) has been part of the club's heritage along with the home base of Gairloch Oval (Auskick-11s) since this time. The club's nickname in the junior competition was the "Bulldogs". In parallel to the U/16s-U/18s junior competition, a Fremantle District Sub Junior Competition commenced in 1957. A new Applecross Sub Junior Football Club was formed and joined the sub junior competition in 1959. The competition later extended to U/10s teams in 1973. The East Fremantle District formed its own sub junior competition in 1968. The sub junior competition and the junior competition operated separately until the two competitions merged in 1973. 1955 U/16s team 1959 U/18s premiership team It was the sub junior club that commenced the relationship with Gairloch Oval after moving from the Applecross Primary School ground in 1965.

Facilities at Gairloch Oval were scarce with a mobile canteen being brought to the ground from a nearby house which was set up on the Gairloch Street side. There was only a free standing toilet at the ground. Gairloch Oval itself was extended to the north in the mid-1970s and all teams played there for a period before the older grade teams moved back to Shirley Strickland Oval. Gairloch Oval's change rooms were built in 1972 and the existing clubhouse and canteen extension was built in 1999.

The club has had a number of jumper strips commencing with the older junior club with a gold V on maroon which was replaced with the gold and maroon stripes. The single gold stripe on maroon was adopted in 1966. The sub junior club commenced with the gold and marone stripes but changed to the St Kilda jumper in the mid-1960s. At this point their nickname was the "Saints". The junior and sub junior clubs merged into one in 1968 and the St Kilda jumper progressively replaced the single gold stripe jumper. Mount Pleasant JFC commenced in 1960 as one club but fielding teams in the separate older and younger competitions. It was based at Shirley Strickland Oval although some of the sub junior teams occasionally played at Mount Pleasant Primary School. It wore a gold V on black and called itself the "Mounties". Seven of the club's 28 flags were won by Mount Pleasant JFC prior to merger. In 1985, Applecross JFC and Mt Pleasant JFC voluntarily merged due to falling player numbers at both clubs. The name of the merged club became the Applecross JFC and the jumper was the Hawthorn gold and brown stripes. This was because the merged junior football club wanted to align itself with the senior Amateur Applecross "Hawks" Football Club in name and colours. The senior team was also based at Shirley Strickland Oval but unfortunately ceased in 1995. So the St Kilda styled jumper at Applecross JFC and the Richmond coloured jumper at Mount Pleasant JFC were retired. In 2001 a new jumper resembling the new style of Hawthorn jumper was adopted. This was replaced in 2014 with the current jumper design. 1971 U/16s team 2007 14s premiership team After the writing of the history of the club was completed in 2012 the club considered changing its name. In 2016 it began proceedings to formally re-name the club the Applecross - Mount Pleasant Junior Football Club to recognise its heritage. This was completed at the beginning of 2017. The club retains its colours and nickname the "Hawks".

# AMPJFC SPONSORSHIP 2021

AMPJFC prides itself on being an inclusive community and family Club. Sponsorship is an integral part of the success of running our Club and we appreciate the generous support of businesses and families in our community. Sponsorship assists with the purchase of equipment and the implementation of new programs which provide opportunities for our players from Auskick, Junior and the Youth teams and their families.

AMPJFC is entering an exciting era of change in preparation for the relocation and development of our new Club rooms at Shirley Strickland. It is a great time to partner with our Club through sponsorship as we navigate the challenges of this move while offering first class coaching programs and equipment to facilitate player development and continued success on field.

We invite you to join us in 2021 as we continue to grow and show your support for the AMPJFC. Please take time to look through the range of sponsorship packages on offer. If you are interested in supporting our Club through season 2020, please make contact with one of our sponsorship team members to discuss the possibilities. Our Club can also assist with tailoring a package to suit your needs. Enquire now!
