Auskick Superheroes for a Day Saturday June 12th

KAPOW!! Saturday June 12 Gairloch oval was transformed into a super cool Superhero hide-out with Auskickers, coaches and parents dressing up as their favourite Superhero to raise funds for the Kids Cancer project raising \$220 plus an extra \$1,000 by one of our Major Sponsors, taking the total to 1,220. Well done Auskickers!

After a previous weather cancellation, our Auskick Superkids finally became Superheroes for a day. Auskickers dressed as their favourite Superhero and donated a gold coin which to go to the Kids Cancer Project. One of our Auskick Coordinatirs Kyla Morrison gave an overview of the amazing Superhero Day!!

“Saturday June was a great day at AMPJFC Auskick.... superheroes, sunshine, awesome coaches and parent helpers everywhere!!! Happy & active kids absolutely nailing it”.

Applecross Year 7 Match Report – Round 6 v Bull Creek Leeming

It was a cold, but sunny morning down at Shirley Strickland, which meant the ground was quite wet and we all knew it would be a slippery day, and not necessarily one for flashy skills. Our opponent this week was Bull Creek Leeming, and we didn't know much about them, as our Year 7 Applecross team had just been elevated to the top division and were now playing in the East Fremantle Year 7 North competition. It did feel a bit daunting for the boys, but they were ready to take on the challenge.

The first quarter saw Bull Creek Leeming jump off to a quick start, but we were slow to the ball, meaning we didn't get first use. Our backline held up well, with Xavier and Ostin repelling attack consistently, however, Bull Creek walled up well through the centre of the ground to create repeat entries and we were down by a couple of goals at quarter time. Quarter two, and we picked up our game, starting to get the ball first. We kept our players on their lines meaning better man on man competing. Crix, Dequinn and Nayshaun pushed hard for us in the quarter, driving the footy into attack on multiple occasions, and we went into half time only one goal down.

In the third quarter we made a few structural changes to give some of the boys a rest who had been working hard across the centre, but it seemed we had tired, and looked a bit lazy, not helping each other around the ball or pushing across to support players who were one out against 3 or 4 from the opposition. We ended the quarter 13 points behind Bull Creek Leeming and struggling to see how we could make up the difference.

Final quarter, we moved Dequane back into the ruck and James and Crix onto the ball, and in doing so managed to take all of the centre bounce advantage to propel us forward into attack. Addison started look lively at full forward, even with a sore knee sustained in the warm-up, and Nayshaun continued to win the ball out on the wing. With 4 minutes to go in the game, a snap out of the pack and Applecross draws level. The boys had really dug deep, but there was still more to do. 95% of the final few minutes were spent in our attacking zone, but Bull Creek defended well and we could not manage that one elusive point.

All in all it was a great game, and one the Year 7 boys should be proud of. The parents loved the spectacle, and I guess at the end of it all both sides felt they had a result, even though it was a draw.

Year 11

Team In Focus

The start of 2021 saw the merger of our Year 11 team with Melville. The boys weren't on their own, with AMPJFC Coach Lachie Shepherd moving across with them to Melville, providing great support to the lads as Assistant Coach, together with AMPJFC Elaine O'Sullivan providing support as Team Manager. Lachie Shepherd provides an insight into how the boys are going.

AMPJFC Year 11's

It's been an unusual year for AMPJFC's year 11's this year with the unfortunate folding of our team. With retaining only a team of 6 local legends; Risshi Aryaa, Harry Cornish, Bence Lippert, Thomas Martin, Roan O'Sullivan, Quentin, as well as a star Northam resident and Clontarf boy Samuel Monger, it was always going to be difficult to try and stop us from dominating the Junior Football world. We landed on a new nest just down the road on our neighbourly Hawkers Melville Junior Football Club who have welcomed us with wide-open wings.

Throughout our pre-season it was clear it was going to be a strong and challenging year for the boys as we flew away from our comfort of Gairloch and onto the wide-open terrain of Marmion Reserve. Straight away our focus was on developing our craft with high-intensity fundamental training with the addition of vigorous game-simulated running. It was exactly what we needed to welcome us into the new nest.

Year 11

Team In Focus

The boys have welcomed the challenge of joining a new team and it's been outstanding to see how quickly their development on and off the field has grown. In a tough start of the season stationed at 2 wins 4 losses, we are determined as ever to prove ourselves worthy of flying the flag back to AMPJFC. We have welcomed a new Clontarf boy to the kettle this year, Kyle Egan, who has set games alight with his running and agile movements managing to score 2 goals on his debut. Similarly, this past week we have welcomed back a tackling machine and another local legend, Oscar Lee, who for the first time ever found his way towards the big sticks.

Our Local legends have also made big impacts on this season. Risshi has skyrocketed his skills in being an asset across Ruck, Wing, Half-Forward and a general down back, honing his craft with grit and determination. His developing leadership has also been a huge benefit in his successful start to this year. Harry unfortunately has suffered a setback this year with a hand injury, but boy oh boy we can't wait to have his wheels out there along with his courageous heart. Bence, like a slow burn, has been carefully growing and mesmerising us with his undeniable ability to cleanly pick up the footy in congestion and hit a handball straight to his teammates with a 78% success rate of the mighty hawks scoring from it. Thomas has been exciting this season with his dedication to finding the footy no matter what happens and leading the boys with his passion and heart to do everything he can to support them. Our General is back after an injury ridden 2020, Roan has been back to some of his best football. His dedication to improving his already elite skills has been undeniable, along with his ever-growing leadership and voice. Roan has developed beautiful form in recent times and his composure and level head has held in great stead. The Big Q, Quentin had a brilliant start to the year being a goal scoring mastermind. It took no time at all for Quentin to settle himself into the forward line finding the middle of the sticks every game and often multiple times. His energy and excitement has been contagious and a great asset to the team. Sammy, our resident cheeky hawk has proven time and time again why he is the star of Northam and Clontarf football. Sammy has had a scintillating start to the season. Whether it's kicking bags of 4 up forward or intercept marking and playmaking off half back. There is never a moment where Sammy has looked like slowing down and continues to lift the team up time and time again.

Although the season has only just hit half way, you can count on us to be flying that flag back to AMPJFC this year. Lastly a big thank you must be said to the Melville Junior Football Club along with the Year 11 Coach, Glen Davies, and the Melville boys for the warm-hearted welcoming and for never letting us feel out of place.

Coach, Shep
