Foreword

I am delighted to provide the foreword for "The History of the Applecross - Mount Pleasant Junior Football Club" to mark the 70th anniversary of teams representing this wonderful club. I have had a lifelong association with football at all levels and I can honestly say my true passion and enjoyment lies with seeing community clubs thrive and prosper. I am always reminded that the Australian Rules code exists because of community footy.

My son Brad played at Applecross-Mount Pleasant JFC. Like every junior who has played there, he benefitted from the work of the many officials, parents and volunteers who helped him train and play. Junior sports clubs engender lifelong friendships and teach our young people to be part of the community. Most importantly, Brad had fun at Applecross-Mount Pleasant which is easily the most important ingredient sport brings to our lives.

There have been some famous football names associated with the club - Neasham, Balme, Krummel, Lang, Annear, Coughlan, Ellis - even Bon Scott gets a mention! I am however delighted that the lamington drives, the committees and the volunteers get equal billing. The commitment by volunteers to keep this club going over 70 years is heart-warming. The extraordinary and meticulous work to compile this information and collect the photographs has produced a beautiful book that will bring back great memories for all involved with the club.

I commend Drew for his labours and to all of the contributors. To all those involved with AMPJFC congratulations and well done. I hope you enjoy the book as much as I did.

Ron Alexander

Ron Alexander began his career with East Perth where he played 98 games from 1971 to 1975. He was a member of its 1972 premiership team and won the club's fairest and best award in 1974. He moved to Fitzroy in 1976 and captained from 1979 - 80, playing 133 games. He represented WA 13 times and Victoria twice and was awarded a Simpson Medal against Victoria in 1974. Whilst in Melbourne he gained a degree in Physical Education and was President of the VFL Players Association. From 1982 he captain/coached East Fremantle taking them to the grand final in 1984 and 1985, the latter winning a premiership. In 1986, he coached them to a third grand final but were runners-up. In 1987 he became the inaugural coach of the West Coast Eagles. He is currently the Director General of the Department of Sport and Recreation. Ron was involved with the Applecross Junior Football Club from 1989 - 1992. During this time he was a committee member and mentored and assisted coaches.

Message from the Author

Best endeavours have been undertaken in presenting the history of the Applecross-Mount Pleasant Junior Football Club as an accurate account through research, interviews and available documents. Misrepresentation of historical facts, photos and records of names may have unwittingly occurred.

The author acknowledges those who contributed to the book through interviews and/or providing documents and photos. Many others not listed helped in some way. The Club's 2010, 2011, 2012 and 2013 committees' are also acknowledged for support for the first edition and 2018, 2019, 2020, 2021 and 2022 committees' for support of the second edition. Particular thanks to Maureen Gathercole - historian at the East Fremantle Football Club - for providing player statistics, photos and annual reports, which proved invaluable. Also to Les McCarrey, Kathy Williams, Lisa Rich, Neale Billington and Wendy Macdougall for additional editing assistance, Dominic McKenna for legal advice and Tuan Ngo for data collection.

Introduction

This book is a historical account of the club from its origins as an inaugural member of the East Fremantle District Junior Football Competition in 1952 to season 2022. Whilst this means that the club has been in existence for 71 years, 2022 marks its 70th anniversary of fielding football teams.

This account seeks to tell the story of the club's history, not only from a statistical perspective but also from an anecdotal view from past players, volunteers and parents. The story of this club is rich and varied from the early days, when there were two Applecross clubs; the juniors (Under 16s and 18s) and the sub juniors (Under 12s and 14s) and whilst separate, worked closely together. It outlines the merging of the two clubs into one club in 1967 and then with the Mount Pleasant Junior Football Club in 1985. As a result, the Mount Pleasant Junior Football Club is given due recognition and its own section as a separate club from 1960-1985.

There were a number of jumper changes, each with its own significance. The club's relationship with Gairloch and Shirley Strickland Reserves is also explained and how this relationship continued until the end of 2021 when the club left Gairloch and relocated totally to Shirley Strickland commencing 2022 with the commissioning of the new facilities at Shirley Strickland.

There have been many volunteers who have undertaken administration, coaching, team managing and other roles and have donated their time unreservedly. Some have come from high positions in government, industry and sport. A number of volunteers are referenced in the book and there are many more who have not been but are equally acknowledged for their contribution on the club's journey. Likewise, there have been countless sponsors over the decades with too many to mention but all are acknowledged and thanked. Without the volunteers and sponsors, the club would not have survived.

The club is held in high esteem for its integrity and a commitment to its duty to develop young people, through the code of Australian Rules Football, into good citizens by teaching the values of sportsmanship, competitive but fair play and working together as a team. It has been at the forefront of innovation, such as the introduction of the code of conduct for players and parents, the umpire red and yellow card system, online registration and support of female players. The club has won 30 premierships from 60 grand final appearances.

As the story is vast, the book is broken into three areas. First is a narrative of its history divided into eras. This is followed by greater descriptions of ongoing themes such as the grounds, social events and registration days. Also facts such as player and volunteer awards, Life Members and as far as can be determined, player statistics which totals some 3,000 of which 52 have gone on to play WAFL, WAFLW and VFL-AFL. The last section are team photos as far as could be collected.

There are many missing stories from players, parents and volunteers which would fill volumes and therefore it is a superficial record at best. The book is a pictorial account of the Applecross-Mount Pleasant JFC with words complementing the images. In this respect, it tries to capture the essence of the club from a human perspective as a junior sporting club and as the sum of its people - players, volunteers and parents.

Special Thanks

Special thanks to my wife Helen and sons David and Michael for their support and patience whilst researching and writing this book.

The 1950s and 1960s

The Junior club and Sub Junior club

On 31 December 1951 the West Australian National Football League created the Under 15s junior football competition for all districts. This led to the formation of the East Fremantle Junior Football Council on 1 April 1952. The inaugural junior clubs of the competition were Melville, East Fremantle, Mosman Park, North Fremantle and Applecross. However, Applecross did not field a team in the first year. It is unclear why this occurred, but anecdotal information suggests that, given the haste in the establishment of Applecross JFC there was little time to form a team. Other information suggests that whilst the club was listed as created on 1 April 1952, it did not actually commence until the season was under way and therefore planning went into fielding its first team in 1953.

Above: Left to Right: Frank Samers (Secretary), Barry Dalton (1955 U/16s Vice Captain), Syd Musto (President), Rae Grant (Captain), Bill Bateman (Coach).
Below: 1955 U/16s at their season wind up at Bibra Lake.

The club's origin is a result of a desire by the East Fremantle Junior Football Council to establish Australian Rules Football in Applecross and Mount Pleasant. Rugby League had taken a foothold in the area at senior and junior levels and a junior team had commenced playing its games on the new Gairloch Reserve. Local Aussie Rules lovers were also aware of the growth in Rugby League and hence moved, with the support of the East Fremantle Junior Football Council, to establish football in the area. The local grocer William Bridger approached Frank Samers (first Secretary) about forming a junior football club. Frank then asked his good friend Syd Musto (first President) to be part of the new club. These two gentlemen then approached Bill "Boomer" Bateman to coach the new team.

It is difficult to determine the origins of the first club colours and the design of the jumper. It has been suggested that the club adopted the Coburg Football Club colours as Bill Bateman may have been involved with Coburg Football Club but this cannot be confirmed. Establishing the first Under 15s team in 1953 was difficult with players coming from many areas other than Applecross and was made up of boys aged 12 to 14 years. June Musto and June Samers recall that the jumpers and socks they washed each week were wool and took some time to dry in winter as they had to be washed by hand given their tendency to shrink in the washing machine.

Above: The 1955 ladies auxiliary pictured at the season wind-up and trophy day at Bibra Lake.

Inset: June Musto and June Samers when interviewed in 2010.
Below: William (Bill) Bridger who had the idea of a junior football club in the Applecross area.

Both were on the ladies auxiliary that hosted players' teas from time to time. The trophy presentation event in the early years was usually at Bibra Lake. The club also did not have an oval as at the time, Gairloch Reserve was used by Rugby League and was too small for games and Shirley Strickland Reserve had not been developed. These obstacles were overcome and the team based itself at Melville Reserve on the corner of Stock Road and Canning Highway (where the Palmyra Junior Football Club is now situated) and co-habitated with the Melville JFC. Whilst Melville and Applecross alternated their games, Applecross trained on the hockey oval parallel to Canning Highway where the Melville Recreation Centre is now situated. However, as the players came from as far as Bicton, sometimes the boys from this area trained at Melville Reserve and the Applecross boys trained at Gairloch Reserve. In 1957 a third team, the Palmyra Sub Junior Football Club, was established and located at Melville Reserve. In the mid 1950s, the East Fremantle Junior Football Council encouraged the foundation clubs to award Life Membership to volunteers who had helped start the junior competition. Frank Samers and Syd Musto nominated Bill Bateman as the club's first Life Member for his effort in putting the first team together. This was awarded in 1956 however, only three years later in 1959, Bill Bateman passed away.

The Applecross RSL hall - Kintail Road in its original form.

As the club did not have a clubhouse, meetings usually took place at the Applecross RSL hall on Kintail Road and at parents' homes. The junior football competition quickly expanded from the original Under 15s competition in 1952 to include Under 17s in 1953. In 1954 this was reorganised into an Under 16s and 18s competition. During this period, the Under 18s was an inter-district competition with teams from Mosman Park in the north to Rockingham in the south. Of interest is the periodic participation of YMCA and Navy (Leeuwin Barracks) teams. The fielding of a YMCA Under 16s side in 1955 was unusual as it was only the second time this organisation had fielded a team in a local junior competition.

It was not until the 1958 season that Applecross JFC had grown sufficiently to field an Under 18s side as well as the Under 16s side. This year also saw the first change of club jumper design with the gold V on maroon being replaced with the gold and maroon stripes. The Under 18s were very fortunate to secure Mr Bill Taggart as their coach. Bill had an interesting history prior to coming to the club. Originally from Victoria, he was approached by the great Norm Smith in 1949 to join Fitzroy but Footscray would not release him. In 1950, after playing for the Footscray reserves, Bill decided to come to Western Australia and commenced playing with Subiaco (29 games). Incidentally, he met his future wife - Enid - on the passage from Port Melbourne to Fremantle.

The 1958 U/18s grand finalist side.

As he was living in Fremantle, he sought and received a clearance to East Fremantle where he played 13 games and was captain of the reserves in 1953 and 1954. He was approached by East Fremantle committee man John Clark to coach the new 1958 Applecross Under 18s. Bill agreed on the condition that the team was called the "Bulldogs", stemming from Bill's past association with Footscray. It is alleged that the South Fremantle Football Club complained about the nickname which was dropped soon after.

Numbers were tight initially and only nine boys were available for the first training run. More joined and the team performed strongly in its first year. Bill recounts a story about the preliminary final against Melville JFC. Melville was five points up with a minute to play and Bill was surprised to see his fullback John Bertram come up the ground. Melville won the ball on its back line and launched an attack. Streaming through the centre, John stopped the Melville ball carrier in his tracks and won the free kick. He was 50 metres out and booted it truly to win the game. Bill could not watch the kick! There is also another story from the following week in the grand final against East Fremantle about Don Lang who, going into the game, had a suspect leg. The trainer ruled him out but Don approached Bill asking to be included in the team as he had not played in a grand final and was convinced he could run out the game. Bill thought hard and said "out you go" much to the protest of the trainer. Don played a big part in the game but unfortunately the team went down to the powerful East Fremantle side.

With only four East Fremantle district sides in the combined East Fremantle/South Fremantle Under 18s competition, the coaches used to ensure that players were drilled in the East Fremantle style of play. The Under 18s had some new faces in 1959 which took it one better than 1958 and brought home the first premiership flag for the club with a win over Melville. John Rowan had taken over the captaincy from Graham Owen who was now too old for the Under 18s. John was the first player from the club to play for East Fremantle and Bill Taggart went on to coach the East Fremantle 3rds in 1962 and to a premiership in 1963. Bill passed away in 2013 only six hours after his wife Enid died. They were married for 61 years.

The first premiership side. The U/18s 1959 (above) and their return to the club in 2008 (below) which also included some of the U/18s 1958 grand finalist side. Coach Bill Taggart circled in both photos.

Harold Jahn's AJFC club car. Harold's younger brother Les, is pictured. Harold later cut the roof off the car to make a convertible.

There were many interesting characters at the club in the early years but none more so than Harold Jahn and his famous 1934 Dodge "club car". Harold played at the club from 1954 to 1958 and bought the Dodge for 60 pounds. The Dodge was painted maroon with gold stripes on the bonnet reflecting the club colours. The Dodge turned up at games from 1958 to 1961 and honked loudly when Applecross kicked a goal. It was first painted in club colours for the 1958 Under 18s grand final and driven onto the banks of East Fremantle Oval.

When coming home from the 1958 grand final, Harold was pulled over by the police and asked if the car was a mobile cross walk! The 1960s saw further success for the junior club in terms of player growth and premiership flags. The beginning of the 1960s witnessed the powerful Under 16s side. The signs were there in 1959 when it won the Lightning Carnival and the team went on to win the 1960 and 1961 grand finals, being undefeated in 1961. This was a terrific achievement on the 10th anniversary of the club's foundation. This team then progressed to the Under 18s and won the 1962 grand final making it four premierships in four years. A feat not reproduced but the same team since.

Neville Page, the 1959 U/18s ruckman, being visited in Fremantle Hospital by team mates and committee after the U/18s grand final win. Neville broke his leg in the third quarter. Visiting Neville are (left to right) Mr Jones (committee), John Rowan Senior (committee), Bill Houghton (committee), John Rowan (captain), Steve Berringer (player), Charlie Adams (committee), Alan Pearce, Lindsay Jones and Gary Adams (players).

The 1960 U/16s training at the developing Shirley Strickland Oval (left) and at East Fremantle Oval (right). Coach Graham Owen captained the 1958 U/18s grand finalist side.

This recount of the 1960 Under 16s season culminating in a flag is by coach Graham Owen.

"Season 1959 was not too successful. So in the off season past President Syd Musto, new President Bill Houghton and Secretary Frank Samers did a remarkable recruiting job for the new look of Applecross, including myself, an ex Applecross player, as the coach of the team.

The first training run at Stock Road Melville had twenty on the track. After the first run, the excuses I got for running late were colourful with the best being "My turn to milk the cow tonight and I couldn't catch it". I then thought "what have I got?"

The season opener was on 23 April 1960 and there was a complete turnaround from the 1959 season. The first few games were won by big margins and it was hard to keep a lid on it, until 14 May when my team of "Hollywoods" came back to earth playing East Fremantle. Applecross was beaten 8-14 to 2-3. A reality check meeting was required and the mums in the ladies auxiliary organised a players' tea.

After this event, everyone became equal and attitudes became one and the team turned, wanting to win for Applecross and not just themselves. People in the local shopping centre were talking about the boys. Aussie Rules was gaining on rugby league which had a strong hold on the district with a senior team in the late 50s and 60s. The boys went on to win all the other games, some by the slightest of margins.

Grand Final day arrived against arch rivals East Fremantle. Holding form, players held a meeting to discuss the team - who was in, who was out. These boys had come of age and those who didn't make the team volunteered for all sorts of jobs on the day. The crowd that day was 90 per cent cheering for East Fremantle.

The side that ran out had a number of players that would go on to play league football. Names that are known like Neesham wore the Applecross jumper that day. The usual forward flankers played in the back line which they called a master move. It was a tough encounter with the final score: Applecross 6.6 to East Fremantle 6.3. Ken "Skinny Wings" Musto who hadn't kicked a goal all year, scored the sealer!"

The 1960 U/16s presented jumpers to the 2009 16s team at the season opening Sundowner at the Gairloch Reserve clubhouse.

Applecross Ex-Scholars Football Club

Foundation Year — 1962

BACK ROW (l. to r.): R. Gardiner, R. Beale, H. Cooper, J. Crawford (Comm.), D. Elder, A. Little, J. Anderson.

MIDDLE ROW (l. to r.): J. Rowan (Comm.), J. Roe, R. Walters, D. Barrett, R. Rowan (Sec.), M. Gannon, K. Thornley, F. Brown, W. Houghton (Comm.).

ABSENTEES: J. Crawford, R. Moseley (Capt.), S. Musto (President).

In 1961 the Under 16s and 18s began playing games at the new Shirley Strickland Reserve and the following year in 1962, a new competition was established, the "Ex-Scholars", which catered for the 18 to 23 year olds. The Ex-Scholars was the forerunner of the Sunday League and wore the same jumper as the junior club.

During the mid 1950s, there were moves to provide club football for younger grades outside of the primary school competition. From the early 1950s Applecross and Mount Pleasant primary schools, amongst others, had participated in a school competition named the "Temperance League" and played at their respective school grounds. The League commenced in the 1930s with the older high school competition called the "Temps" and the younger primary school competition called the "Cobbers". The Applecross Primary School jumper was red with a white V and Mount Pleasant Primary School jumper black with a yellow V.

The club-based sub junior competition was established in 1957 commencing with an Under 14s grade with teams from the South Fremantle and East Fremantle districts. There were originally seven teams and three of these were from the East Fremantle district, being Palmyra, East Fremantle and Fremantle Police Boys. In 1959 an Under 12s grade was added to the competition. The year 1959 also saw the Applecross Sub Junior Football Club (ASJFC) established and join the competition fielding Under 12s and Under 14s sides. The first President of the new sub junior club was Dick Larsen. The club opted for the same gold and maroon striped jumper as that of the junior club and the Under 23 Ex-Scholars rather than the Applecross Primary School strip.

Above: Vince Lovegrove with Bon Scott and in the U/18s 1963 side.

The early 1960s produced one of the more colourful players of the club in Vince Lovegrove. Vince went on to sing in bands with Bon Scott prior to ACDC such as the Valentines, then manage at various times ACDC, Cold Chisel and the Divinyls. He also had a career in print media writing for such magazines as "Go Set" and in current affairs television. Vince sadly died in a car accident on 24 March 2012.

The first U/12s side in 1959.

Whilst the sub junior and junior clubs were separate clubs, there was liaison between the two. This was probably because the parents involved with the junior club also had children in the sub junior club. This occurred at Mount Pleasant JFC as well. Several officials and coaches moved from one club to the next, such as Dick Hilton and Syd Howells who coached at both the sub juniors and the juniors at various times. Syd Musto and Frank Samers held volunteer roles in the two clubs as well as the Ex-Scholars.

This co-operation was evident in the 1962 year book which was an amalgamation of the three clubs into one publication. By 1962, there was a pathway for boys and young men wishing to play football from 10 to 22 years with the sub juniors, juniors and ex-scholars league, all named Applecross and wearing the gold and maroon striped jumper. Similar to other clubs in this era, the AJFC had "Patrons" of the club. Examples are N. Davie (1960) and Bill Bridger (1962).

Right: Bill McAtee (on right) on his way to the 1964 Mexico City Olympics. Bill played over 100 games for the club through the 1950s and also played for East Fremantle.

Above: Don takes the mark.
From left: Dennis Cometti (WP), Trevor Sprigg (EF), Don Lang (EF) and Craig Baker (WP).

The early to mid 1960s saw a number of players graduate from the junior club into the Western Australian Football League (WAFL), with most going to East Fremantle ranks, including John Rowan, Don Lang, Steve Berringer, Bill McAtee and Neil Dedman. A full list of players is displayed later in the book. Harry Neesham was the most decorated WAFL player from the AJFC with 76 league games, 3rds best and fairest (Ken Walton Medal) in 1963, league side best and fairest (Lynn Medal) and grand final player in 1964.

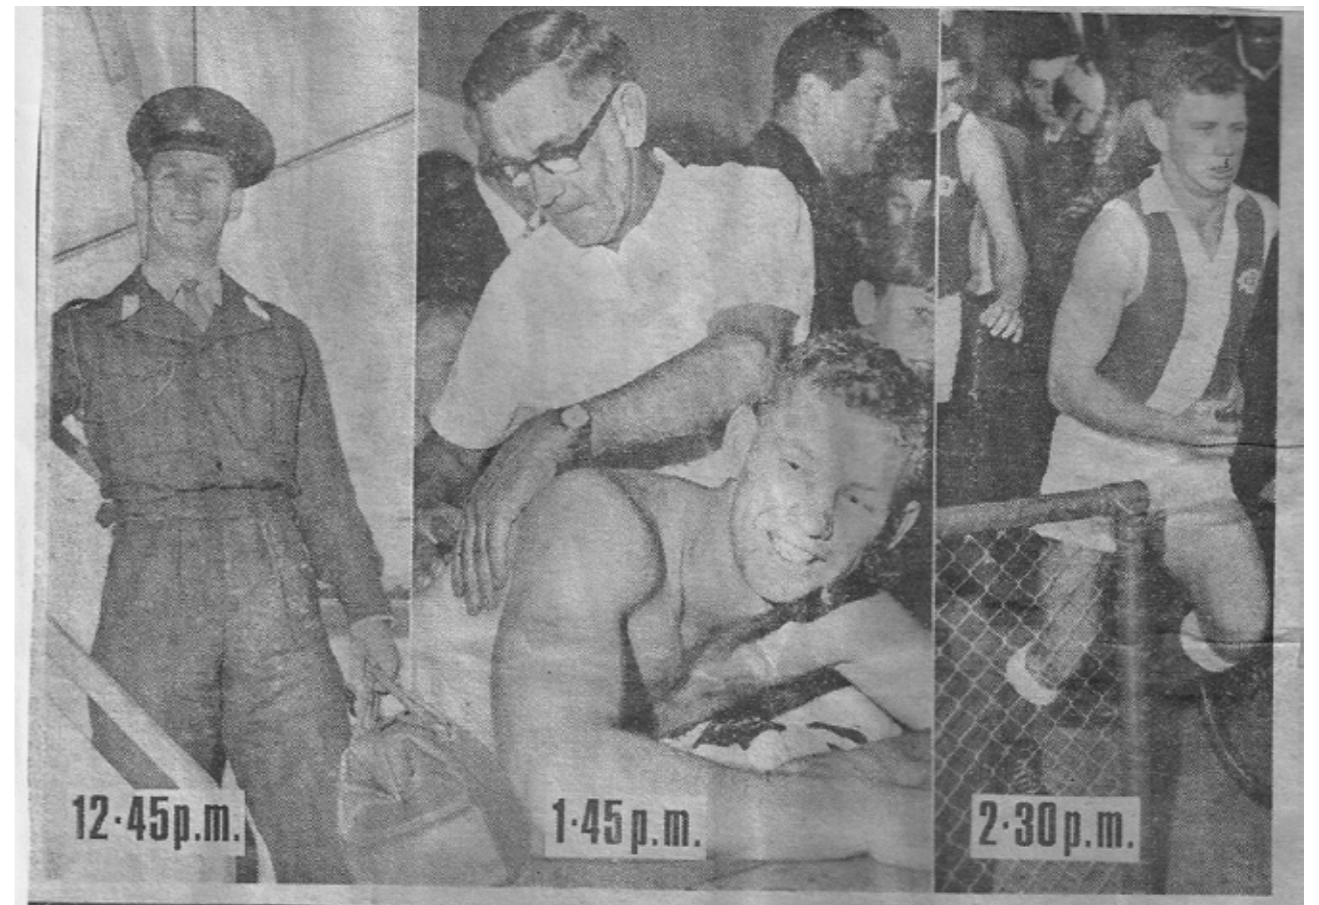

He also coached the Mount Pleasant Under 16s in 1964. He was an East Fremantle premiership player in 1965, reserves best and fairest (Henry Jeffery Medal) in 1969, colts coach in 1969 (premiers) and captain coach of the reserves side in 1970, before also taking on coaching the league side for the second half of the season. Neil Dedman and Don Lang also played in the 1965 premiership side. Harry played just 11 games for East Fremantle in the 1965 home and away season before being drafted into National Service to undertake officer training in Sydney. At the time, he was also being assessed by Geelong.

When East Fremantle qualified for the finals, some behind the scenes negotiation with the army got Harry to play in the finals. He had not played footy for 11 weeks but played in all finals that year, catching planes from Sydney on the day. For the grand final, he caught a 7am flight on Saturday from Sydney which landed at Melbourne and Adelaide before arriving in Perth at 12.45pm. He went straight from the airport to Subiaco Oval, where he had a shower and rubdown before running out onto the ground. This game is where he got his nickname "The General" for directing players in the middle in the last quarter.

From this, his younger brother Gerard was nicknamed "The Little General". Harry unfortunately incurred a bad ankle injury on duty in Vietnam in 1966 and that, along with some other football injuries in later years, saw him retire from the league side at the end of 1970 season.

The West Australian with the dash for the Grand Final and about Harry Neesham going to Vietnam in 1966.

NEESHAM MAY BE SENT TO VIETNAM

By Rob Cribb

EAST Fremantle star centremen Harry Neesham may be off to Vietnam . . .

Neesham, a National Service second-lieutenant has been posted to Queensland for intensive jungle training.

Indications are that after six weeks he will be sent overseas. He could go directly to Vietnam, or to New Guinea for a short time, before going to Vietnam.

But, whatever happens, NEESHAM WON'T STIR UP OLD EASTS THIS YEAR.

He won't be available to play in the Eastern States either.

A light-lipped, gloomy Neesham left a depressing message for his fans before departing for Sydney last Sunday, to continue his two years NST.

Neesham told Sports Review: "My football future is right up in the air at the moment."

"I am leaving for the six-week jungle course in Queensland next week and then after that I cannot say officially."

Neesham has been home in Perth on leave and he announced his engagement to Perth girl Kathleen Fitzgerald just before leaving for Sydney.

Neesham said he planned to settle in Perth when he finished his Army training.

He said he was prepared now to quash all rumours that he might finish up playing in Victoria.

He said: "There was talk that I might play with Geelong during my two years in the Army."

"However, I have not even been near them since having a training run over there early in the last football season."

"I certainly am not tied to them by any binding form of agreement."

The news that Neesham will not be available next season will be a blow to East Fremantle, but the club should be compensated knowing that he has his mind set on finally returning to Perth.

Already Neesham has distinguished himself in the Army by attaining officer rank and he has also had an outstanding sporting career there.

He was the champion athlete and swimmer at the officer training unit at Schoyville, NSW.

Last year, East Fremantle spent several hundred pounds, flying Neesham back from Sydney each week to play in the final round matches.

They were rewarded when he played a major part in their premiership win.

However, now that his initial training is virtually finished and the next thing is active service, football is right out of the question for Neesham.

—A sight (last season) to cheer Old East fans. Things look gloomier this year.

Club Wins Its First Pennant

The Applecross Sub-Junior Football Club won its first premiership pennant in the six years of its existence last Saturday.

In a hard-fought game at the Hilton Park oval Applecross under-14s beat Attadale 4.6 to 2.2 in the grand final.

The Applecross back line, led by captain Bruce Dalzeil, was under constant pressure in the first half but was able to hold Attadale out.

During the second half Applecross gradually got ahead in the ruck and by constantly attacking was able to get a comfortable win.

After the game, club president R. Larsen presented Dalzeil with the victory football, endorsed by players and officials, for his outstanding play.

The club's wind-up dinner and presentation of trophies for under-12 and under-14 players will be held next Friday in the Applecross district hall. It will start at 6.30 p.m.

The club will entertain a visiting team from Busselton this weekend and there will be a match at the East Fremantle junior oval at 10 a.m. on Sunday. Last year Applecross visited Busselton.

The sub junior club was becoming a force with the Under 14s claiming grand final success in 1964, which was the club's 6th premiership. There were many boys competing for spots in the teams each week as the Under 12s and Under 14s were only permitted one team each. The 1965 sub junior year book reports that there were 70 boys competing for 20 spots in the Under 12s. In this era, selection was talent-based and many boys each week did not get a game. However, the club managed to play 49 boys through the Under 12s team during the season.

To provide games for the boys who missed out, social games become a regular occurrence with games set up with schools such as Castledare, Clontarf and Bindoon. For Bindoon games, a bus was organised for the day trip and back to back games were played, so there was plenty of sleeping on the return journey.

Vic Cizeika with coach Alan Watts after the first sub junior premierships in 1964 (6th overall for the club). Vic won a number of best and fairest awards at the club through the 1960s.

KALIAN, THURSDAY, AUGUST 25, 1966

Washington Will Hear Of This

Australian rules football—and cricket—will have a new ambassador in the United States when Albert Edken (13) returns to Washington from Perth on Sunday.

Albert, shown here leading his team on to the East Fremantle Oval for a match yesterday, had not seen either game till he came to W.A. with his parents two years ago.

Now he is captain of the Applecross primary school's senior 18 and of the school's senior cricket team.

He led the football team to victory in a lightning premiership competition yesterday and was presented with the pennant by East Fremantle Mayor V. Ulrich.

Albert plays centre half-forward for his school team and full-back for the Applecross under-14 team in a weekend competition.

He will take back home a football autographed by his team-mates in the under-14 side.

His father has been working on the U.S. radio station at North-West Cape.

APPLECROSS SUB JUNIOR FOOTBALL CLUB
UNDER 14 TEAM, 1962

BACK ROW: A. Watts (Coach), T. Mann, B. Moore, G. Campbell, G. Brookes, K. Crawford, S. Kenworthy, A. Cooper, D. Stafford, J. Thompson, W. Owens (Asst. Coach)
FRONT ROW: B. Tothill, J. Nicholas, C. Moore, G. Hobbs, R. Samers (Capt.), R. Hilton, M. Oliver, R. Keech, G. Kane, K. Stedman, K. Collins.
ABSENT: G. Gorham, M. King, V. Thomson, G. Henderson, I. Monger, P. May, R. Hubbard, L. Walker, N. Delphs, C. Redcliffe, P. Evans.

In 1966, the sub juniors decided to change their jumper to the Saint Kilda style jumper for the 1967 season after the President and respected sporting commentator, Oliver Drake-Brockman, gained St Kilda FC support for the club to wear the St Kilda jumper. Oliver arranged for VFL legend Ian Stewart to present the jumpers to the boys at the 1966 trophy night. This was a remarkable achievement as Ian had just been part of St Kilda's first VFL premiership and had won the Brownlow Medal for the second successive year. Ian went on to win another Brownlow in 1971, making him one of only four players to win three Brownlows. He was one of the first inductees into the Australian Football Hall of Fame in 1996 and was elevated to Legend status the following year.

In the early years, the sub junior teams played on the Applecross Primary School oval but pressure on the ground made the club look for alternatives. Gairloch Reserve was the choice and negotiations commenced with the Melville Council. In 1965 the club moved to Gairloch and secured its long-term use in 1966.

Coincidentally, in 1965 the junior club decided to change its jumper for season 1966. The players asked the committee if they could change the design from the stripes to a single gold stripe on maroon, similar in design to the new East Fremantle league team jumper. The committee agreed on the condition that the players raised the funds for two jumper sets for the Under 16s and the Under 18s. The players attacked the fund raising drive undertaking busy bees, car washing events and odd jobs. They were successful in raising the funds and the 1966 season saw the players take to the field in the new jumpers.

'The Saints' In Applecross

Ian Stewart during the presentation.

If there are any more footballers of the calibre of Wayne Richardson going from the Applecross area to Victoria, they will surely play for St. Kilda—and not Collingwood. This is the feeling locally after last Friday when dual Brownlow medallist Ian Stewart, of St. Kilda, presented the Applecross sub-junior football club with its new colours. The Applecross club is to change to St. Kilda jumpers for 1967. The colours are red, white and black but replacing the St. Kilda badge will be the emblem of Applecross. This emblem will be in the form of a shield with a white St. Andrew's cross on a red background and with the letters A.S.J.F.C. in black on a white bar over the shield. From 1967, the Applecross players will be known as "The Saints."

Stewart's visit was the surprise of the night for about 100 Applecross boys as well as their parents. The occasion was the annual dinner and trophy presentations. Stewart told the boys that they must learn the fundamentals of the game. He said that if he had done so at their age, he would be a better player. He also stressed the importance of team spirit and being a good sportsman. He reminded the boys that the jumper meant so much to St. Kilda which had become premiers in Victoria for the first time in 69 years. He capped off his visit by asking the boys if they had any questions and was bombarded with dozens. One question asked his impressions of playing in a team as it won a premiership. Further good news for the club at the dinner was that the home ground at Gairloch Oval was to be extended. Cr W. Roper said that the Melville Town Council had provided in the budget for the work. Under-12 coach Frank Preston whose team had just ended its best-ever year, was presented with a badge of life membership.

The boys who received the colours—Greg Scarterfield (top), captain of the under-12 team, and Fred Munsie (above), captain of the under-14 team.

For Lost Jumper

The unbeaten Saints under-12 football team, of Applecross, has a problem—the loss of one of its new jumpers. Coach Frank Preston has appealed for its return as it cannot be replaced from the Eastern States in time for the remaining games of the season. The jumper (No. 14) was taken by mistake at the Fremantle District football carnival at Wauhop Park last Sunday. Coach Preston (telephone 64 1362) is prepared to go anywhere to pick it up. This is the first season the club's two teams—under 12s and under 14s—have worn the new jumpers, which were bought with money raised last year. Dual Brownlow medallist Ian Stewart, who plays for the St. Kilda club—the Saints—in Victoria, presented the Applecross boys with their jumpers when he was here earlier this year. Badges with the Cross of St. Andrew were made here but the guernseys are not available locally.

The sub junior clubs form their own East Fremantle competition

In 1967 the East Fremantle district clubs of the existing joint East Fremantle/South Fremantle sub junior competition met to discuss breaking away from the competition. Applecross initiated the concept by Secretary Les McCarrey writing to all other East Fremantle-based clubs on 13 July 1967. The seven East Fremantle Clubs (Applecross, Attadale, Melville, Palmyra, Mount Pleasant, East Fremantle and Brentwood) met on 13 August 1967 to discuss the matter. At this meeting, the motion to form a separate East Fremantle Under 12s and 14s competition was narrowly defeated. However, some clubs wanted to defer the decision until respective club committees had met to give the matter further consideration. On 17 September 1967, the seven clubs met again and passed a motion to form their own East Fremantle sub junior competition commencing in season 1968. All clubs, however, resolved to maintain close ties with the South Fremantle clubs through a joint lightning carnival each year.

The merging of the sub juniors and the juniors into one Applecross Junior Football Club

The year 1967 was also a milestone for the two Applecross clubs as discussions commenced on amalgamation into one Applecross Junior Football Club. There had been some discussion between the two clubs which was formalised with a letter from AJFC Secretary Brian McCullough to ASJFC Secretary Les McCarrey on 27 July 1967. Agreement was reached by the end of the year. There are no records available from the AJFC of ratification but minutes from the ASJFC committee meeting held on 8 August 1967 read:

*"Committee representative Smith reported that the junior club is fully in favour of amalgamation. They believe that this would result in greater numbers for the combined club with a single bank account and each team would have a manager and property man to assist the coach. It was hoped that Gairloch Oval could be further enlarged sufficiently to enable the whole club to be based on Gairloch Oval and work towards clubrooms at the ground. The amalgamation was proposed to operate from the beginning of next season (1968). A considerable amount of discussion ensued. A motion was moved by Mr Hood and seconded by Mr Ritchie that the club agree to the amalgamation under the title of the **Applecross Junior Football Club**"*

◆ ASPIRING young league footballers (and aren't they all?) at Applecross Primary School think it's too good to be true. They'd be delighted to have one league footballer at their school, but three!! That's their happy situation at the moment. They're sharing the school with outstanding South Fremantle recruit BRIAN CICCOTOSTO and the promising JOHN OSIEJAK (Claremont) and BRUCE HURRELL (East Fremantle). The boys are only too willing to learn as Hurrell (left), Osiejak and Ciccotosto (right) show them the art of handball. But, like all good things, it will come to an end. Ciccotosto, Hurrell and Osiejak are trainee teachers and they'll move on from Applecross tomorrow.

The 1970s and 1980s Consolidation and Merging of Rival Clubs

The new amalgamated club embraced the 1970s with great enthusiasm. The combined club now had the benefit of greater experience and expertise in administration, coaching and team management. Brian McCullough, Secretary of the junior club, continued in this role and Brian Oliver moved into the President's role. The combined club now provided for teams from Under 12s through to Under 18s. The club had two jumpers through the early years of the merger with the Under 12s and 14s sporting the St Kilda style jumper and the Under 16s and 18s the gold and maroon jumpers.

In 1969 the East Fremantle Junior Football Council introduced the Under 10s and Under 12s reserves competitions to cater for growing player numbers although prior to this it seems an unofficial Under 10s inter-club competition had been operating as early as 1967. An Under 14s reserves was added in 1971 and the team had immediate success with a premiership in the same year, which was the club's 13th flag. The Under 14 firsts team narrowly lost its grand final in the same year in controversial circumstances with a disputed goal. In the same year the club convinced the East Fremantle Junior Football Council that a smaller ball should be introduced for the Under 10s and 12s. Negotiation between the club and Melville Council saw Gairloch Reserve extended and widened in the late 1960s and the construction of the change rooms which opened in time for season 1972.

Top Left: The 1970 U/12s displaying their grand final runners up shield.
Left: The 1970 U/10s getting ready for their team photo.
Below: The 1971 U/18s.

This period also saw many siblings come through the club such as the Neates brothers in Nick, Paul, Mark and Stephen. The talented footballers played at the club collectively from 1967 to 1982 and won many club awards. In addition, Nick won the Under 16s East Fremantle district best and fairest award in 1971 and Stephen the same award for the Under 12s in 1977 and the Under 15s in 1981. Probably the most siblings and sons who have played for the club are the McCarreys with seven players over two generations. This period spans the early 1960s through to 2010 which covers over three quarters of the life of the club. There were other notable families through the years who either had multiple siblings or generational players such as the Bonds, Stirlings, Hoads, Hopkins, Edgars, Millanes, Goodings and Olivers to mention a few.

The 1970 East Fremantle district best and fairest for the Under 12s was very close being won by Kim Maisey who defeated Rod Lester-Smith of Brentwood JFC and Clay Shimmon of Ardross JFC in a count back after a tie in the votes. Kim also won the award for the Under 14s in 1972. He is pictured left receiving a club award from Mr Ron Renfrey, long-time East Fremantle Junior Football Council Secretary. Other dual East Fremantle district best and fairest winners were Tony Clarke for the Under 16s in 1969 and Under 18s in 1970, Glenn Stewart for the Under 12s in 1968 and Under 16s in 1972, Mike Farren for the Under 17s in 1973 and 1974 and Stephen Cutt for the Under 14s in 1979 and Under 15s in 1980. Stephen won the Under 15s count with 36 votes with the runner up well behind on 18 votes. More recently Caleb Gorman has won twice in the 14s in 2018 and the 17s in 2021.

The late 1960s and the early 1970s saw the club grow with it fielding two Under 10s, 12s and 14s, an Under 16 and an Under 18s in 1971. It was the club's 20th year and player numbers swelled to 180. This was a big club for the period, especially given that there were three other junior football clubs in the area: Mount Pleasant, Ardross and Brentwood JFCs. The introduction of Ardross JFC in 1969 meant that it was difficult to operate four junior clubs and the Ex-Scholars at Shirley Strickland. The Under 16s and 18s trained at Gairloch Reserve which made it challenging to cater for all of the teams with the older teams needing more space to train. Some training sessions were undertaken at other venues, including the eastern end of Tompkins Park adjacent to Melville Beach Parade and the reserve between Heathcote and the South of Perth Yacht Club.

From Top to Bottom:
Kim Maisey
Tony Clarke
Glenn Stewart

The Neates brothers.
Left to right: Mark, Nick, Paul and Stephen.

Of interest in 1971 were the written football projects the Under 12 players undertook. These were voluntary and were popular with the players. There were three projects set for the season and one of the topics was "How to play a position". The boys were given 8-10 weeks to complete with one project reportedly being 24 pages long! Winners of the projects were Kim Costello (Project 1) and Mathew de la Hunty (Projects 2 and 3). There were also monthly newsletters titled "Applecross Junior Footballer". Jim Miller was the editor and each edition could be up to 20 pages long. The newsletter contained general activity around the club, such as social events and raffles, committee proceedings, exposés on certain players and individual team reports. There was also a report on the Ex-Scholars side.

In 1972 negotiations commenced between the East Fremantle sub junior and junior competitions to amalgamate into one entity which were concluded in time for the 1973 season. Also, in 1972 the WAFL ruled that age groups would change from even to uneven numbers in 1973.

This meant that eligible years would change to Under 11, 13, 15 and 17. The trial of the new age groups lasted two years and then reverted back to even years for season 1975. In reverting to even years, the WAFL also introduced Modified Rules for the Under 10s, including the abolition of premier-ships and ladders. Whilst the early 1970s saw a large number of boys at the club, numbers went into steady decline from this point through the mid to late 1970s. This was also the case for Brentwood, Ardross and Mount Pleasant JFCs.

Coach Kevin Owens addressing his U/14s in 1972 when playing against Melville JFC at Marmion Reserve.

FAMILY AND MATES WON'T FORGET CHESTY'S COURAGE

To his mates he was 'Chesty' Bond. To football coach Les Hoft he was league football material.

Gary Bond (18) last year was captain of the Applecross Junior Club. He was voted runner up in the fairest and best award.

He also shone as a middle distance runner.

Gary was known for his 'guts' and determination.

Yesterday morning he was cremated without flowers—at the Crematorium Chapel, Karracatta.

There were no flowers by request.

His parents, Mr. and Mrs. W. Bond of Ogilvie-riod, Applecross had asked that instead of flowers all donations go to the Cancer Research Fund.

Gary was a cancer victim.

His death, which came with little warning shocked all who knew him.

His fellow players and associates at Applecross Junior Football Club, the club with which he had played for seven

years, were deeply distressed.

In the words of club President Mr Les McCarrey: "Gary was extremely well liked, a boy of very strong character."

"A few years ago he was having difficulty making the side, but through dedication and a will to succeed he became one of our best players," he said.

Mr McCarrey said he suspected Gary was often playing in pain last year, but Gary never complained.

Last December, Gary underwent surgery from which he recovered to start training with East Fremantle thirds side.

But, about two weeks ago he had a relapse and went to hospital where he died this week.

As captain of the Applecross Junior Football Club under-18s last year Gary earned limitless praise from his teammates.

He was voted runner-up in the fairest and best—an award he had taken out the previous year when he was vice-captain of the under-16s.

His coach in the Under-18s, Mr Les Hoft, considered Gary had the ability to inspire his team mates through example.

"Last year we made the preliminary final following the previous year's dismal performance of not winning a match," he said.

"Much of this success can be attributed to Gary's determination and leadership."

Gary was a student at Applecross Senior High School where he also

excelled on the football field.

But, his sporting prowess did not end there—he shone as a middle-distance runner the record book proves it.

Last year he broke the school 800 metre record and the previous year set new times in both the 800 metres and 400 metres in his age group.

And, in the Inter High School Sports last year he took off the middle distance double.

Now this is all over. But Gary is not forgotten as was evidenced by the tributes yesterday.

Gary was one of four children in the family. There are two other sons, Russell (16) and Alan (12) and a sister Eleanor (8).

Gary was a student at Applecross Senior High School where he also

excelled on the football field.

But, his sporting prowess did not end there—he shone as a middle-distance runner the record book proves it.

Last year he broke the school 800 metre record and the previous year set new times in both the 800 metres and 400 metres in his age group.

And, in the Inter High School Sports last year he took off the middle distance double.

Now this is all over. But Gary is not forgotten as was evidenced by the tributes yesterday.

Gary was one of four children in the family. There are two other sons, Russell (16) and Alan (12) and a sister Eleanor (8).

The unfortunate passing of Gary Bond. Gary played over 100 games for the club. His father Bill Bond was a stalwart of the club and awarded Life Membership and brothers Russell and Alan played at the club.

The primary reason was the maturing of the suburbs in terms of children and Booragoon, as a new suburb, had not yet begun to produce children of junior football age in any great quantities. By 1976, Applecross had reduced in size to one team in each of the Under 12s and 14s and in 1977 to just an Under 12s team. However, this solitary team delivered a premiership to the club, its 14th, which was a remarkable achievement. Stephen Neates kicked 73 goals for the season! This team moved to the Under 14s with an Under 12s added in 1978. Interestingly, the new junior club of Bullcreek-Leeming played its very first game against the Under 12s in 1977 at Gairloch Reserve.

Jim Miller (above) and Ian McCullough were the club photographers in the late 1960s - early 1970s and took many of the photos shown in this book from this era.

About this time, a group of parents went to great effort in rebuilding team numbers. Amongst these were Don and Joan Williams, Murray and Maurine Edgar, Fred Lawrence, Norm Stirling, Peter and Dixie Laurance, Richard Lewis and Bob Hopkins. Coaches were in short supply so Don Williams coached the Under 12s and the Under 14s in the same year. Joan was the manager of both teams and washed both sets of jumpers each week as well as another team's jumpers! Don also went on to play a role in the East Fremantle Junior Football Council in the 1980s. A notable figure at the club during these times was Phil Cutt, who played at the club in the early 1970s and returned to coach the Under 15s in 1980 to a premiership. This was the club's 16th flag.

Team with glory touch

THE only team which the Applecross Junior Football Club was able to field this season covered itself with glory.

The team was the under-12 White division and went through the season undefeated to win the grand final.

The Applecross club plays in the East Fremantle Junior Football Council competition.

"We feel that this team's good showing will attract more boys back to the game next year," said Mr Bill Pallo, secretary of the Applecross club.

"The team was fortunate to have had Mr John Edwards as its coach. While encouraging the boys to give of their best, he also made it clear that any boy caught arguing with an umpire's decision would be sent from the field."

Stephen Neates was named as the club's fairest and best player, and also tied for this title in the whole competition. He kicked 73 goals for the season.

The windup day was held at Yanchep when the trophies were presented.

Three members of the Applecross under-12 football team are (from left) A. Hopkins, D. Edgar (captain) and S. Neates (vice-captain). The team went through the season undefeated.

COVER PICTURE

David Watson

David started his junior football career with the Applecross club. During under 12s and 14s he achieved great success as a rugged defender and was a regular member of combined sides including the under 12 and under 13 premiership teams.

When the Applecross under 16s could not field a side, David continued his football at school.

This year David has played for the Mt. Pleasant under 18s. Considering he is only a first year player it makes his association medal win even more creditable.

Let's hope that David can continue his good form and go on to play league football with East Fremantle.

Good luck Boo.

Above: The West Australian 27 October 1977.

The club did not have large reserves of funds so the ladies auxiliary was resurrected and co-ordinated fund raising activities. These included wine and cheese nights, morning teas, bring and buy days and fashion parades. The most successful, however, was the lamington drives. Parents met on a Friday night a couple of times per year in the main Gairloch change room to cut the sponge slabs, mix the chocolate icing and sprinkle the coconut and these nights doubled as social events.

One lamington night was particularly remembered for coconut and icing being hurled around the change room which required some cleaning up after the fun. Huge amounts of lamingtons were produced with the first batch of 80 dozen selling in two weeks. It is thought that one production run produced close to 250 dozen. Needless to say, production went well into the early hours of Saturday morning. The lamington drives were very profitable for the club and at the time, its major source of revenue.

There were some household names involved with the club in this period such as Warren Martin of "Archie Martins" and Tom Wardle of the "Tom the Cheap" grocery chain whose boys also played at the club. The canteen was expanded at this time with a sausage roll oven being added and the donation, by the Martins, of a hotdog warmer.

Player numbers began to recover in the late 1970s and early 1980s with the club fielding four teams in 1982 and six teams in 1983. However, with the growth of teams there was a decline in parent volunteer support. Not surprisingly, this occurred from time to time at the club over its history and indeed at all junior sporting organisations. Club documents reveal that in 1983, President Bill Henderson wrote to all parents stating that there had not been a quorum at the AGM and that it would have to be rescheduled. Secretary Norm Stirling followed this up with a letter indicating that at the rescheduled AGM, the club would have to consider options if support was not forthcoming. These included fee increases to provide professional coaches and managers, merging with another club or the disbanding of the Applecross JFC. Fortunately, enough parents came forward for volunteer positions. However, this was the first consideration of merging with another club and the logical choice was Mount Pleasant JFC. Co-incidentally, Mount Pleasant was experiencing similar circumstances and also considering a merger with Applecross.

The 1982 U/11s and the player sheet from the grand final which was played at Karoonda Oval. This was the club's 17th premiership.

The 1980s was one of change at the junior football district level with East Fremantle junior football returning to uneven years in 1980 starting at Under 11s and the introduction of a special nine year old competition. This seems to be the beginning of something akin to the present Auskick. A third level in each age group was also added. The club's 30th anniversary was reached in 1981 and suitable celebrations took place. In 1982, the East Fremantle Junior Football Council decided to move to single year age groups commencing in season 1983. A number of the clubs opposed this ruling and sought to have it overturned which ultimately failed. Season 1984 saw the club consolidate with the necessary parent support.

The club also had success in 1984 with the 13s White Division team. Under former West Perth player Joe Merillo and Assistant Coach Peter Waterman's direction, the team won the club's 19th premiership. Some of these boys repeated the feat in the 13s the following year for the club's 20th flag. Joe's son Jamie was in both teams and is one of fourteen club players who went on to play at the VFL/AFL level. He played for Fremantle Football Club and also for the West Perth, Claremont and Peel Football Clubs in the WAFL. Jamie coached from 2013-16 and two sides won flags and one was a grand finalist.

The merger of Applecross and Mount Pleasant JFCs

Although the club had been growing from one team in 1977, it was still a small club. The competition for boys from sports such as soccer and the move to single age groups challenged the smaller junior clubs to field teams. Applecross and Mount Pleasant JFCs already had a history of ad hoc mergers for older age groups through the 1970s and early 1980s and it was clear that there was going to be a consolidation of clubs in this area.

The East Fremantle Junior Football Council understood these pressures and supported consolidation to enable clubs to be sustainable. The first merging in the area took place between Ardross and Brentwood JFCs at the end of 1981 to form the Karoonda JFC (which later renamed itself Booragoon JFC). Anecdotal information suggests that formal discussion on a merger between the Applecross and Mount Pleasant JFCs took place in 1984. However, it did not sufficiently progress.

Above Right: The 13s in the Saints strip. This team brought home the club's 20th premiership.
These boys would go on to play in the new colours of the merged clubs in 1986 shown below.

Further discussion between the clubs occurred during 1985 and agreement was reached to merge the clubs at the end of that season. Several financial, legal and governance matters needed to be addressed at both clubs to lay the ground work for merging, including agreement from the East Fremantle Junior Football Council.

Other issues had to be considered, such as where the teams would play and train given the immediate increase in teams. Agreement was reached that the 9s-13s would play at Gairloch Reserve and 14s-17s would play at Shirley Strickland Reserve. Training for the 9s, 10s and 11s would be at Gairloch and all other teams at Shirley Strickland.

Importantly, both clubs agreed to retire their current jumpers which for Applecross was the St Kilda style jumper and for Mount Pleasant the black and yellow coloured jumper. Both clubs also saw an advantage in aligning the new junior club with the amateur Applecross Football Club (AFC). The AFC had grown out of the original Ex-Scholars club. As the AFC had the Hawthorn jumper and called itself the "Hawks", this was adopted as the new junior club's jumper and nickname. There was discussion about the new junior club being formally titled the Applecross-Mount Pleasant JFC but it was felt that, as the new club wanted to align itself with the amateur club, this would not meet the two clubs' intentions.

The new "Hawks" jumpers for the 1986 season.

Notwithstanding, it was understood that this was the junior club of the Applecross-Mount Pleasant suburbs which drew from both clubs' heritage. The joint AGM took place on 22 September 1985 at the Shirley Strickland Pavilion. The momentous occasion was not lost on the parents of both clubs with over 150 people in attendance. Both Presidents presented their last individual club reports and then moved to formally wind up their clubs. The new club representing Mount Pleasant and Applecross was then created. The first committee of the new club was an even representation with Joe Schapper as President (MPJFC), Andrew Bell as Vice President (AJFC), Norm Stirling as Secretary (AJFC) and Alan Dastlik as Treasurer (MPJFC). The new committee moved quickly as there was plenty to do with a priority to secure the new sets of Hawks jumpers. One revenue possibility was to seek a recoup of the \$7,000 investment the Mount Pleasant JFC had made in the Shirley Strickland Pavilion in the 1960s. However, Melville Council rejected the idea. The new club also approached the AFC to request jumpers from the Hawthorn Football Club. Eight teams were envisaged for the 1986 season which was close to a record number. To ease into the new arrangements, registration day was held at Gairloch and Shirley Strickland Reserves.

Joe Schapper.

The Stirlings'
Clockwise from top left - Cameron, Doug, Norm, and Michael. Norm was Secretary for 10 years and all boys played over 100 games for the club.

The Presidency changed three times in 1987 due to exceptional circumstances. Craig Campbell, who played football at both clubs in the 1960s and then coached at MPJFC, resigned from the Presidency before he could begin duties due to his coaching commitments with the East Fremantle Colts. His wife, Dianne, stood in only to have to resign at the beginning of 1987 due to unforeseen commitments. Peter Wylie then took over the Presidency for the remainder of the season. Registration days and end of season trophy days in the late 1980s moved to Shirley Strickland Reserve as the clubhouse was superior in space. Also, in these times each team had a "Players' Tea" usually hosted at the house of one of the team members. This was designed for parents to get to know each other as well as a team bonding exercise.

In 1988 the club arranged a player pre-season camp at Rottnest Island for a weekend in late March. About 50 players and adults attended and stayed at Kingston Barracks in the "Sergeants' Mess" accommodation. The following year in 1989, the camp was planned as an end of season event to be held at Woodman Point camp. However, the East Fremantle Junior Football Council altered the last game dates after the club had paid its deposit so the camp was deferred until 1990. In lieu of this, a "Players' Tea" in the form of an indoor cricket night and dinner was arranged.

Kingston Barracks on Rottnest Island.

The 1990s and 2000s

Bigger Club, Better Facilities

The decade commenced with the major reform of "Regionalisation" proposed to the junior football districts. Regionalisation was a concept developed by the Football Development Trust to address the diminishing number of teams at junior clubs across the metropolitan area. For the East Fremantle district, it would be an amalgamation with the South Fremantle district totalling 24 clubs. There were a number of objectives including teams of equal ability playing each other and to ensure there were adequate teams in each age group, especially in the older age groups. The concept was put to the East Fremantle Junior Football Council on 3 September 1990. It was unanimously rejected mainly because Regionalisation would offer little as the East Fremantle district had good team numbers relative to other areas. However, it did acknowledge that at some future point, teams from 15s and above may see the benefits of playing in a pool of teams and this would be periodically reviewed. This was also the position of the South Fremantle Junior Football Council. All other junior football districts supported Regionalisation. The Football Development Trust tried again in 1992 to convince the East Fremantle and South Fremantle Junior Football Councils to amalgamate and offered a stand alone option if the concept of Regionalisation was supported but the proposal was again rejected. This concept eventually occurred from the 17s down over some years commencing in the late 2000s.

In 1990, the 17s played in the grand final of the Toyota Cup and won 14.10 to 7.8. This was the 21st flag for the club. Player Ron Kang recalls "This group had been playing together since the 13s and by the time the 17s came around, we all knew each others' abilities and just clicked like a machine. In the grand final, we were a champion team, not a team of champions. There was contested pack marking, winning the loose ball in the middle and desperate defensive efforts. At one stage the opposition was attempting a shot on goal but was met with an 'on the knees' smother. The ball was turned over and we cleared from our back line. The mind set was that there is no way I will let you kick this goal". Unfortunately an incident took place

between the teams three minutes before the end of the game which was sensationalised on the front page of the evening paper, *The Daily News*. The issue did not take away from the terrific team win as they were in an unbeatable position at this point.

In the late 1980s the concept of pre-competition activity continued to develop. This was called "Freeball" and in 1990 the Football Development Trust moved to standardise the structure across all of the junior football districts. A major sponsor came on board in Peters Ice Cream which provided footballs and "Fun Freeball Birth Certificates" indicating when a player commenced Freeball.

The 17's - Premiers 1990.

Note player Brad Millane who played half of his junior football career at MPJFC and half at the merged AJFC. Brad went on to play 133 games. His sons played at the club. Also in this photo is John Gooding, who played 102 games and who's sons are currently at the club.

Bryant Roberts took on the role of President from John Wright in 1991, which was the club's 40th anniversary. Further changes to rules were made for the 9s and 10s limiting tackling to protect the ball carrier and to give the young players greater confidence to get the football. A Code of Conduct was also instigated by the WAFL for all players, coaches and parents. As with 1990, the club again fielded only four teams in 1991. Registration day in 1992 saw West Coast Eagles players Adrian Barich and Michael Brennan attend to the delight of the players and parents. The end of season trophy day was held at Shirley Strickland Reserve. The incoming President Trevor Dunn and the new committee organised a dinner event for outgoing and long-serving volunteers at the Booragoon Hotel on Riseley Street to show their appreciation.

In 1993 player numbers were growing again and for the first time for some years there were two 9s teams named the "Hawks" and the "Saints". An innovative idea was developed for the 9s by the committee and coaches where the squad would train together and players would rotate in blocks of four weeks, so all played at some point in the season with each other in the squad.

In 1994 Freeball became the 'Peewees' and the club quickly embraced the concept. President and Peewee parent Trevor Dunn ensured that there was plenty of parent participation. One notable initial Peewee coach was Jim Priestly. After helping set up the program, Jim continued coaching competition teams up to about 2000. The pre-competition team concept turned into Auskick in the early 2000s.

In the mid 1990s the club was innovative in developing a Club Manual to provide a guide for incoming committee members on various volunteer roles.

Ron Alexander, who had been involved with the club, sought permission to use the manual to form the basis of the information pack provided to many junior sporting organisations by the Department of Sport and Recreation. The same concept was resurrected in 2011 for future committees titled the "Policy and Operations Guide".

The 15s in action against Rostrata JFC in 1992.

In 1994 the "Peewees" commenced. The club started with about 30 Peewees in that year.

Another innovation proposed by the club to the East Fremantle Junior Football Council was the red card - yellow card system which is currently in use by all junior football councils across the state. There is an amusing story about two AJFC players in a team being reported. The President was contacted to represent both players at the Tribunal. When he made further enquiries, it turned out the two players had been wrestling between themselves. This posed a dilemma for the Tribunal and both got off with a reprimand. The club then stood down both players the following week and told them to sort out their personal differences! 1995 also saw the 13s win a flag - the 22nd for the club.

In 1997, the club had sufficient funds to refit the teams with new jumpers and training apparatus as most of the equipment was beyond its expiry date. It was a much overdue refurbishment for the teams. That year also saw the club win its 23rd premiership with the 15s side. The team was particularly strong and produced Andrew McCarrey, who has played for the East Fremantle Football Club and for the South Fremantle Football Club and Mark Coughlan, who played for Perth and Richmond Football Clubs.

The 1995 13s Premiers.

Hawks win grand final

THE Applecross Junior Football Club 15s won a hard fought grand final against Rossmoyne earlier this month. The Applecross Hawks kept the opposition down to 4:5 (29) for the entire match, while they piled on 9:14 (68).

Several hundred supporters were there to watch the high standard final, which was played at the East Fremantle Oval.

Talented full forward Kerem Baskaya was in devastating form and kicked six goals for the Hawks. He was also named best player in the grand final.

Coach Richard Mavros, who also played at Applecross as a youngster, was proud of the team's skill level, ferocious tacking and on-field discipline.

"The premiership is a great victory by true sportsmen who kept their minds and eyes on the ball," he said.

Member for Alfred Cove MLA Doug Shave presented trophies to the winners.

"Most of this team has played together for some time and finally the work, effort and training have paid off," he said.

"The team has had an outstanding season which was topped off by a well deserved win in what turned out to be a very tough contest. Applecross went into the finals on top of the premiership table."

Thanks

Richard

The player - coach connection. Richard Mavros coached for several years after he himself played at the club. This end of season plaque, hand made by the players from the 15s Premiership side for season 1997, sums up their appreciation. Below: Grand final day 1997.

The opening of the Gairloch clubhouse extension on 1 August 1999.

The 1999 committee - (left to right) Bob Hart, Brad Ethell, Charlie Bass, Nigel Moffatt, Gavin Cockran, Graeme Donovan and Zaga McCarrey (1). President Charlie Bass (2). Gaeme Hoad (3). Official cutting of the ribbon (4). Doug Shave MLA, Mayor Katherine Jackson and the Applecross 10s team (5).

Another milestone was reached in 1999 with the opening of the new Gairloch Reserve clubhouse which was extended from the original structure that was built in 1972. The clubhouse was opened by the local member, Hon Doug Shave MLA and the Mayor of The City of Melville - Katherine Jackson. The extension provided the club with a purpose-built canteen/kitchen and a large room for committee meetings and other official events.

The 14s competing against St Christopher's girls in netball in 1999.

Coach Kevin Hart addressing his 10s team in 1999 at Troy Park.

To match the state and local government grants, fundraising was undertaken with the centrepiece being a gala night at the Leopold Hotel. With better canteen facilities, the club began to generate significant revenue from game days. Coralee Polain organised the running of the new facility after commissioning. Coralee set many operating procedures that are still in practice today. 1999 also saw some innovative team activity for the 14s with a pre-season camp at Parkerville and a netball game against the girls from St Christopher's. By all accounts, the netball game was great fun and sharpened up the boys reflexes against quality opposition in a game foreign to the players. This game was repeated the following year. Year 2000 saw the club welcome the new millennium with increased player numbers with over 240 registrations including 70 Auskickers. The Sundowners were particularly popular with the new clubhouse and canteen being a good home for the events. In this year, the 13s won the club's 24th flag. However, the club was also honoured to receive the Champion Club Award from the East Fremantle Junior Football Council. It won this award by practising youth development, football development, social development and ensuring the players enjoyed their football.

The 14s Grand Final 2001.

The 14s side over the course of the day. The 14s went through the season undefeated.

After game celebrations.

President Brad Ethell with WC Eagles player Rowan Jones addressing players.

Football great Ron Alexander revisiting the club in 2002. His son Brad played at the club from 1989 to 1991 and Ron was on the club's committee.

This was reflected in President Gavin Cockran's 2000 club report which made special mention of the 15s that whilst the team had not won many games, it had stuck together because the boys enjoyed playing footy with each other and for the club. Success is measured in many ways. The 50 year anniversary of the club was marked in 2001. It had come a long way and with its new facilities, the future looked bright. The 14s followed their success in 2000 (as the 13s) with another premiership making it 25 for the club. The team went through 2001 undefeated. In somewhat of a rarity, the club organised the 11s lightning carnival at Shirley Strickland Reserve which made \$3,000 profit thanks to the work of Nigel Moffatt, Greg Polain, Paul Kerr-Sheppard and Mike McCormack amongst others.

2001 also saw the club's first 50 game female player in Taryn Priestly. She went on to play WAFLW with Swan Districts and East Fremantle playing in three Premiership teams (seen right with the East Fremantle Premiership cup). Taryn was also in the inaugural Fremantle Dockers AFLW team in 2017. She played pre-season games but a severe injury kept her from playing any regular season games.

The Applecross - Hawthorn affiliation

In 2002, new President Brad Ethell was alerted by committee members Sue John and Jamie Robinson of an opportunity regarding sponsorship and affiliation with the Hawthorn Football Club. Sue made contact with Geoff Ablett, brother of Gary, who indicated that the Hawthorn FC was looking to forge affiliations with a number of clubs throughout Victoria and particularly junior clubs. Whilst it had not considered inviting clubs from other states, it informed the club that there would be a meeting of interested affiliates at Glenferrie Oval to discuss what it could offer affiliates and in turn what was expected from these clubs. Geoff invited the club to join the meeting.

Hawks' big season

SEASON 2004 will be a huge year for the Applecross Junior Football Club. It will be the first time the Hawks have run on to the field since they affiliated with Hawthorn Football Club in the AFL.

Not only do the two clubs share the same nickname - the Hawks - but they also share the same colours - brown and gold.

Applecross president Brad Ethell said the affiliation would not only strengthen Hawthorn's WA support base but also gave Applecross players a chance to meet some of their AFL heroes.

"It was a case of what we could do for each other," he said.

"The Hawthorn players will be available for some coaching clinics and club functions and obviously they would like us to turn up to their games over here in our jumpers and give them some support."

"Many of the Hawthorn boys are from WA, so they may be here a fair bit during the season."

Ethell said only nine clubs throughout Australia had an affiliation with Hawthorn and attempts to associate with the Fremantle Dockers and West Coast Eagles had failed.

He said Applecross would encourage former Hawthorn premiership player Ben Allen to become the club's patron.

Registrations for the 2004 season will be held at the Gairloch Reserve clubrooms on Sunday, March 7, from 3pm to 6pm.

Brad and partner Tammie Prigmore (who was Registrar), offered to represent the club at the meeting in Melbourne at their own expense. On arrival, Brad and Tammie were looked after by Hawthorn FC, including an invitation to the MCG to watch Hawthorn play Carlton on the Friday night. More importantly, they attended the meeting the following day which included various local and country football clubs along with the Army and the Navy who were also looking to align with Hawthorn FC. The club was the only interstate club at the meeting and became the first junior club outside of Victoria to enjoy an affiliation with Hawthorn FC. The affiliation came into force in 2003.

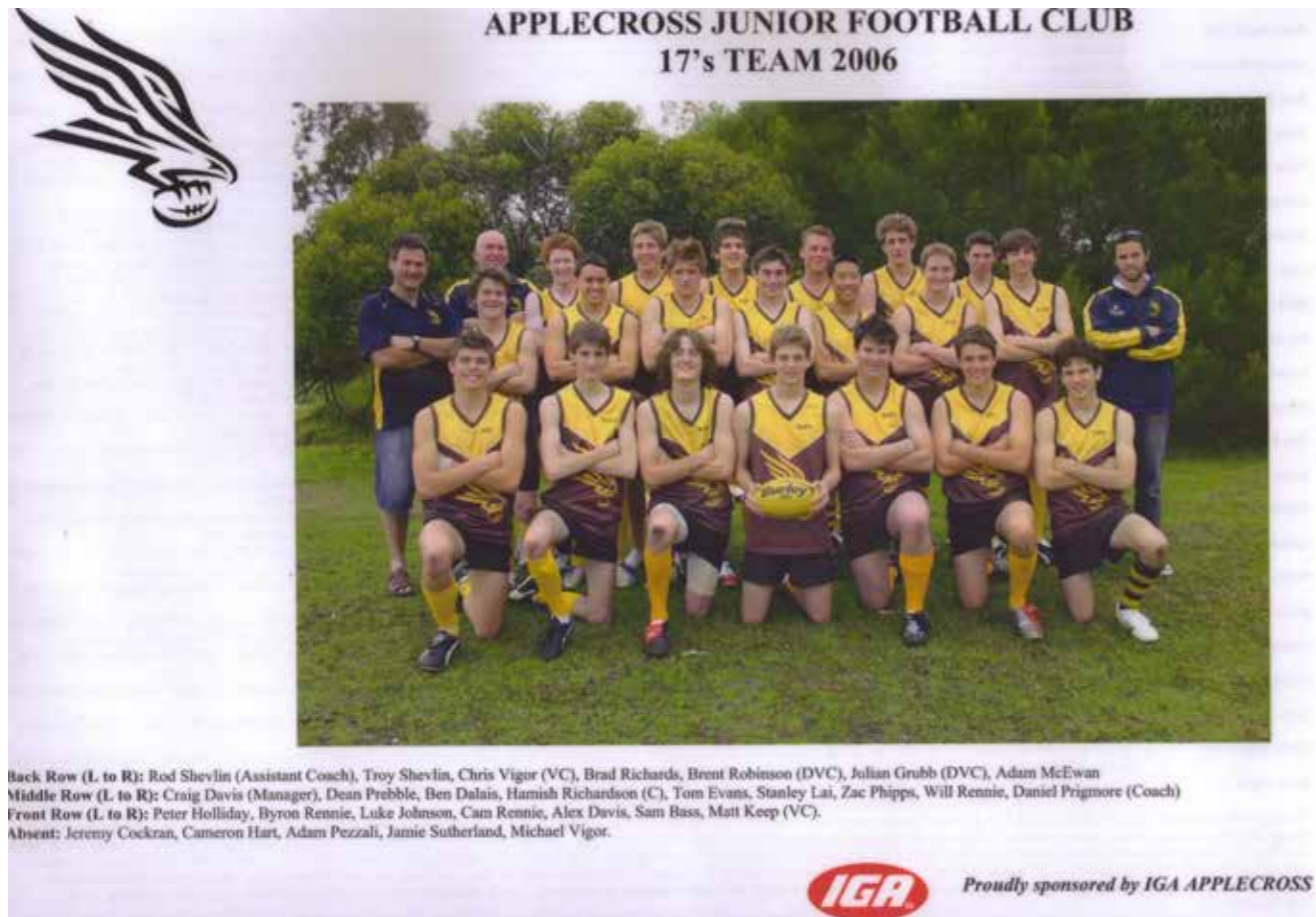

From this association grew the idea to update the club's jumpers. The club designed the new jumper reflecting the Hawthorn logo and received the support of Hawthorn for the new design. The club then embarked upon identifying sponsors for new sets of jumpers for each age group. The new jumpers began to be introduced in 2005 and were progressively rolled out with Auskick being the last group in 2008.

In 2003, the club developed a "Junior Football Philosophy" based on the Football Development Trust's Code of Conduct. The document further added to the values the club wanted its players, coaching staff and parents to undertake. The 2003 year book had the philosophy on the back page. Club player numbers dipped in this year because of the loss of its 16s and 17s who could not field sides. The 10s team won its lightning carnival played at the end of the regular season.

Above: Article in Melville Times - February 2004.

Left: The new jumper design was drawn from the updated Hawthorn Football Club logo. The club reversed the colour scheme primarily for effect but also as a brown on gold jumper was too similar to other teams in the East Fremantle District. The gold V was also similar to the earlier Mount Pleasant gold V.

IGA Proudly sponsored by IGA APPLECROSS

Left: The 2005 12s team in front of the old clubhouse logo. The logo was replaced in 2008.

Season 2006 saw new committee members come on board with Drew Gaynor as President, Jane Adamson as Registrar and Paul Moss as Secretary. Michele Hart remained as Treasurer and Brad Ethell stayed on in an advisory role to guide the new committee. The 17s combined with Melville JFC which was a genuine merger with the team playing in the Applecross jumper but training and playing home games at Melville's Marmion Reserve. The coaching panel comprised coaches from both clubs and the manager from Melville. A number of boys from this team reached their 100 game milestone in this season.

That winning feeling! Above: The 14s grand final win 2007.
 Left: Coach Ian McCarrey with Captain Ben Ford.

The club won its 26th premiership in 2007. The 14s team had been competitive the year before but with the influx of a few new players, including some Clontarf boys, the team became a very good unit. In a twist of fate, the team played Rossmoyne again, as occurred in the previous 14s grand final of 2001, winning

8.12 to 5.4. Although not having further premiership success, the side stayed together through to the 17s. Also in 2007, the committee initiated a Strategic Plan and Marketing Plan to set the club's direction for future years. The Strategic Plan was reviewed in 2011.

The Marketing Plan identified the need for new banners, apparel, team jackets and clubhouse signage reflecting the branding of the club. It also produced a new milestone game banner (opposite page). In the first significant piece of infrastructure since the building of the clubhouse in 1999, the club installed training light towers at Gairloch Reserve in 2008. This was a positive step for

New club jackets were distributed to all players in 2008-2009.

better use of the oval during training nights by providing for staggered training sessions for teams. The two towers were installed at the southern end of Gairloch, which had the extra benefit of providing lighting at Sun-downer functions. The lights were officially commissioned on trophy day 2008.

John McGarrigal, head coach of the Auskick program at the club addresses the juniors.

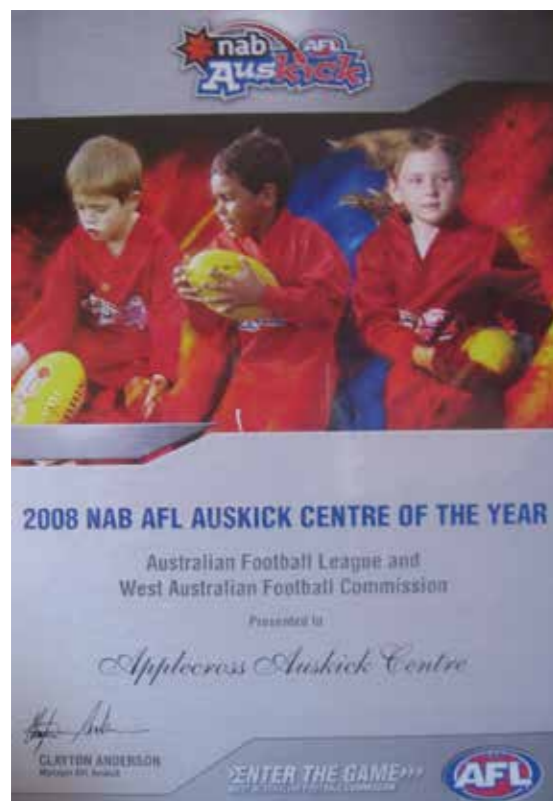

Juniors' season ends on high

APPLECROSS Junior Football Club ended the season on a high after commissioning its new training lights and being awarded the NAB AFL State Auskick Centre of the Year award. The club won the award after previously winning the best Auskick centre award in the East Fremantle junior football district. The state award reflects the hard work the club put into its Auskick

program and the high standard of junior football in the East Fremantle district. The club won the award for its growing participation numbers from 45 in 2007 to 113 in 2008, increasing female player participation, accommodating children with disabilities and engendering a family friendly environment where parent participation is encouraged. Applecross JFC President

Drew Gaynor said the effort put into the club's Auskick program had been recognised through the award. "It is a credit to the club committee and coaching staff who have worked very hard to increase our player numbers and to provide the best possible environment for all children to learn the wonderful game of Australian Rules football," he said.

Above: Melville Times - September 2008.

Another key priority was to rejuvenate Auskick. A massive effort went into recruitment at surrounding schools, including appointment of new coaches and the purchase of new equipment and jumpers for the players. Auskick was also restructured so that Pre-Primary - Year 1 players and Year 2-3 were grouped respectively and the program was moved to 10.30 on a Saturday morning.

This resulted in a huge jump in the number of registrations in Auskick. The club was recognised for this work by being awarded firstly the East Fremantle District Best Auskick Centre and then taking out the Best Auskick Centre in Western Australia prize in 2008. Auskick Co-ordinator John McGarrigal and Auskick coach Andrew Browne, attended the evening to receive the award.

The numbers have been sustained since then which has resulted in more competition teams from the 9s and above playing for the club.

Left: Auskick award now sits in the club's display cabinet.

The 14s in action at Shirley Strickland Reserve in 2010.

Hawthorn jumper which it asked Mr Kennett to sign. Mr Kennett wrote about the event in the Hawthorn newsletter saying:

"I stayed on in Perth after our game to present a Hawthorn jumper to the Applecross Junior Football Club. Applecross is affiliated with Hawthorn and has about 250 players competing in teams from Auskick up to 16s level. Just outside Perth, Applecross has access to a wonderful ground and has its own clubrooms. I have invited any of their members who travel to Melbourne to get in touch with the club to show them our facilities at Waverley".

In 2007 the club had the good fortune to secure Hawthorn Football Club President Jeff Kennett and Fremantle Football Club President Rick Hart as speakers for a gala dinner at Tompkins Park. Unfortunately, Mr Kennett notified the club that he could not attend due to unforeseen circumstances. The club cancelled the dinner but was assured by Mr Kennett that he would attend another event when possible.

This occurred in May 2009 when the club put on a roast beef carvery lunch after Auskick on the Saturday morning. Mr Kennett stayed at the club for some time and enjoyed talking to players and parents. To commemorate the event, Mr Kennett gave the club a player-signed Hawthorn jumper and the club presented him with a promotional jumper. The club also produced a

Hawthorn president Jeff Kennett with brothers David (12) and Michael (7) Gaynor.

Kennett visits school

HAWTHORN Football Club president Jeff Kennett visited Applecross Junior Football Club last month for a special Saturday afternoon roast lunch.

Visiting from Victoria, Mr Kennett took time to mingle with players, coaches and parents. The club was also presented with a signed Hawthorn jumper and in return Mr Kennett received an Applecross jumper.

Parent Drew Gaynor said the afternoon was an enjoyable experience.

Article in the Melville Times.

President Paul Moss exchanging jumpers with Mr Jeff Kennett - May 2009.

Season 2009 was one of consolidation after the huge increase in Auskick numbers in previous years. Eight competition teams were fielded as well as Auskick. The club showed its inclusive spirit in 2009 when, at late notice, a 13s team from Boora-goon JFC could not be listed and most of these boys applied to join the club. With the help of the new parents, the club divided the boys evenly into two groups and trained the two teams as one squad. There was a derby between the two teams during the season which was only two points the difference and probably the best game of the season. The following year, the teams reduced to one team and a number of these boys continued to play together in following years, showing how teams can be moulded and friendships made.

The Canadian Connection.

In 2008 the 14s said goodbye to Alexander Kilty-Tripp (pictured with football) who returned to Canada after a period in WA. The team signed his jumper and Coach Craig Thompson had it framed as a memento. "AK" played 70 games for the club and developed a love for Aussie Rules. We hope he still watches the game back in Canada.

Above: Tina Waddell (pictured with football) celebrating her 50th game with her 12s team mates and the senior women's East Fremantle side. Right: Ava Pike, Rebecca West and Kyla Sanchez in action in the 11s. These girls were the fore-runners to the introduction of a formal girls junior football competition, in which the club fielded its first team in 2021.

The club supports females participating in junior football and in 2009 it celebrated Tina Waddell as the second female player to reach 50 games. Tina currently plays for South Fremantle and is the club's second player to play WAFLW. Other girls to have played 50 games include Kyla Sanchez and Ava Pike.

In a first for the club, a major sponsor offered to sponsor through the club, a charitable organisation at the club's discretion. The Clontarf Football Academy was chosen and funds were channelled towards achievement award programs within the curriculum at Clontarf. The club has had Clontarf players in its teams many times over the years and has a strong relationship with Clontarf. This continues today and is mentioned several times in the book.

Registration day in 2009 also raised just over \$1,000 towards the Victorian Bushfire Appeal. Rather than contributing to the general appeal, the club thought it more appropriate to direct the funds to a junior football club in one of the devastated towns. With some investigation, President Paul Moss identified the Kinglake Football Club, which had an Auskick program, as an ideal recipient. Paul made contact with the Auskick co-ordinator at Kinglake Football Club and committed the club's funds to helping it re-establish its Auskick program for season 2009. They had 40-50 players and sadly lost one family in the fires. The co-ordinator was very grateful for the club's contribution and assured the club that the funds would be put to good use.

The Father and Sons game concept was resurrected in 2009 and continues to be played. Fathers versus players was first introduced in the late 1960s where the fathers at the club played that year's Under 14s side. The game was played for the "Shield of Shame" which was awarded to the losing side. The shield was made of a wooden spoon and a single eye on a pine base painted in the club colours. The modern games pits dads at the club against players 14 years and older. The game is played at the end of the season and played in good spirits and mindful of injury. The game in 2012 was played between the Annual General Meeting and trophy presentations making the day a major event on the club calendar.

High performance coaching session.

A 17s player in 2010 going to a game.

Between seasons 2009 and 2010, the WAFL sought five junior clubs to trial online registration. Conscious of the workload and after the retirement of a long-standing Registrar, the incoming Registrar and retiring President Paul Moss with support from the committee, put the club's name forward. There were a number of incentives offered, such as a \$500 donation to the club and a waiver of some of the online set-up fees. The club worked with the WAFL to get the online registration process set up for both Auskick and the competition teams in time for registration day in 2010. The club offered members the opportunity to register online or by the more traditional method in 2010. The trial was a success and generally welcomed by parents, such that the club decided to go fully online in 2011, only allowing manual registrations where families had no access to online facilities or a credit card. In 2011, about 95 per cent of registration fees were collected using online registration. The club was one of the first junior clubs nationally to trial online registration and the first to go fully online in WA. Competition teams dipped slightly to six in 2010 but Auskick continued to grow. The 14s made the finals but unfortunately could not capitalise on their effort in the home and away season.

Images from 2010.

Clockwise from top left: Coach Ashley Cranenburgh gives instruction to the 13s at Shirley Strickland Reserve. The 12s at quarter time on a cold morning. Big win at Shirley Strickland. 14s players celebrate after a win.

As part of the Strategic Plan for the club, investment was made into a "Train the Trainers" program. This high performance coaching program was about giving the coaches new skills in fitness and performance training to develop players to play to the best of their ability. The club undertook two training sessions with one for the Auskick and Modified Rules coaches and one for the Youth League coaches. The program was a great success. The club reached its 60 year anniversary in 2011 and a gala night was held on 27 August at the South of Perth Yacht Club. The function was full with many attending to celebrate this event.

Above: Bring on the other clubs! Players "graduating" from Auskick in 2011 ready for inter-club competition footy in 2012. It's the last day of Auskick at Gairloch for the season. Players have handed back their Hawks jumpers for the year and get to wear their favourite footy jumpers. Bottom: Auskick 2011.

President Eric Cain commenced the night with an oratory of the history of the club. Between the dancing and socialising, an auction was held that raised significant funds for the club. Complementing current parents and volunteers were past players from the 1950s, through to recent times. Player numbers in 2011 remained the same as 2010 primarily because two older teams did not continue. The club inducted three new Life Members in Michele / Kevin Hart and Drew Gaynor.

Alec Evensen from the 9s Gold team had a thrill to be Hawthorn's No1 fan for a day. Besides having a run with the team at Subiaco, Alec received a signed Hawthorn jumper and football. In one drill, he got to pass the ball to Buddy Franklin who slotted a major.

The two 9s teams in 2012 playing a "derby" at Gairloch. The club is building numbers to sustain teams in its own right up to the 17s. The picture sees a set of gold jumpers with a brown V being used for the game.

Above: The 13s last training night before their 2012 finals campaign.

the finals, despite a number of players "playing up" a year. The club is financially solid and is well placed for the future. Season 2012 could be seen as the club's 60th anniversary again due to the fact that it was the 60th year of fielding junior football teams.

The investment in Auskick a few years earlier continued to pay dividends in 2012 with the club fielding two 9s teams and two 10s teams. Along with the 11s, 13s, 15s and 16s, this meant that the club fielded eight teams and Auskick was again just below 130. For the first time in the club's history, player numbers passed 300. The club's objective is to have about 40 children in each age group of the Auskick program and to field two teams in each year of the 9s-12s age group and one team in each year of the 13s-17s age group. The club is seeing some talented players coming through the younger teams which will reflect in better performance on the field. The club also inducted new Life Member Glenn O'Donnell. The year already saw the beginnings of this with the 13s making

The last 10 years

Growth and the move to Shirley Strickland Reserve to first class facilities

The year 2013 marked the beginning of the 7th decade of the club's existence. The East Fremantle District about this time realigned the eligibility age dates for teams from calendar year to school year and began calling teams "Years" rather than an age. The club fielded eight junior teams with two in the Year 4, 5 and 6 age groups. Coaches with AFL player experience were also present with former West Coast Eagles player Glen Jakovich once again as Club Coaching Co-ordinator and Jamie Merillo (Fremantle) coaching the Year 5s. Glen arranged a coaching clinic with former Eagles player, Peter Sumich at the beginning of the season that was great help for the many first time club coaches. Auskick also had very strong numbers with seven Auskick teams fielded.

From the top: Year 6 Gold. Nic Naitanui Mid Season Function. Jamie Merillo instructing the Year 5 Gold side at Booragoon. 1st edition book launch.

Social events were again prominent. The mid season function was the "Nic Naitanui Night" held at the Canning Bridge Rowing Club and the crowd was treated to Nic discussing all sorts of things which was very entertaining. Nic then stayed on to socialise with the crowd and signed many football cards and jumpers for the up and coming junior footballers and parents alike!

The year marked the return of the Youth League teams playing at Gairloch Reserve. The ground is usually below minimum width for the Youth League competition. However, special dispensation was given to trial the lower Youth League age groups at the oval. The trial continued into 2014 but was then discarded as it was determined that Gairloch is too small for the older boys. With two teams in each of the Year 4/5/6 age groups, the usual "derbies" took place which are always fun to play and spectators to watch.

The first edition of the history of the club (60 years) was completed in 2013. The launch was held at the Tompkins on Swan function centre on 5 September 2013. Over 200 people attended with many being past and present players, volunteers and parents from Applecross and Mount Pleasant JFCs. Ron Alexander was the MC and players and volunteers from all years enjoyed catching up with each other and to celebrate the history of the club.

The club also said farewell to Kyla Sanchez, Rebecca West and Ava Pike who hung up their boots after many seasons at the club. The three girls were very talented footballers and easily held their own on game day. Girls in 2013 could not continue in multi sex teams once the team progressed into the full contact Youth League. In later years, women's football at senior and junior level would advance rapidly with their own competitions.

Kyla Sanchez, Rebecca West, Ava Pike.

Samuel Emery Jackson Merillo Logan McDonald

Three boys made the Year 7 State School Boys in 2013. These were Samuel Emery, Jackson Merillo and Logan McDonald. Logan went on to be drafted in 2021 and is currently playing for Sydney Swans, with Samuel and Jackson having both represented East Fremantle and Claremont FCs in the WAFL reserves respectively. Sam, Jackson and Logan can be seen below in the Year 7 Premiership side. Also below is Jaden Hunter who has played WAFL for Perth FC and Alec Evensen who played reserves for East Fremantle FC in 2021.

Year 7 Premiers 2014

Back Row (L-R) Iain Simpson (Assistant Coach), Alistar Baron (Team Manager), Tom Howard, Michael Perrott, William Shaw, Lachlan Jukes, Harrison Millane, William Strahan, Jamie Merillo (Coach)
Third Row (L-R) Liam McGarrigal, Harry Bruce, Tom Allen, Luke Whittome, Hyunjun Lee, Logan McDonald, Jaiden Hunter, James Baron, Steven West.
Second Row (L-R) Riley McDonald, Andre Christian-Collett, Matthew Vidich, Craig Bruce, Connor James-Sutton, Cooper Da Silva, Lochlan Hemmings, Mason Gliosca, Ben Darbyshire.
Front Row L-R) Alec Evensen, Ben Simpson, Jackson Merillo, Samuel Emery, Ryan Fox, Patrick McGavin, Owen Edgar Absent: Riley Morgan, Jack Scofield.

The annual Mums v Sons match was again held at a Sundowner in July 2014. The Mum's team coached by Nick Jarvis, looked the part with their East Freo jerseys and pink headwear.

After almost 12 months of planning, the club unveiled its new jumper for season 2014. Teams increased in 2014 to nine with at least one team in all age groups from Year 4 to Year 10. The Year 10 side was a combination of Applecross and Attadale and was known as the "Attadale Hawks". The club had three teams in District Grand Finals (Years 7, 8 and 10) with the Year 7s winning the 27th flag for the club.

Auskick was also strong with five Auskick sides from Pre-Primary, Year 1 and Year 2. Also a first for the club was the District introduction of the Year 3 "Super 8s". This was a hybrid year where the Year 3s still played Auskick but were also playing competition games against other clubs. The club fielded four teams in this year group.

Before attending the parent social function, Luke Hodge came to the clubrooms at Gairloch and mingled with players and parents and was more than willing to sign football cards, jumpers and anything else for the players cared to have sign!

An example of the Player Life Member certificates that the club introduced in 2013.

The Year 3s would be incorporated in later years into the Modified Rules section of the competition (Years 3 to 6) noting that Year 7 had moved from the Modified Rules to the Youth League in 2014. The club also inducted two 100 game players as Player Life Members in Lachlan Shepherd and Michael Searle. The Year 6 side also had its special team mascot 'Oscar' seen below. 2014 was also the last of three years of Andrew Browne as President who passed on the baton to Peter Firth.

'Oscar'
Year 6 Mascot.

Coach Andrew Dwyer talking game plan to his Year 8 players at a break.

Kyle Shepherd making his 100th game in the Year 10s.

In 2015 new President Peter Firth took the reins with the club fielding eight teams with the oldest being Year 8. Whilst this was the lowest age team the club had fielded for a few years, the amount of players coming through the lower ranks augurs well for teams filling out to Year 12s in later years. Auskick again fielded over 100 players. The club also produced two new WAFL players in Josef Hebiton and Aaron

Holmes. This year also saw the Shirley Strickland Reserve redevelopment reactivated by the Melville Council after shelving the project because of the GFC economic downturn. After advancing the planning of the redevelopment through 2007/2008, it is expected to ramp up again from 2016/2017 and in future years.

Left: Milestone game players receiving their medals from former players and East Fremantle league players Aaron Holmes and Josef Hebiton.

Mark D'Amato and Jason Ackermanis with the auctioned signed Brisbane Lions jumper.

2015 Year 7 Premiers.

In anticipation of this recommencing, the club developed a Strategic Plan on how the whole club could operate at Shirley Strickland Reserve including lights for playing night games and clubhouse facilities such as canteen and changerooms. On this last point, a dedicated female Youth League competition commenced in 2015 and with the club planning to field dedicated girls teams over coming years, it will ensure that facilities will be provided for girls teams in the future Shirley Strickland pavilion.

Beside the usual Friday night sundowners. Social events at the club in 2015 were "Bogan Bingo" and the Jason Ackermanis night. Both were huge successes with lots of fun but also big fundraisers for the club. The year also saw success again for the Year 7s with another flag for the club making it 28 premierships. The next year as the Year 8s, this team also made their grand final but unfortunately fell short.

In 2016, the club celebrated 65 years and changed its name to the **APPLECROSS-MOUNT PLEASANT JUNIOR FOOTBALL CLUB**. As previously discussed, this decision was made after re-discovering the history of the two clubs and a merger endorsed by both clubs at the joint AGM in 1985. The Year 3 age group was formally included into the Modified Rules years now making it Year 3 to Year 6 and reducing Auskick to three years. Teams grew in 2016 to ten teams fielded reflecting the big numbers coming out of Auskick in previous years. The club also inducted two new Life Members in Phil Rohrlach and Dave Da Silva.

Nat Fyfe at Year 9 training. Fremantle and West Coast players attend junior football training from time to time.

Another player achieved higher representation in Phoenix Knight on being selected to play in the State Under 12s competition in this year. Phoenix travelled to the east coast and did his club proud with his performance both on and off the field. The Youth League teams in 2016 did not bring home any silverware but competed strongly in finals. The club commenced another acknowledgment for service award in addition to the Senior Club Person and Junior Club Person awards in the President's Award. This was to acknowledge support by others that may or may not be involved in the club in a given year. In 2016, this award went to the Perrot family.

Phoenix Knight with his letter of commendation from President Peter Firth and Coaches Co-ordinator Glen Jakovich.

Year 7s singing the song after a win.

Year 3 Gold coach Keith Daddow handing out player awards after the game.

Auskick in full swing at Gairloch on a Saturday morning.

The year 2017 was the first season teams played under the new club name. Auskick went from strength to strength with the club fielding the 3rd largest Auskick group in the East Fremantle District. Ten teams were again fielded. The club continued its game day ethos of play hard but fair and always have respect for each other, the opposition and umpires. The parents also were supportive of this and was evident in the 'Game Day' reports submitted by the District officials. In a first, a mother and daughter team won the Senior Club Person (Leanne Stannard) and the President's Award (Hayley Stannard). Hayley has helped the club for several years in a variety of roles such in the canteen, selling merchandise and assisting in the organisation of social functions. There were two President's awards in this year with husband and wife team Wayne and Heidi Heusler who have both worked tirelessly over six years in a variety of roles also being acknowledged.

Hayley Stannard.

The Year 9s reached the grand final but just fell short to Bull Creek 7.5 to 8.6. Also in 2017, the Year 8s made the elimination final but Willetton was the better team on the day. Auskick was again strong with 110 players across three years. A highlight for the boys and girls was running out with the East Fremantle league players at a WAFL game. It would be interesting to know how many of the League players did the same when they were Auskickers.

Above: A birds eye view of the Year 8s lining up at the start of the elimination final. Below: The Auskickers running out with the big boys.

External awards in 2017 were presented to Year 6 coach Rod Dowling who won the East Fremantle District's Coach of the Year and Samuel Emery for the Year 9 Best and Fairest. Both are seen at the bottom of this page.

The next year of 2018 saw Peter Firth stay on as President until half way through the year when he handed the baton to Sheldon Brady which was the plan from the beginning of the season. Peter remained on committee as Vice President.

The Senior and Junior awards went to a father and son double act in Keith and Samuel Daddow. Also in awards that year was the induction of another Life Member in Eric Cain who has been active at the club in one role or another including President, Auskick Co-ordinator and coaching until 2021.

Planning continued on the redevelopment of Shirley Strickland Reserve with Peter Firth taking a lead role. The club approached Life Members Drew Gaynor and Phil Rohrlach to assist Peter and the Committee in the planning and construction of the new facilities.

Above: Rod Dowling - Coach of the Year. Left: Sam Emery - Best and Fairest Year 9.

Drew and Phil (as a former President and Committee Member respectively) represented the club in the original planning of the redevelopment with the Melville Council until it was shelved in 2009. The club used them as advisors drawing on their previous experiences in the first attempt to redevelop the Reserve. The club in 2018 produced another East Fremantle District winner in Caleb Gorman who won the Year 9s Best and Fairest award. Caleb went on to become a Player Life Member. Also the Year 9s fell just short of a flag against Palmyra JFC.

Caleb Gorman.

Besides the usually Sundowners, the club changed it up for the main social fundraiser event introducing a Quiz Night. These have become very popular and were mostly held at the Melville Council Civic Room. Always organised by Leanne Stannard and hosted by Keith Daddow, they raised significant funds from the mid-quiz break auction. One highlight at the quiz is the paper glider competition.

The club remembered one of their most loved players in Ben Simpson who passed away. Ben was known on the field as "The Nail Gun" - a nick-name given to him by Coach Dave Da Silva. As Dave describes in a Year Book... "tough and hard, ate bricks for breakfast, was blessed with a low center of gravity and magnificent balance. He ran straight lines in games and possessed a rocket launcher right foot". Ben played 77 games for the club and was in the 2014 Year 7 Premiership team. But besides the football, he was known as a genuinely wonderful person.

Right: Ben in the Year 8s and earlier with Coach Dave Da Silva.

**Above: Year 8s in action
Left: Jumper presentation for Year 10s.**

The new season of 2019 saw the club move back to its origins with the traditional Hawthorn style jumper. This jumper was adopted when Applecross and Mt Pleasant JFCs merged in 1985. It came from the Sunday League senior team (Applecross Football Club). The Sunday League came from the "Ex Scholars" Under 23 club in the 1960s which came from the Under 18 and 16 Applecross JFC teams of the 1950s. So it has come the full circle. This was the first full year that Sheldon Brady held the reins with new committee members coming on board adding as well as previous committee members remaining. The club entered a refreshed era which is always the best outcome for any club for continuity.

Above: The 2019 committee. President Sheldon Brady in back row first left.

Above: The traditional cub jumper reintroduced.

The Dockers again visited the club - this time for the Year 3s and Auskickers with David Mundy and Ethan Hughes as guests. The club had a stellar year with the Youth League sides having three teams in Grand Finals for two premierships. Premiers were the Year 7s and Year 10s (29th and 30th Premierships) with the Year 9s just going down to Canning Vale. There was more acknowledgment of the talent this club continues to develop with Josh Browne winning the District's Year 11/12 Best and Fairest award.

The Mum connection: Players from Year 6 Brown share a moment in the changerooms at Gairloch with their mums.

Joshua Browne.

New club all weather jacket.

The club has had for some time, a strong connection with Clontarf with players in most of the Youth League sides. In the 2019 Sir Doug Nicholls tribute round celebrating indigenous players and culture, the Year 10s made players Kostya Green and Zyheim McIntosh (shown left) co-captains for the game against Palmyra JFC. At the end of the game both teams came together with the umpires in an arm in arm circle showing respect for the indigenous culture. Also important are the welcome to country smoking ceremonies that the club has during indigenous round. The club has supported indigenous youth such as Jezreel Daisybell and James Sortas who both, with the assistance of the club, gained employment through the ABN Group apprenticeship program after finishing Year 12 at Clontarf. Jezreel has played WAFL colts football with Claremont Football Club in 2022. Jezreel has a plumber apprenticeship and James a carpentry apprenticeship. The club also assisted both in finding accommodation at the Indigenous Mobility Youth Pathways accommodation in Bentley.

Also in 2019, the club commenced a development program for female players in "Kick like a Girl". This promotion aims to increase the amount of female players with the club building towards fielding its own female teams.

Season 2020 saw the redevelopment of Shirley Strickland Reserve take a step closer with the planning and the design of the new facilities building almost complete. Commencement of construction would start in 2021. One matter that the club had seen as important in the redevelopment was night game standard lighting and was pleased to secure this in the design. This will be a first for the club in the coming years.

The club also introduced a new range of non playing apparel for volunteers. This included polos shirts, hoodies and all weather jackets (as seen on previous page). For all Youth League teams (Year 7-12) a club uniform pre and post game was also introduced. Other clubs have been doing this for some time and the AMPJFC now fully embraced the presentation concept.

Above: Indigenous round 2022 smoking ceremony with teams from AMPJFC, Jandakot and Roleystone JFCs.

Middle: Year 10 Premiers.

Below: Year 8 in 2020 dressed in the new uniforms.

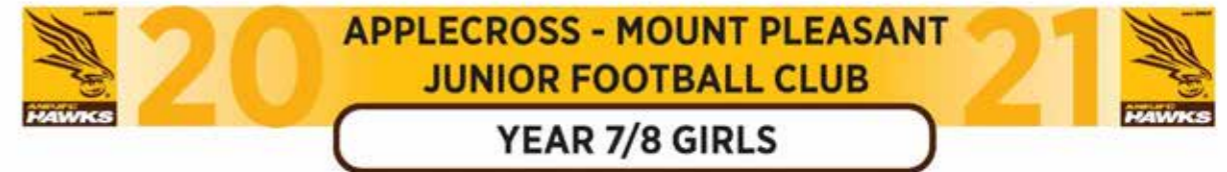

The Covid 19 virus pandemic was the big impact on the 2020 season with it being cancelled for a period and a raft of health restrictions including new food handling procedures. This proved too difficult to manage and so the club decided to close the canteen for the season. Other restrictions included crowd limits. The shut down of the State and strict protocols saw the games return in the second half of the season.

The club also presented Peter and Loretta Firth with Life Membership joining two other husband and wife Life Memberships in Michele and Kevin Hart (2011) and Gorge and Elizabeth Mavros (1992). Loretta also was awarded the Senior Club Person and Jess and Luke Davey the Presidents award. The club fielded ten teams in the Modified Rules and Youth Leagues. What was particularly pleasing was Youth League teams from Year 7 to Year 11 making it one of the stronger representation years.

Year 5 Year 6 Year 7 Year 9 Year 10

The year 2021 saw the Covid 19 Pandemic continue but for Western Australia, the locked borders saw little virus circulating in the State. This meant, with precautions, sporting activity could be undertaken and on this basis, the junior football season went ahead. Construction of the facilities at Shirley Strickland commenced with completion due in early 2022. This year was a momentous one for the club in many ways. It was to be the last year at Gairloch where the sub-juniors started in 1965 - all those 57 years ago but it was also the year the club fielded its first all female team. It had taken some time but it was worth the wait. The girls ran out onto Gairloch for their first game on Saturday 1st May 2021. In 2022 Jayda Baker became the first female to win a district Best and Fairest award for the club in the girls 7/8's.

Back Row (L-R): Assistant Coach Chris Bates, Team Manager Elaine O'Sullivan, Coach Jon Stagg
 Middle Row (L-R): Amelle Christophersen, Abbey Butler, Madison Berston, Nadia Mueller, Neve O'Sullivan, Ava McKay, Amie Glass, Amai Pettman, Ella Trueman
 Front Row (L-R): Jayde Howitt, Ava Bates, Monique Caruso, Bridget Gavin, Scarlett Irwin, Neve Pares, Stella Mula, Cassia Audeyev, Jemima Stagg, Jayda Baker
 Absent: Inset Griffin O'Brian (bottom right)

So 2021 was a lot of last calls for Gairloch Reserve. There was the last Sundowner, the last game played on 22 August with this honour going to the Year 5 Gold team (shown below with their parents and grand parents) and the last Trophy Day held on the 19 September. This year the club fielded the first Year 12 side since 2010 and before that in 1990 showing sustained player numbers through all years. Some players went right through from Pre-primary Auskick to Year 12. That is 13 years - a remarkable feat. In the finals, the club had four teams competing with the Year 8s making it to a Grand Final but unfortunately did not get over the line. Coach and Vice President Todd Paterson was awarded the Senior Club Person award and the President's Award went to Natalie Cherry for her tireless work managing the Canteen. The club was also awarded the 2021 'Club of the Year' which was not the first time it has won this honour. In addition, Leon Guthrie won the District's 'Coach of the Year' award.

The year also saw the new Shirley Strickland Reserve Sporting Association created. The SSRSA Board is made up of three members each from the five clubs operating at Shirley Strickland. The club asked former Presidents Peter Firth and Drew Gaynor to represent the club given they had so much involvement in the development of the new facilities along with newly inducted Life Member Leanne Stannard. Peter was the inaugural President of the SSRSA. There was quite a bit of work bedding down the Association to manage the facilities and ground operations.

Top: The last Sundowner at Gairloch kicking off with the traditional Mums V Sons game.

Left and Below: The last game at Gairloch was the Year 5 Gold team against Piara Waters JFC. Photo taken on the Glenelg Street bank where so many have been since 1965.

New Shirley Strickland Facilities Open

Season 2022 sees the club operating totally at Shirley Strickland Reserve. After many years of planning and development, games and operations commenced April with the start of the season. The club was there at the beginning of Shirley Strickland Reserve in 1961 all those 60 years ago as an inaugural club and now it is the home base for the entire club.

First games under lights at Shirley Strickland Friday 29 April 2022. The first game was the girls Year 9/10s followed by the boys Year 9s.

The following day Auskick held its first session at Shirley Strickland on the Lower Rugby Oval.

Moving Forward

This 2nd Edition narrative of the Applecross-Mount Pleasant Junior Football Club concludes with the official opening of the new Shirley Strickland Reserve facilities on 23 July 2022. In its 71st year, (70 fielding teams) the club now totally co-locates at Shirley Strickland Reserve with four other clubs playing winter and summer sports. As such, it does not have its own club house as it did at Gairloch Reserve.

However, the advantages of being at Shirley Strickland Reserve clearly out way the previous situation and what it offers the players in facility standards. The new era is upon the club as it moves into its eighth decade. The club is strong with 430 registered players in 2022. It will continue to grow and the future looks bright at its new facilities.

The next weekend saw the Modified Rules teams have their first experience of playing on the main football oval at Shirley Strickland. Two fields can fit on the main oval.

The club moved its memorabilia history located at the old clubhouse at Gairloch Reserve to the new Shirley Strickland pavilion. The club also has new honour boards, trophy cabinet, its premierships flags and other memorabilia in the pavilion. The club also had its first sundowner at the new facility on 22 July.

Above: VP Todd Paterson bringing down the Premiership flags at Gairloch clubhouse for transfer to Shirley Strickland. Putting up the memorabilia at Shirley Strickland. Right and bottom: Life Member Eric Cain congratulating new Life Member inductee Keith Daddow at the first Sundowner function at the Shirley Strickland Pavilion.

Above: Keith surrounded by Life Members (L-R) Leanne Stannard, Bill Holmes, Keith Daddow, Phil Rohrlach, Loretta Firth, Drew Gaynor.

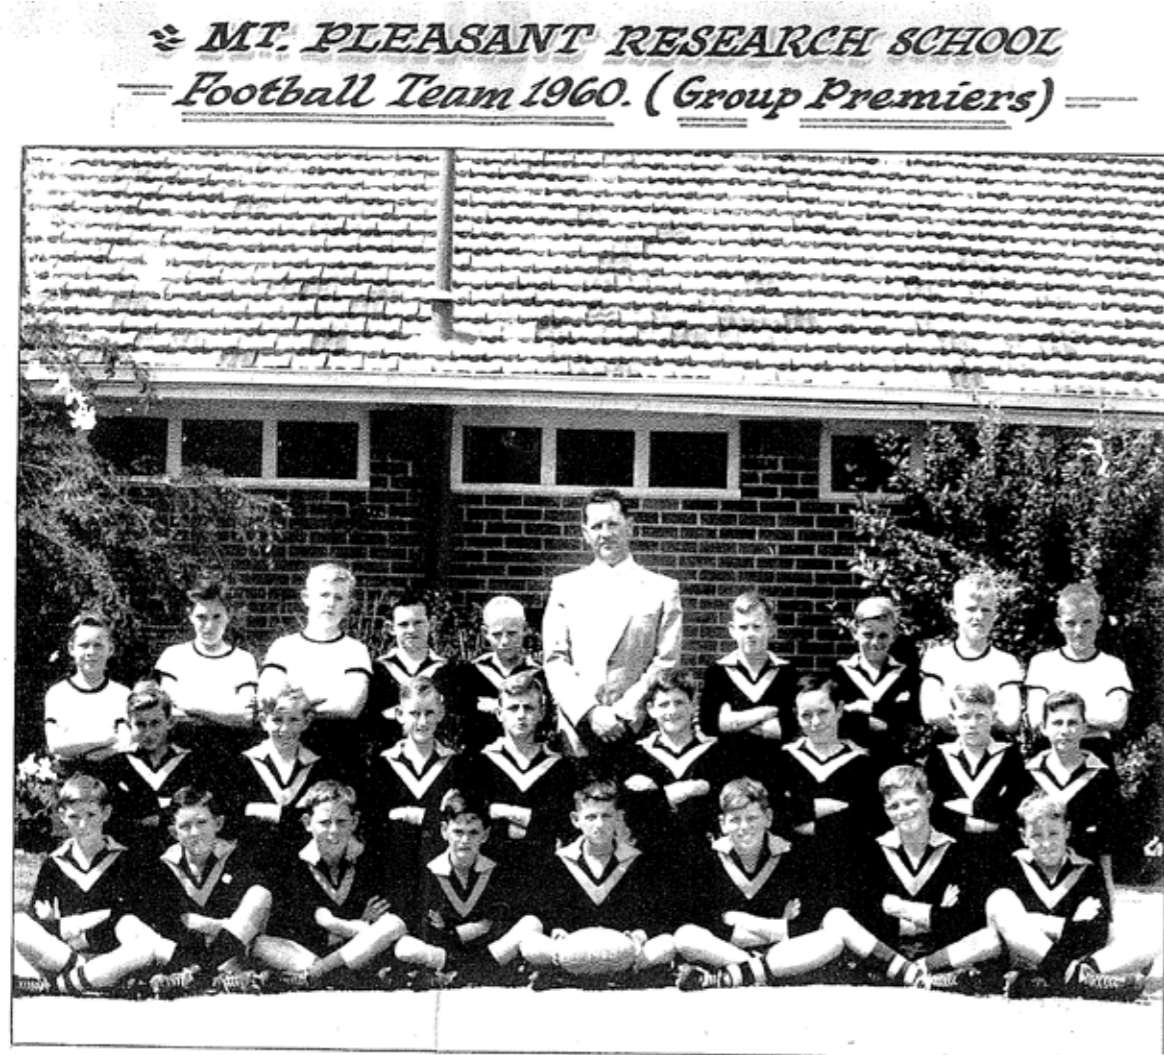

The new Honour Boards at Shirley Strickland Reserve.

Mount Pleasant Junior Football Club

History prior to the 1985 merger with Applecross JFC

The Mount Pleasant Junior Football Club existed from 1960 to 1985. The club colours were yellow and black and the club was sometimes known as the Mighty Mounties or the Tigers. Like Applecross, there were two MPJFC's - the junior club (Under 16s and 18s) and the sub junior club (Under 12s and 14s). The two clubs started in the two competitions simultaneously in 1960 with Under 12s and 14s in the sub juniors and an Under 16s in the juniors.

Whilst separate entities, they worked closely together as a pathway for boys to play through their teenage years similar to the AJFC. The association between the Mount Pleasant clubs was strong and each club used the same colours of yellow and black. As previously discussed in this book, the two competitions merged in 1973 and it was at this point the two clubs also merged into one club. As one of the foundation football clubs at Shirley Strickland Reserve, the club had strong links to the area.

Back Row (L to R) .. George Pearson, Geoff Sands, Les Culverhouse, Brian Lamb, Keith Lightermoet, Mr Theo Joel (Coach) Robert McLaren, Paul Ferguson, Ross Swanson, Glen Cunningham.

Front Row: Ross Webber, Ross Ashby, John Anderson, Michael Ferguson (VICE CAPTAIN) Phillip Priest (CAPTAIN) Murray Stagg, Albert Hults, Jim Batson.

There was a strong rivalry between Mount Pleasant and Applecross JFCs in the 1960s and 1970s with Canning Highway the boundary. The majority of boys joining the MPJFC came from the Mount Pleasant Primary School, as occurred with the AJFC and Applecross Primary School. St Benedict's boys seemed to be spread between the two clubs. Ardross Primary was built in 1961 but it took some time for students from this school to filter into the club. Records indicate that the Mount Pleasant Primary School team commenced earlier in 1954 in the Temperance League. Unlike Applecross JFC, the club adopted the school jumper design and colours.

Graham Hoare from the 1961 U16s.

Mount Pleasant JFC shared the Shirley Strickland Reserve with other football clubs including the Applecross JFC (Under 16s and 18s), Ex Scholars (Under 23s) and later with the Brentwood and Ardross JFCs.

From 1961 the club cohabitated at Shirley Strickland with Applecross JFC and then the Ex Scholars from 1962. However, some Under 12s and later, Under 10s continued to play games at Mount Pleasant Primary. Brentwood JFC arrived at Shirley Strickland about 1963 and the Ardross JFC in 1969. Committee meetings in the early years appeared to be held mostly at the Mount Pleasant Primary School.

The Ex-Scholars turned into the Applecross Football Club - Sunday League which then turned into the Saturday Armature League. There was also a "Riverwood" Under 18s which was a combination of boys from Brentwood and Riverton JFCs in circa 1972 which trained at Shirley Strickland Reserve but played at the Riverton ground. Brentwood and Ardross both existed until 1981 when they merged to become Karoonda JFC and moved to Karoonda Oval. Rugby League was also using the ground. The club's junior teams such as the Under 10s and 12s trained on the lower rugby oval. There were no modified ground sizes then for the younger boys and they played on the full size oval. This must have produced some very low scores.

Also from the outset of the two clubs, there appeared to be the appointment of a Club Patron. Records from the 1961 - March meeting of the committee show the nomination of Mr Harley to Patron which he accepted. This tradition continued on and records show that Mr R. Bonham, Head Master at the Mount Pleasant Primary School, was patron in 1977.

Left: Greg (Jero) Andrews (circa 1961) playing for the U/12s. Greg played 120 games between 1961-67. Note the size of the ball. All age groups played with a full size ball until the early 1970s.

The team were runners up to the strong Attadale side after finishing 2nd on the ladder.

Des Hoare, from the East Fremantle Football Club, demonstrating handpassing to Roger Sands of the Mount Pleasant Primary School side in 1962 at a school clinic. Des also played cricket for WA and played one Test for Australia. Unlike Applecross Primary, the school had the same jumper as the Mount Pleasant sub junior club. Most of these boys played for the Mount Pleasant SJFC.

There was also a ladies committee which undertook all sorts of fund raising including cake stalls and raffles. One particular idea was the selling of 200 \$1 "non playing member cards".

Mount Pleasant JFC and SJFC won seven premierships with six of these occurring in the four years from 1967 to 1970 in somewhat of a purple patch with flags in 1967 (Under 14s and 16s), 1968 (Under 14s), 1969 (Under 16s and 18s) and 1970 (Under 16s). The seventh flag was won in 1982 by the Under 13s. However, the club also were grand final runners up 13 times. These were 1961 (Under 12s), 1962 (Under 18s), 1965, (Under 18s), 1966 (Under 16s), 1967 (Under 12s), 1970 (Under 14s and 18s), 1976 (Under 18s), 1977 (Under 16s), 1978 (Under 16s), 1979 (Under 18s), 1980 (Under 11s) and 1985 (13s).

Timer and portable siren from the 1960s/70s

First Aid box stocked and donated by Pharmacy 777. The club first approached the local pharmacy in 1967 to provide first aid supplies. It is understood that this arrangement lasted for some years.

U/14 Captain Peter Dodd being carried off the field in his 100th game for the club - 4 July 1964. The game was held at the Mt Pleasant Primary School where many U/12 and U/14 games were held in the early years.

Left - Right: Don Patterson, Russell Hetherington, Graham Hicks, Jeff Davies, Max Puddey, Neil Balme, Peter Bourke, Steven Nankerville, Jim Wearne, Hugh Yellard, Peter Simpson, Graham Riley.

The club kept in constant contact with the other junior and senior football clubs using Shirley Strickland Reserve. Records show that the club jointly met the Melville Council in 1969 with the Applecross JFC on the state of the playing surface of the grounds.

The U/18s at half time address by coach E Neeson at Shirley Strickland Reserve in season 1964. The game was against Applecross. MPJFC won 11.12 (78) to 11.9. (74).

The club's first trophy event in 1960 was held at the St Benedict's School Hall. Other trophy nights in the 1960s were held at the Applecross District Hall (Tivoli Hall) but some were also held at the Canning Bridge Rowing Club. The 1961 event was a tea prepared by the ladies auxiliary, followed by trophy presentations and then a reel to reel movie. Trophy nights in later years were held at other venues including Tompkins Park and the Mount Pleasant Bowling Club. It seems the club did not award any Life Memberships. However, discovered minutes suggest some names were under consideration but no documents were located on ratification at the following AGM.

MT. PLEASANT START SEASON WITH BANG

MOUNT Pleasant Junior Football Club, which fields under 18 and under 16 grade teams in the East Fremantle-South Fremantle Football Competition, has begun the '65 season brightly. The under 16's won their first three games and the under 18 has won one and lost one.

takes place at Strickland Oval. The Under 18's on Tuesday and Thursday and the Under 16 on Monday and Wednesday.

An able and keen committee with Mr. Peter Morphett as President and Leo Penney (Treasurer) will be assisted by the Social Committee which includes a hard working team of mothers in Mrs. R. Priest and Mrs. T. Ferguson. Club functions including the monthly meeting of all members and supporters will be held in the club rooms on the 2nd Thursday of each month and Club Secretary Mr. Priest says the club picnic to Muresk, players teas and a trip to Bunbury for the Under 16 are planned for the near future.

Club Secretary, Mr. Priest, says the club has been fortunate in gaining the services of former South Fremantle and State Captain John Colgan as coach of the under 18 side and under his guidance the team will be a force this season. Lloyd Fletcher as captain will be assisted by Richard Morphett as vice-captain, while Mr. Warren Cooper will act as manager.

The Under 16 side, coached by Mr. Frank Greenwood will be captained by Terry Singleton with Ken Sayers as vice-captain. Mr. Keith Smith will act as team manager.

Attendance at the barbeques which is mainly for parents has been good but a more enthusiastic attendance at matches would be welcomed by the committee who feel that a little more parental support would help.

Training for both teams

Under 14s - 1965

Above: The 1967 U/16 Premiership side. Note in the back ground, the first clubhouse.

Some former Applecross players coached at Mount Pleasant including Harry Neesham (Under 16s-1964) and John Bertram (Under 16s 1960-61 and Under 14s, 1962-63). There is an amusing story about John Bertram (who,

as previously discussed, won the preliminary final for the Applecross Under 18s in 1958 with the last kick of the day) as coach of the club's Under 16s. John thought that a poor team performance the previous Saturday in wet and muddy conditions called for the team to toughen up a bit more.

On Tuesday training at Shirley Strickland Reserve, he had the boys run and slide through the mud. On Thursday most of the mothers turned up with their sons to training with the mud-stained jumpers and shorts for him to clean before the game on the Saturday. John did not undertake that training drill again!

Player numbers ballooned in the 1960s and more clubs were required in the area. After several years service at the Mount Pleasant JFC, Dave Mitchinson went on to establish the Ardross Junior Football Club in 1969 so boys could play football.

However, by the mid to late 1970s player numbers began to dwindle with some of the older MPJFC teams merging with other clubs, but usually with the AJFC.

GAME AND A HALF—AND THEN SOME!

By Baden Pratt

PLAYERS faltered, swayed and fell

The central umpire, perspiration dripping from his brow, stayed close to the centre of the ground.

Trainers worked over time running from player to player — at one stage

In the last quarter 11 players needed treatment.

And the timekeepers let the game go on, and on and on . . .

This was the scene at East Fremantle Oval on Sunday during the under-18 grand final between Mt Pleasant (coached by former State captain

John Colgan) and Hilton Park.

The regular timekeepers did not turn up and the stand-ins forgot about the time.

Each quarter was supposed to last 20 minutes, but the third term took 41 minutes and the other three well over half-an-hour each.

After 160 minutes the final siren blew.

Half the players required treatment for cramp.

Result of the longest grand final in memory: Hilton Park 11.12 (78) d Mt Pleasant 7.6 (48).

Front Row (L-R) A. Wiseman, N. Johnson, G. Hancy, S. Wiseman (Captain), N. Ritchie, N. Christie

Probably the most decorated player from the club was Neil Balme. Neil played about 60 games in the Under 12s and 14s before moving from the area. Neil played four games for Subiaco in 1968 before being snapped up by Richmond where he played 159 games from 1969 to 1979. Neil was a Richmond premierships player in 1973 and 1974. He then went on to coach Norwood in the SANFL from 1980-90 (13 games as captain coach in 1981 and 82). In this time, Norwood won premierships in 1982 and 1984. He also coached Woodville-West Torrens in 1991-1992, Melbourne Football Club from 1993-97 and was All Australian coach in 1994. He then moved into football administration as football operations manager roles at Collingwood, Geelong and Richmond. Neil is a Life Member of Richmond and Norwood.

Stalwarts through the 25 years of the club included Presidents Ray Patterson (1960/61), P Morphett (1964/65), Ray Quartermaine (1968/69), J. Blackwell (1970/71), Lew Skillen (1975/76), Ian Bushell (1977/78), Alan Morrel (1979/80/81) and Len Dibben (1982/83). Secretaries included R. Priest (1964/65) R. Biddiscombe (1971/72), and Mal McGowan. Others who had a significant roles either coaching or on committee included Don Stone, Merv Andrews and Craig and Dianne Campbell. Neil Stewart coached at the club for nearly a decade through the 1970s. Many players helped out as assistant coaches for younger teams such as Alex Weir.

MOUNT PLEASANT JUNIOR FOOTBALL CLUB

1975 Under 18s

BACK ROW: Don Dawson, Brett Mosel, Unknown, Alan Day, David Hastings, Shane Guthrie, Glen Miller, Dennis O'Sullivan, Kyle Hitchen, Coach- Barry Sutherland

FRONT ROW: Kim Maisey, Phil Cox, Mark Packard, Peter Wait, Glenn McCreary, Peter Briggs, Brian Dawson

Some teams did their own team flags and emblems such as the examples above.

Back Row: BEN PATON, DANNY SGHERZA, RYAN D'ALMEIDA, PETER DASTLIK, DAMIAN MUNFORTI, SIMON BRIEN, BRADLEY WEIR.
Middle Row: MARK BRIDSON, CLIVE BELL, ROBBIE MARTIN, NICKY HEAH, MATTHEW WHEELER, ANTHONY DICKSON.
Front Row: DAVID DUKE, MICHAEL HILL, GRANT BLAKE, BRADLEY MILLANE, CAMERON GREGORY.
Manager: Mr. P. BRIEN.

Above: U/9s Blue - 1981

Besides the Premiership teams, some other teams had some notable achievements like the 1971 Under 14s. They were playing the very powerful Under 14s East Fremantle side who were undefeated for some years and this was to be their 50th straight win. The Under 14s upset their plans by winning. The coach shouted the team a celebration dinner with KFC!

There were some notable social events throughout the years. These included car rallies, and cabaret nights which were usually an annual event. In 1964, a cabaret was held at the East Fremantle Football Club. The Palmyra JFC assisted the club in providing a band for the evening. Most cabarets in later years were mostly held at the Melville Civic Centre and Ian Bushell's Taurus Steakhouse. Parent "Review Nights" cabarets were also popular.

However, one event of note was the fathers "Ballet Review" in the mid 1970s at the Booragoon Hotel. Directed by Mrs Stewart, the dads performed impeccably in front of a packed house. Other reviews included "Cinderella" and musicals. These events were major fundraisers for the club and were promptly sold out. Quiz nights were also popular with the 1976 night being particularly popular. In about 1975/76, the clubrooms at Shirley Strickland Reserve were rebuilt and the club used the facility for committee meetings.

The club emblem was designed in 1977 for blazer pockets. Caps with logo were also produced.

Like the AJFC and other clubs, teams did road trips to other clubs travelling to various regional towns for games which usually occurred when there was a bye. In 1961 teams went to Bindoon to play in a carnival. One notable adventure for the Under 16s was in 1977 with a trip to Adelaide to play a Woodville junior team. Also with the younger teams, there were reserve sides and games would be organised to give boys the opportunity to play. One occasion was in 1969, with a trip to Bunbury where bookings were made with the Bunbury Tourist Bureau for 60 people for the weekend. Like other clubs, team social events were organised such as in 1972 when the Under 16s and 18s had a weekend "team building" weekend at Rottnest.

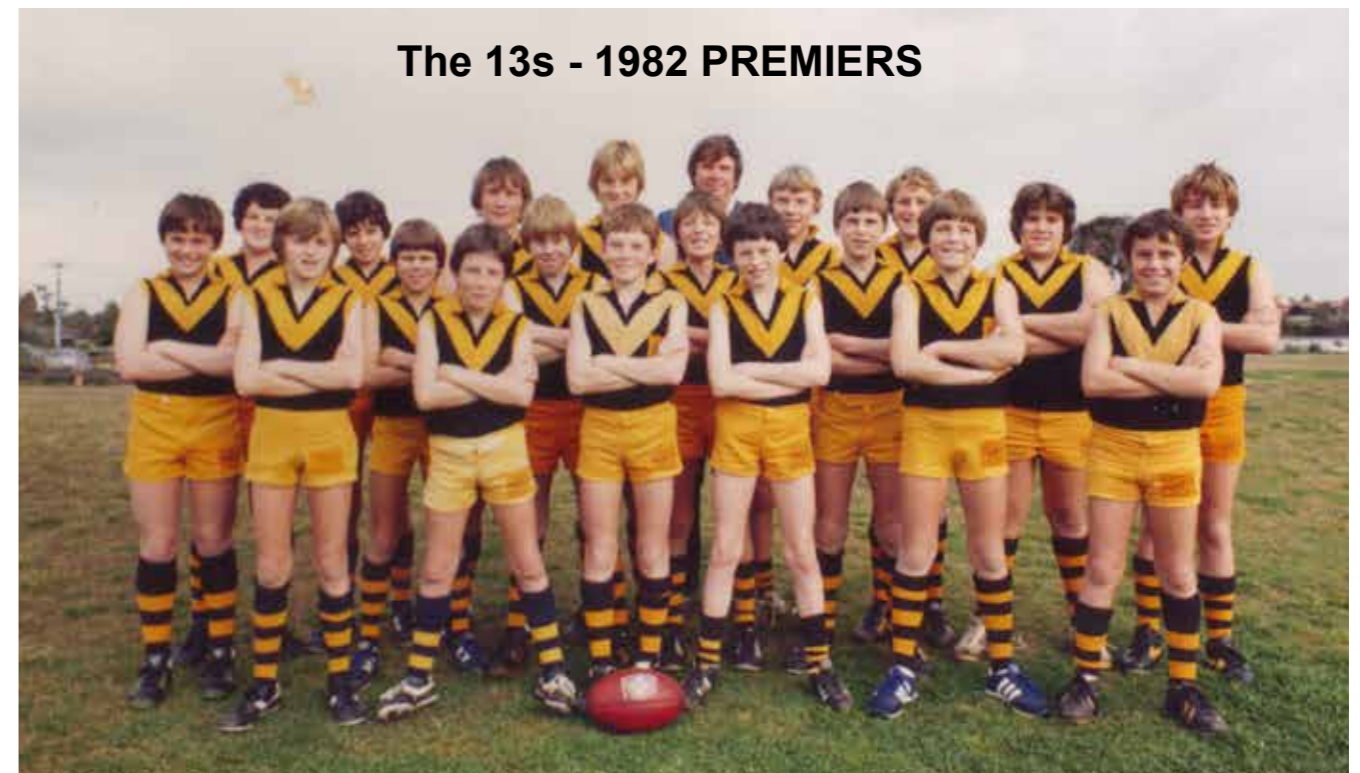

The promotional T-Shirts were produced in 1980 for selling at Registrations Day.

Like other clubs in the East Fremantle district, the sub junior and junior Mount Pleasant clubs decided to merge into one club with the amalgamation of the two competitions commencing the 1973 season. A new constitution was drafted to incorporate both clubs' committees. Amalgamation of teams with other clubs was occurring more often and consideration of amalgamation with adjoining clubs became a standing topic from the mid 1970's onwards and committee notes indicate that there were discussions with Applecross, Ardross and Brentwood JFCs. It was a year by year proposition.

In 1978, the club negotiated with the Melville Council for a loan to improve facilities including the redevelopment of change rooms at Shirley Strickland Reserve in the early 1980s. These remained until the recent redevelopment and completion of the new facilities 2022.

Craig Campbell coached the 13s team to its last premiership in 1982. Craig played at the AJFC and MPJFC in the 1960s and coached many sides at the MPJFC in the late 1970s and 1980s. He was also involved in the administration in the merged club post 1985. The Campbell family sponsored the Senior Club Person Award board which is still in use today.

Vic's son Che played at the club.

Ovals and Clubhouses

Applecross - Mount Pleasant JFC is one of very few junior clubs in the East Fremantle junior football district that has had access to two grounds. Up until 2021, Auskick (5-7 years) and modified rules teams (8-12 years) played at Gairloch Reserve and youth league teams (13-17 years) played at Shirley Strickland Reserve. Over its journey, the club has enjoyed an ongoing relationship with Gairloch and Shirley Strickland which has lasted seven decades. However, beginning 2022, the club commenced playing all games at Shirley Strickland with the commissioning of the new facilities.

Gairloch Reserve

The Early Years - The Sub Juniors move to Gairloch from Applecross Primary

The Applecross sub juniors started their existence in the sub junior competition in 1959 with Under 12s and 14s sides which trained and played on the Applecross Primary School oval. The club trained there two times per week and played games on Saturday mornings. The school teams trained on alternate nights and played interschool and inter-factional games after school. Added to this was the usual school play and other sports for a school that had grown considerably. The sub junior teams at the primary school had no club or change room facilities. Dick Larsen lived opposite the oval on Sixth Avenue and his garage doubled as the change room as well as the equipment room. When the siren sounded for half time, the team headed over the road to the garage for the half time address!

Left: The scoreboard at Applecross Primary School oval which was erected by parents in about 1962. The scoreboard still stands at the ground after 60 years. Below: The 1962 U/12s at the school oval. Note the scoreboard in the background.

Above: Gairloch Reserve in the club's first year at the oval - 1965. Applecross playing Mount Pleasant. Note the free standing toilets at the Macrae Road end.

By 1963 the condition of the primary school oval had greatly deteriorated and the headmaster of the day, Mr Gilchrist, whilst sympathetic to the ASJFC, informed the club that access to the school oval may in future be restricted. After large bare patches started to appear on the school oval in 1964, the club's access was terminated and it began to look for a new home. In August 1964 the club applied to Melville Council for the use of Gairloch Reserve. This was agreed to for 1965 with a further review at the end of the season. The annual fee for Gairloch was 15 pounds.

It is understood that Gairloch Reserve was cleared and developed after World War II by Melville Council and local residents. At the time, it was the only oval in the Applecross area for public use. St Benedict's school used the oval as its exercise area and for the school's sporting carnivals through the 1950s prior to Shirley Strickland Reserve becoming available. Rugby League also used the oval and this could explain why the sub junior team commenced at the primary school.

Above: Same game as above looking towards Glenelg Street.

Left: Ian McCarrey showing his handball skills. Right: Mums and sisters supporters at Gairloch Reserve.

The argument was won and the Melville Council and the ASJFC came to an arrangement in 1966 for Gairloch Reserve to be the long term home for the sub junior club. After securing the oval's use in 1966, the club began negotiations for the widening and lengthening of the playing area.

It cannot be confirmed exactly how much width and length was gained but documentation between the club and Melville Council seems to suggest 15 metres in width (mostly on the Glenelg Street side) and about 30 metres in length at the northern end. The length extension was achieved by removing the gazettal for the Kishorn Road easement. The extension occurred in two stages with the widening and Stage 1 lengthening taking place in the late 1960s and the Stage 2 lengthening occurring later. Prior to the Stage 1 lengthening, the Under 14s competition found the oval a bit small and some games were played at Shirley Strickland Reserve as other clubs complained about Gairloch's dimensions.

Above: U/12s in the first year at Gairloch Reserve in 1966.

Above: The Preston boys. Tony, Bill and Harry.

It is thought that in 1965 Melville Council also considered relocating the Tennis Club from the river foreshore to Gairloch and moving the ASJFC to Shirley Strickland, as it had previously considered in 1962. The club, which had only just settled at Gairloch, mobilised its players and parents in a campaign to stay at Gairloch. Players walked the streets of Applecross gathering signatures on a petition which was then presented to Melville Council along with a detailed submission. One Melville councillor queried the legitimacy of using players to gather signatures to which Secretary Les McCarrey argued that the boys had wanted to do this to stay at the ground and were not coerced.

As previously indicated, exactly when the Stage 2 extension of Gairloch Reserve occurred is not certain but seemed to be in the early 1970s. The facilities for the players and spectators were basic, with free standing male and female toilet blocks at the Macrae Road end and a mobile canteen set up on game day on the Gairloch Street side. Oliver Drake-Brockman donated to the club a unique circular fridge specifically designed for cans and bottles of cool drink. This was located at Alex and Joan Raphael's residence in Ardross Street on the back veranda. Every game day, Alex and Joan would bring the drinks in an esky along with assorted lollies.

A table would be set up and these items would be sold to players and spectators. At some stage there was also a mobile canteen that resided at a house in Gairloch Street which was part of the players' pre-game duties to collect and set up. A big tarpaulin was hoisted for spectators and players to shelter under on rainy days. A raffle was also undertaken at each game with the proceeds from this and the canteen going to the club funds.

Above: U/12s at Gairloch Reserve 1968.

Facilities improve at Gairloch Reserve

In 1968, the new combined club administration also pursued the construction of change rooms. The preferred location was on the north west corner of the oval as all temporary game day facilities were always located on this part of the field. However, this met with some resistance from residents and it was finally agreed to locate the change rooms at the south eastern corner of the ground. The free-standing toilets located at the southern end of the ground were removed once the new building was constructed. The club contributed over 50 per cent of the cost and the new change rooms which were constructed in 1971 and opened in 1972, providing teams with better facilities.

The change rooms established in 1972.

The new building also included an equipment room, toilets and a canteen. The above photo shows the canteen roller door situated where the main change room is located. Previous players recall the canteen was partitioned off from the player benches and operated on game day before, during and after games. Players were addressed whilst the parents continued to sell from the canteen!

In 1983-84, the club drew up plans for an extension to the clubhouse. This appeared to be put on hold with the prospect of amalgamating with the Mount Pleasant JFC, which would give the club access to the Shirley Strickland pavilion. For this reason, there was no further development at Gairloch Reserve until the late 1990s when the new clubhouse extension was built.

The 1990s saw player registrations grow from 106 in 1991 to nearly 200 in 1997. There was a clear need to provide better facilities. The committee resolved to embark on a building program and in 1998 agreed to the design of an extension to the change rooms. The clubhouse extension was projected to cost \$106,000 with funding being a three-way arrangement. The club contributed \$18,000 with the Department of Sport and Recreation \$35,000 and Melville Council \$53,000. Construction commenced in 1998.

The original estimate of \$106,000 soon escalated to \$124,000 and the club sought additional funds from the Department of Sport and Recreation. Unfortunately this was unsuccessful and the club was left with a deficit of \$18,000. Faced with this issue, the club sought assistance from Melville Council and was successful in the form of a loan to be repaid. The clubhouse ushered in a new era in providing a purpose-built canteen and function area displaying the club history and memorabilia.

Erection of the two towers at the southern end of Gairloch Reserve occurred in August 2008. Provision for electrical connection to additional towers at the northern end was also installed. This was a positive step for better utilisation of the oval during training nights.

The change rooms in the old building were also reconfigured to provide better use of space and also more secure storage facilities. Committee member Bob Hart must be acknowledged for the contribution he made in the design of the clubhouse. Many families and corporations contributed to the fundraising and are acknowledged in the clubhouse. The need for training lights at Gairloch Reserve became increasingly important as the numbers of teams grew in the 2000s.

Gairloch previously had training lights during the 1970s which were erected by the local soccer club and which shared the oval for a period. However, from reports these were fairly basic facilities. The cost of the new lights was \$45,000 and as with the clubhouse, Melville Council provided one third of the costs with the Department of Sport and Recreation completing the funding. Club funds came from general reserves accumulated and specific sponsorship most notably Seacorp.

Mayor Russell Aubrey with President Drew Gaynor at the official commissioning of the Gairloch Reserve training lights at the end of season trophy day on 20 September 2008.

The last year at Gairloch Reserve

Season 2021 saw the end of the club's official relationship at Gairloch Reserve after 57 years. There has been countless players, parents and volunteers who have experience the ground. Gairloch will be designated for the time being as an open ground so multiple sports will use it as an overflow facility. The existing building will eventually be demolished to make way for modern change rooms and toilets. From time to time, an ad hoc AMPJFC game or two might be played at Gairloch but this will be rare if at all. At its last Trophy Day at Gairloch in 2021, the club invited all past Presidents, Life Members and dignitaries back to the club to celebrate the years at Gairloch.

Past Presidents and Life Members enjoy sharing memories of Gairloch Reserve in the clubroom. Seated in front (centre) is Les McCarry who initiated the move of the club from Applecross Primary to Gairloch in 1965.

President Sheldon Brady (centre) and Vice President Todd Paterson address the past Presidents and Life Members.

A sunny day for the last Trophy Day at Gairloch.

Shirley Strickland Reserve

The Early Years - The Juniors move to Shirley Strickland from Melville Reserve

After nine seasons of co-habitation with Melville JFC at Melville Reserve on the corner of Stock Road and Canning Highway, the juniors commenced playing home games at the recently completed football oval at Shirley Strickland Reserve in 1961. This was in co-habitation with Mount Pleasant JFC juniors and sub juniors who commenced in 1960. It seems the rugby ovals at Shirley Strickland had been commissioned in 1960, which was used by the Applecross Rugby League Club, with the main football oval commissioned in 1961. Applecross and Mount Pleasant JFCs had also been training on the rugby ovals in 1960. The Brentwood JFC also operated from Shirley Strickland from about 1963 onwards, making it four football clubs and rugby league at the grounds.

Shirley Strickland Reserve in its infancy.

Above: The U/16s training on the lower rugby field in 1960 looking west towards Mitchell Street.

Below: U/16s having some fun. The football oval was not ready until the commencement of the 1961 season.

Melville Council had originally wanted the Applecross sub juniors to relocate there from Applecross Primary in 1962 but decided against this option. The matter came up again not long after the sub juniors relocated to Gairloch Reserve in 1965. Commencing season 1968, the junior and sub junior clubs merged to become one club and the Under 16s and 18s continued playing at Shirley Strickland. However, the Under 16s and 18s now trained at Gairloch. In 1969 the Ardross JFC was established at Shirley Strickland making it five football clubs playing on the oval, placing greater pressure on access.

Basic facilities for players were provided with the change rooms old and worn out.

The pressure on Shirley Strickland eased slightly in the early to mid 1970s with the junior teams of Ardross and Brentwood JFCs starting to access the new Karoonda Reserve. About this time, Gairloch was further extended and whilst not clear exactly when, it seems at this juncture, the AJFC relocated games from Shirley Strickland to Gairloch. Whilst there were some amalgamated teams with Mount Pleasant JFC on an adhoc basis, the club's direct game day relationship with Shirley Strickland ended until the merger of the Mount Pleasant JFC and the Applecross

JFC in 1985. From this point, teams moved back to Shirley Strickland in 1986 with the 14s to 17s training and playing there.

Shirley Strickland Reserve before the new facilities

Shirley Strickland is a purpose-built football ground with a good surface and playing dimensions of 150 metres x 120 metres which can be extended to 170 metres x 130 metres. However, the change rooms, which were built in the early 1980s were dilapidated and in need of replacement. Interestingly, the construction of those change rooms was instigated by the Mount Pleasant JFC. Former Mount Pleasant President Peter Wylie (who was also President of AMPJFC post merger) was involved in the design and construction of the change rooms with Melville Council. The club attempted to provide better facilities for teams at Shirley Strickland, including player marquees, a new scoreboard and BBQ facilities.

The club fielded two 13s sides in 2009 and both teams played each other in June at Shirley Strickland Reserve in an Applecross "Derby". The 13s Brown narrowly won over the 13s Gold 6.7 (43) to 6.5 (41). The players are seen here relaxing together after the tough game played in great spirit. Pictured are coaches Quentin Granich and Glenn O'Donnell addressing the players post match.

Shirley Strickland Reserve upgrade of facilities

The redevelopment of Shirley Strickland Reserve has been long overdue given the deteriorating standard of the old pavilion, changerooms and public toilets. Originally planned for development about 2007, the redevelopment was delayed with planning recommencing in 2017. Site works, landscaping and building commenced in late 2020 and was completed in early 2022.

The new facilities are a major improvement on what was originally planned incorporating a new pavilion, lighting to permit night football, walkways and a children's playing area including half basketball courts. The football ground was realigned so to permit the building of the new pavilion in front of the old pavilion which was then demolished.

The pavilion facilities are first class with two function areas, six changerooms, small gym and ground floor canteen. There are large verandas for elevated viewing of games and room for the clubs to hang their history. The facilities are managed by the Melville Council with support from the Shirley Strickland Reserve Sporting Association (SSRSA) made up of five clubs - AMPJFC, Rebels Softball Club, Applecross Cricket Club, Melville City Touch Association and the Southern Districts Gaelic Football Club - all located at the Reserve.

For the AMPJFC the facilities are a quantum leap forward from what they had before with games and training intended to be at Shirley Strickland. The playing lights usher in a new era for the club with games being played on Friday and occasionally on Saturday evenings. The redevelopment has transformed Shirley Strickland into a centre for sport and community activity in the area.

Pavilion Opening

The new pavilion was opened on 23 July 2022 by the Deputy Mayor Tomas Fitzgerald. The day was a stormy one but did not deter a crowd of several hundred attending. The official speeches included Shirley Strickland-de la Hunty's children - Mathew and Beverly de la Hunty - who gave the crowd some fond insights into Shirley. Mathew played at the club in the 1970's. Besides the official opening, the club played several games of football ensuring the ground showed off its best. The SSRSA ran the bar and also had a sausage sizzle going. It also took the opportunity to present Life Member medals to past and present Life Members of the SSRSA prior to the official proceedings.

Road Trips

Throughout the history of the club, particularly in the early years, organised trips to the country were regular events. Some of these “road trips” were quite remarkable in the logistics required. In 1959 and 1960 the Under 18s travelled to Collie for a weekend of events. The 1960 visit included a “swim through the Collie mines”, a dance on the Saturday evening and a game against the Collie Mines Rovers the next day. There was also a reference in the 1960 year book to someone losing their key and making their way to bed via the window of the hotel room at 2am!

The trip to Collie was repeated in 1961 with the Under 14s. Prior to the trip, the squad was presented with team jackets by Dick Hilton at the 1961 trophy night. The boys and parents stayed in a hotel and by all accounts lots of mischief was had by the players as well as a good game against the local junior club the next day.

In June 1962, the junior club and the sub junior club joined forces for a trip to Gin Gin. A written account suggested that the Gin Gin oval looked like a fair with a number of teams from the juniors and sub juniors playing local teams. The umpire was Jack Edmeades who found the going tough. Some suggested that he had no wind left to blow the whistle and should borrow the bell from the cow in the adjoining paddock!

In 1963 the Under 16s went to Toodyay for a game against the locals. Players and officials packed 23 cars which left from the Raffles Hotel. A BBQ lunch at the Toodyay Showgrounds was enjoyed before the game got underway. Time-keeping left a little to be desired with one quarter being nearly 40 minutes long! In the same year, the Under 18s travelled to Narrogin for a game against Narrogin High school.

There were some trips by train to Kalgoorlie for games against junior teams in the goldfields. These were probably the most difficult trips to arrange in getting boys and guardians on the “overnight sleeper” train to Kalgoorlie. The games would be the next day followed by a players tea and then back on the train overnight to Perth.

Further games were held with teams from Northam, Bolgart and other wheat belt towns. A number of times these teams would reciprocate and come to Gairloch Reserve for a game in the city. A story worthy of mention comes from the 1984 end of season camp at Rockingham, which about 75 boys attended along with officials and parents. The account suggests that a good time was had by all, especially the boys attacking 13s White coach Joe Merillo with flour bombs and shaving cream!

An U/14s club jacket presented to the players in 1961. This jacket was donated by John Hender and is now on display in the club’s display cabinet

The 1959 U/18s enjoying their trip to Collie.

Jumpers

The junior club commenced with a gold V on maroon that was replaced with the gold and maroon stripes in 1958. The single gold stripe on maroon was adopted in season 1966. The sub junior club also adopted the gold and maroon stripes when it commenced in 1959 but changed to the St Kilda jumper in season 1967. With the merging of the two clubs commencing season 1968, the combined club continued with the two jumpers. However, the Saints jumper progressively replaced the single gold striped jumper by 1973.

The Saints jumper then became the standard bearer until the merging of the AJFC and the MPJFC in 1985 when both clubs retired their respective jumpers and embraced the Hawthorn coloured and styled jumper. The primary reason for this was the desire to align the new junior football club with the amateur Applecross Football Club which wore the Hawthorn jumper. This jumper remained until 2004 when a new design was adopted and rolled out through all teams and Auskick by 2008. In 2014-2018 the club adopted the white jumper with the Hawk emblem but then decided to move back to its more traditional Hawthorn striped jumper commencing 2019. The MPJFC always had the colours of yellow and black for their stand alone years 1960-1985. Jumper designs were mostly a yellow V on black but there were two variations with black V on yellow and a striped black on yellow in some teams for a while. Some Under 10 teams wore an all black jumper with a yellow collar in the early 1970s.

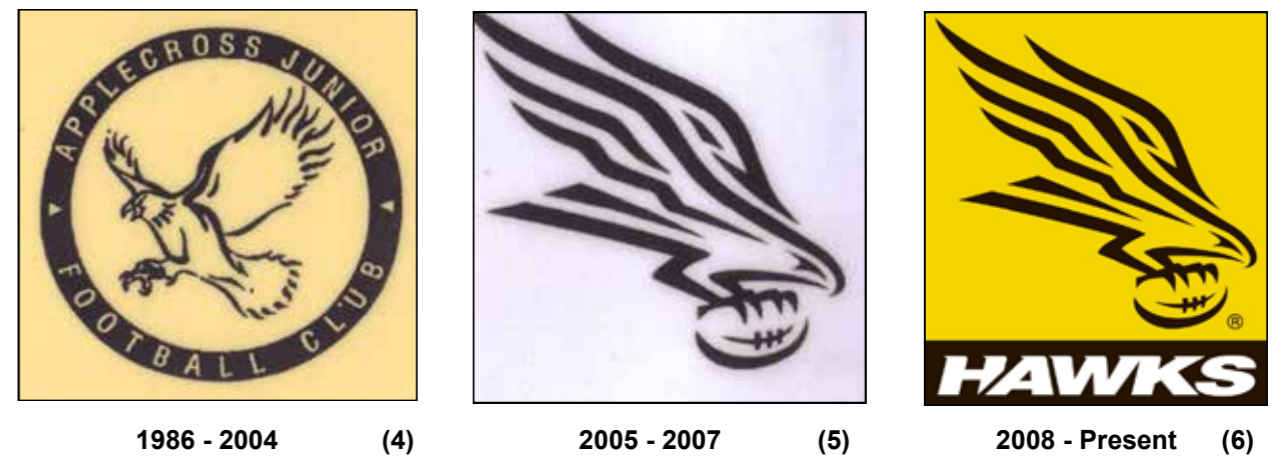

The Mount Pleasant jumper variations 1960-85.

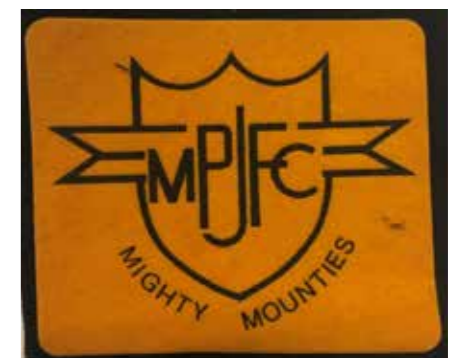

Club Emblems

Pre-merger of Applecross and Mount Pleasant in 1985, the Applecross JFC has had several club emblems. The first was a bulldog that appeared on the early year books (1). This emblem was used for the junior club and later for the sub junior club. The junior club was called the Bulldogs for a period in the late 1950s. Ironically, both clubs adopted new emblems in 1966/67, just prior to the merging of the two clubs in 1968 (2 and 3). The two emblems reflected the two jumpers the club used through the late 1960s until 1973. The maroon and gold jumper and emblem was phased out at this point with only the St Kilda jumper remaining until the merging of Mt Pleasant and Applecross clubs, when a new emblem (4) was adopted. This emblem remained until 2004 when the club adopted the new hawk design (5) drawn from the Hawthorn Football Club. The new jumper design was also drawn from this logo. Team jumpers with the new design gradually replaced the old design until completed in 2008. The full Hawks logo (6) for all club branding was adopted at this point.

Mount Pleasant JFC did not seem to have any club insignia in the 1960s until the design (right) was produced in 1972.

Year Books

Applecross JFC has had a number of year books celebrating and commemorating the achievements of a season. Unearthing the year books has been difficult and it seems that they were spasmodic, with a series of year books followed with a period of none being produced.

Year books were common in the late 1950s and early to mid 1960s but less so through the 1970s. There were some in the 1980s and 1990s but not on a regular basis. Early year books were based on the football "budget" or souvenir style. Some later on were typed on plain A4 size paper. Year books were reinstated in the early 2000s and have become a regular feature of the club, with every player receiving a copy at the end of the season. Recent year books have become more sophisticated and provide a complete record of the club in that year. The club has produced year books continually since 2007. No Mount Pleasant JFC year books could be located.

Registration Days

Registration days have been an integral part of sporting clubs and AMPJFC is no different. The club has a history of making registration day a family day. Notable is that after the 1985 merger, a number of registration days were held at Shirley Strickland Reserve but then returned to Gairloch Reserve in the 1990s and especially after the clubhouse was built in 1999. The mid 2000s saw the family fun day concept taken to a new level with registration day marking the beginning of the season and the AMPJFC football community coming together.

In 2010, the club became the first club in WA to trial online registration and then to move fully online in 2011 which has become very popular and other junior clubs have now embraced. However, this did not stop the club hosting an information and family day for new players and returning players and families.

Registration Days 2008-2012.

Trophy Presentation Events

Trophy presentation events are an important part of any junior football club to recognise the efforts of players and officials. At the Applecross JFC, pre-merger with Mount Pleasant JFC, these functions were undertaken in many formats either as day or night events. During the early 1950s, the club used to have its end of season event at Bibra Lake. With only one team, the end of season windups were usually an afternoon event where a keg of ginger beer and a quantity of cakes made by the ladies auxiliary were consumed after trophy presentations.

Trophy events in the early 1960s for the junior club took place at either outdoor venues or at parents' houses. In 1960 the junior club hired a bus for a trip to Yanchep for trophy presentations and a game between the Under 16s and Under 18s. There is also an account of a trophy presentation held at the home of Jack and Mary Edmeades after the Under 18s grand final win in 1962 which made the event even happier.

The sub juniors held their trophy nights mostly at the Applecross District Hall on Kintail Road in Applecross, commencing about 1960 and continuing through to the early 1970s, although one is believed to have been held in the Applecross RSL hall. There were also one or two club trophy nights held at the same venue during this period for the older players. Proceedings were usually a players' tea followed by the presentations. Some events had entertainment, with a hypnotist one year in the early 1960s causing some hilarity with a coach and a player or two believing there were "little green men" from Mars waiting outside! The keg of ginger beer was always a must, which the players thoroughly enjoyed. A highlight of the 1966 sub junior club's trophy presentation night was dual Brownlow medallist Ian Stewart attending to present awards and to present the club with their new St Kilda style jumpers.

AJFC Trophy Nights at the Applecross District Hall

The 1970s and early 1980s saw Applecross trophy days being more of a picnic-style event with a number of outings held at the Ern Halliday Camp in Hillarys and also at Yanchep. There seems to have been some

Applecross District Hall. Also known as the Tivoli Hall.

murmurings that this venue was too far away and with the merger of the Mount Pleasant JFC and Applecross JFC in 1985, trophy days were held at the Shirley Strickland pavilion through the late 1980s and into the early 1990s.

These usually began with the AGM followed by lunch and then the trophy awards. For one year the club used the YMCA facilities at Tompkins Park but by the mid 1990s trophy days began to move back to Gairloch Reserve until 2021 when the club totally relocated to Shirley Strickland. Given the growing number of players, Auskick now makes up half of the player membership and is an important part of the club's annual trophy event.

Social Functions

Social functions have always been an integral part of the club. In the early years, picnics were enjoyed as the club, at this stage, was quite small and so it was very much a family affair. Car rallies also used to take place which were very popular. In 1961, the sub junior club held a cabaret night at the East Fremantle clubrooms which was a great success.

The club held a number of social functions to raise funds required to build the Gairloch clubrooms in 1970-71. There were gambling nights in the backyards of the McCarrey or Drake-Brockman residences which were really BYO BBQs with a chocolate wheel and a Crown and Anchor.

The wheel was run by Les or Oliver Drake-Brockman and one of the numbers was always covered which was for the "players". It was always loaded towards the club for the fundraising drive but of course no one minded. The McCarreys had a rather large backyard and a putting hole was built for the night and parents were charged for a round. The 1970s saw social events such as "bring and buy days" where items would be donated and sold in a fair-like atmosphere. There were also fashion parades which by all accounts were very funny with parents as female and male models.

Above: The Rock and Roll Function in 1993. Life Members of the club were invited to this event. Left - right are Jim Crawford, Brian McCullough and Kevin Owens with President Trevor Dunn.

Sundowners at the Gairloch clubhouse were common between 1999 and 2021 and held usually on a Friday evening. There are 2-3 events over the course of the season.

With the merger between the two clubs in 1985, it was thought that a social event was needed to bring the players and parents together. An evening was planned at the Mount Pleasant Bowling Club in Bedford Road with a BBQ buffet. This was an ideal chance for all involved in the two clubs to get to know one another. Throughout this time there were multiple wine and cheese nights and riverside BBQs to maintain the social cohesion of parents and players. In 1993 the club held a mid-season function billed the "Rock and Roll" night at a restaurant in the Applecross Village shopping centre. The club invited Life Members to enjoy the evening with current parents at the club. The late 2000s saw the club settle into set events for the year. Usually in a season there were five major events. These were the registration/family day, season opening sundowner, mid-season function, end of season sundowner and trophy day. The return of the mid-season function for the parents away from the club was popular and held at either the Canning Bridge Rowing Club or the South of Perth Yacht Club or at the Melville Civic Centre.

The events were also major fundraisers for the club with one raising over \$10,000. Some sundowners were turned into special occasions, such as the invitation of the 1958 and 1959 Under 18s back to the club in 2008 and the 1960 Under 16s in 2009 which is displayed earlier in the book. Quiz nights have made a return in recent years. The social events are always popular.

From Top: Life Members Glen Jakovich and Dave Da Silva fire up the Auskick players for the 2012 "Mums versus Sons" Sundowner game at Gairloch Reserve.

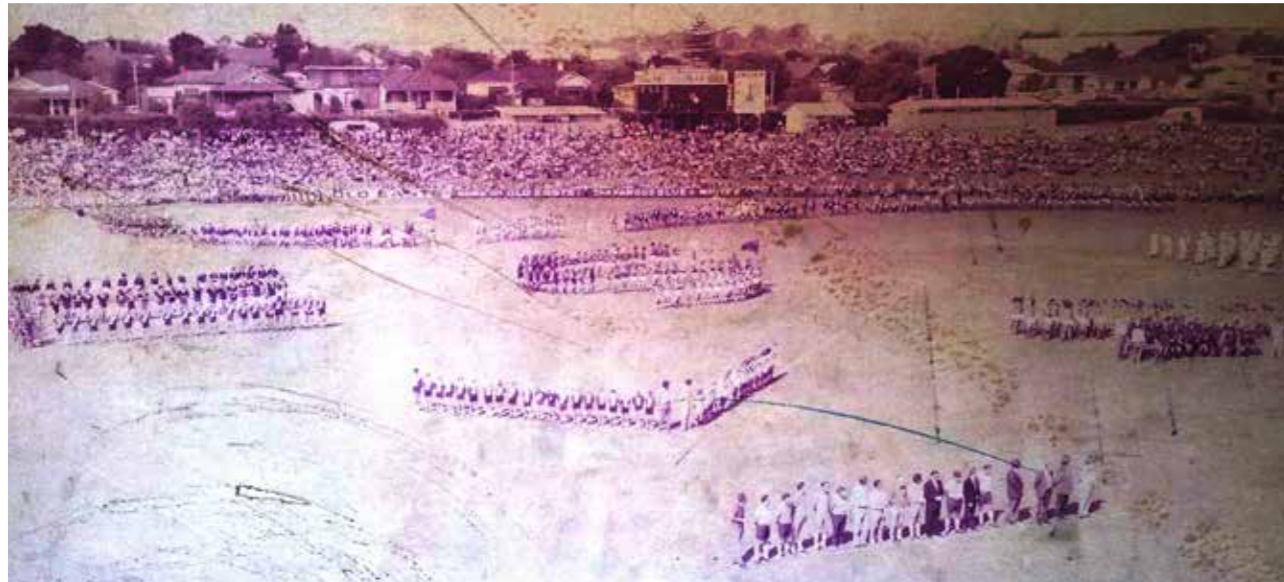

Mark and Marisa Pollock with Phillip and Life Member Leanne Stannard at the club's 60th Anniversary night held at the South of Perth Yacht Club in 2011.

President Alan Hebiton's grand entrance to the 2010 "Las Vegas" night - The 2009 "Casino Royale" event. Both were held at the Canning Bridge Rowing Club.

Parade Days

Parade days have been part of the East Fremantle district since its inception. They commenced as the half time entertainment during a Derby home game between East Fremantle and South Fremantle. Over the years, parade days grew in size with more junior clubs parading players. In the early years, the usual collection for the junior competition was a "Tarpaulin Muster" where a tarp was walked around the crowd and coins thrown in. The Tarpaulin Muster was replaced with players circulating in the crowd tin rattling. When occurring, the club has had a big turnout at the parade days. In 2008 the club hired a bus for the journey to parade day at East Fremantle Oval. This may well have been the biggest turnout of players for the club. Parade days continue to showcase the junior clubs in the East Fremantle junior football district to the wider football public.

 Left: 2009 Parade Day.

The Canteen and the BBQ

The canteen (or some know as the kiosk) and the BBQ have been integral parts of junior football clubs for decades with the AMPJFC being no different. Hundreds of parents as volunteers have done their part in the canteen or on the BBQ on games day or during a social event. Below are just some of the photos of volunteers doing their bit for the club.

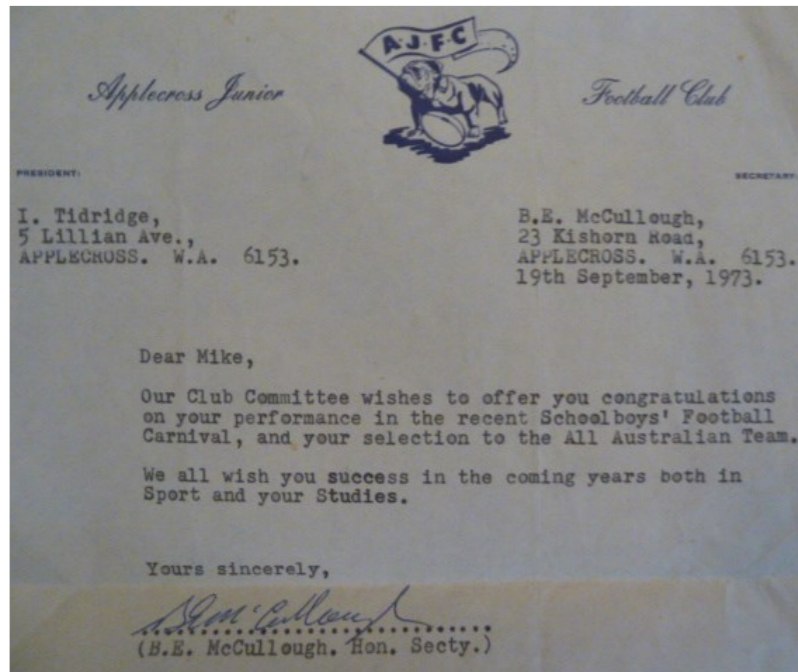

Canteen and BBQ shots. 1-5 Gairloch. 6 is the old club house at Shirley Strickland and 7 is the new canteen at Shirley Strickland.

East Fremantle Combined Sides

Over the years, the club has had many players selected for East Fremantle junior combined sides. In the early years, combined sides were for each age group and were a recognition of the players' skill in competition games. Currently, players are picked for combined sides as a development pathway, potentially towards a WAFL and/or AFL career. Some boys also made combined schools sides.

This U/12s East Fremantle side was very talented. Kim Maisey, right of coach Tic Waterman (an AJFC coach) and holding the ball, was Captain and Rod Lester-Smith (left of coach) was the Vice Captain. Right of Kim is Kerry Thackwell - another talented AJFC player.

Letter from the club congratulating Mike Farren for selection to the All Australian Schoolboys team.

Brad Brown receiving his EF combined U/14s pennant at the 1971 trophy night.

Representative Teams at WAFL and AFL Games

Little League games at half time have been running for many years at WAFL games. In the 1990s, games for 12 year olds at half time commenced at AFL games with Auskick added in the 2000s. This provided the opportunity for Auskick and the 12s junior football teams to experience playing in front of big crowds. The club has had several teams participate in these events. Below is a sample of teams over the last few years that have played at half time games.

Clockwise from top:
Auskick in 2000. The 12s at the 2008 Carlton v West Coast game. The 12s at the 2009 Foundation Day Derby. The 12s at the 2011 West Coast v Western Bulldogs game.

Coaches, Managers and Committees

No sporting club functions without volunteers. The AMPJFC has enjoyed great support from volunteers in coaching, team management and committee administration over its history. In the early years, the committees were small in number, reflecting the club's small team numbers. Usually this consisted of a President, Secretary and Treasurer, with some others undertaking general duties and termed "committee men". Coaches were part of the committee. The club has had some notable Presidents and Secretaries. Syd Musto, as the first President, had some daunting issues in establishing the junior club in 1952. Likewise, Dick Larsen when the sub junior's were established in 1959. Brian Oliver, as the first "joint" club President in 1968 also had challenges in consolidating the two clubs into one.

Secretaries included Brian McCullough, who was Secretary, firstly at the junior club and then for some years at the merged AJFC and Les McCarrey, who secured Gairloch Reserve in 1966. Les was later President of the club. Norm Stirling was Secretary from about 1979-1988 and was a key figure in negotiating and finalising the merger between the two clubs in 1985.

Registrars have become increasingly important in the age of computerised registration reporting. The club was fortunate to have Paul Moss as Registrar to pioneer fully online registration, which took the club into the new era in simple and effective registration and payment for parents.

The club has had the benefit of some first rate coaches. Bill Taggart's work with the Under 18s in 1958 and 1959 is still remembered by the players. Life Member Kevin Owens was also much loved by players he coached through the 1960s and early 70s. Likewise Richard Mavros in the 1990s, Ash Cranenburgh who coached from 2009 to 2020 and Life Member Glen Jakovich who has had roles coaching and as coaches' co-ordinator since 2011. There are many other coaches like these not mentioned. Team managers are the unsung heroes of a team. In the early years team managers were titled "property men". In modern times the workload for team managers has increased considerably, particularly in player compliance and communications between parents and the club. In some respects team managers are now more important to the team than the coaches!

The early years also had the "ladies auxiliary" that had responsibility for players' teas, washing of the team jumpers each week and food preparation for the end of season trophy events. In the 1980s the ladies auxiliary took on the fundraising activities of the club. The club will no doubt continue to enjoy the input from parents as volunteers to ensure it operates smoothly for the players to enjoy a game of footy.

1966	W Cooper	1973	T Cox	1980	Alan Morrel		

Note: The junior and the sub junior Mount Pleasant clubs did not amalgamate until 1973. Pre this time it was difficult to determine sub junior Presidents as records could not be found.

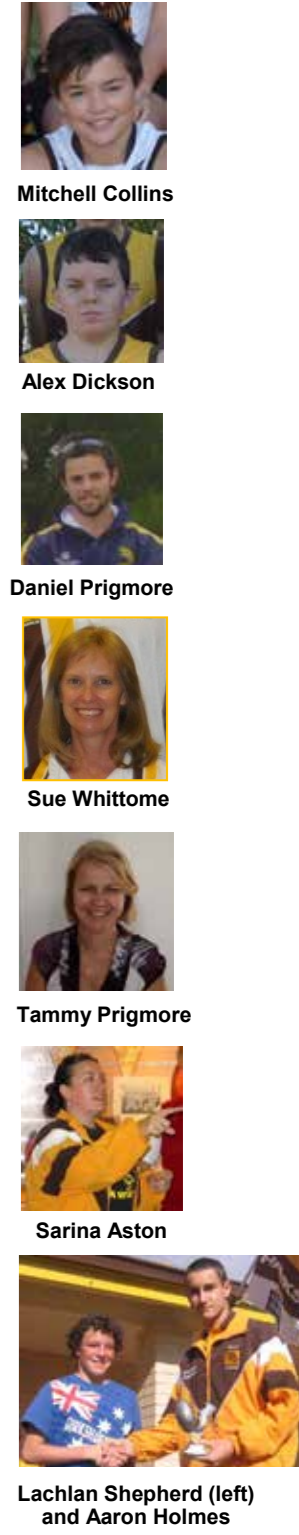

Senior and Junior Club Awards

The club awards a Junior Club Person and a Senior Club Person honour each year. A Junior Club Person is a registered player and a Senior Club Person has been actively involved in the club. A Junior Club Person award is based on how the player has represented the club both on and off the field and given extraordinary service, such as putting effort into the club beyond the team with which the person is associated. A Senior Club Person is recognised for time and effort into running, promoting or advancing the club. These particular awards for Senior Club Person and Junior Club Persons commenced in 1982 and 2003 respectively. However, it is documented that Brian McCullough received a Best Clubman/Volunteer award in 1965.

Campbell Family Perpetual Best Club Persons Trophy		Good Grocer Junior Club Person Award	
1982	Paul Morel		
1983	Jason Ramsay		
1984	Alex Weir

Club Medals

Syd Musto's Life Membership medal awarded in 1960.

Syd Howell's Life Membership medal awarded in 1964.

Kevin Owen's Life Membership medal awarded in 1972.

Vic Cizeika's Archie Rowan Best and Fairest Medal U/18s awarded in 1968.

Vic Cizeika's Archie Rowan Best and Fairest Medal U/18s awarded in 1967.

Keith Daddow's Life Membership medal awarded in 2022. Note the medal name of AMPJFC reflecting the new name of the club.

Note: The Archibald Rowan medal for the U18s and W.A Bateman Medal for the U16s were commenced in the 1960s recognising key people in the early years of the club. Archie Rowan was the father of committeeman John Rowan Snr and Bill Bateman was the first coach at the club. The medals were made of gold.

Honorary Life Members

There have been 35 Honorary Life Memberships awarded over the 71 years of the club. To the best of knowledge, Mount Pleasant JFC did not award any Life Memberships.

Bill Bateman Elizabeth and George Mavros Bill Holmes John Rowan (Snr) Frank Samers Kevin and Michele Hart

Player Life Members

Players who have played 100 games or more for the club are deemed Player Life Members. There has been 278 players that have played 100 or more games for the club up to the end of the 2021 season. Players listed are in order of the year in which the 100th game was played. Game records are incomplete for a number of years and verbal confirmation has been sought to confirm games. Omission of players, incorrect spelling or inaccurate game tallies may have occurred. Players receive this award once they pass the age of eligibility to play junior football.

Umpires - Past Players

Football would not function without our umpires. The East Fremantle Junior District is renowned for fostering players becoming umpires and learning the trade without the ridicule from players and parents that has become a blight on the modern game. Applecross-Mount Pleasant JFC has produced its fair share of boys wishing to take up the art of umpiring one of the most difficult games to interpret.

A number of umpires from the AMPJFC have gone on to train in the WAFL talent pathway under former AFL umpire Dean Margetts. The current East Fremantle Junior Umpire Co-ordinator is David Gaynor who has umpired over 300 games and is a player life member of the club with 110 games. There are over 150 junior umpires in the district.

Umpires for 2016 season from the Club L-R: Alec Evensen, Harrison Millane, Michael Gaynor, Christian O'Connor Samuel Daddow, Will Yurak. Inserts: Luke Whittome, Sam Moreno, Matt Moreno. David Gaynor at Umpire training.

Former player Cameron Hart was a prominent umpire from 2008-11.

Past and Present Players

Nearly 3,000 past and present players of Applecross-Mount Pleasant Junior Football Club have been identified representing the club. This includes Mount Pleasant JFC prior to the merger of the clubs in 1985. For identified players, allowances were made for years that records were not available if it was verbally confirmed that a player had played in any given year. A notional 15-18 games per year was accredited based on the era to that player's game tally so some game tallies are estimates. Other district records may not have counted games played. Some names may also be incorrect. It is estimated that another 300 players have not been included due to lack of records. Auskick or other pre-competition game programs are not included. Games calculated until the end of the 2021 Season. * Denotes still playing.

TEAM PHOTOS

The record of team photos is not exhaustive and represents the photos that could be sourced. Some names may be incorrect or omitted. Mount Pleasant Junior Football Club teams were included prior to the merger of the clubs. Competition Teams only shown. Peewee, Freeball and Auskick Teams not shown.

Due to printing constraints, team photos are up to eight per page. It is acknowledged that this makes reading of player names difficult. All team photos (including Auskick Teams) can be sourced for individual reproduction by contacting the club at www.ampjfc.com.au

About the Author

Drew Gaynor was raised in Mount Pleasant and educated at St Benedict's, Aquinas College and Applecross Senior High School. He knew a number of the boys from the area who played for Mount Pleasant and Applecross JFCs from the late 1960s to the mid 1970s. Whilst he played some younger age football at Aquinas, he did not play junior club football opting for hockey as the winter sport. However, his passion was cricket and he played at Mount Pleasant Junior Cricket Club and Aquinas and also coached junior cricket at Mount Pleasant JCC in the early 1980s. A number of these boys played junior football at the two clubs in the late 1970s and early 1980s.

His association with the AMPJFC commenced when his oldest son David joined the club for Year 1 Auskick in 2003. Although the family lives in Alfred Cove and in close proximity to Melville JFC, David attended St Benedict's and followed school friends to AMPJFC. David played 110 games and younger sibling Michael played 75 games. Drew was President in 2006, 2007 and 2008. During his time as President, the committee's priority was to grow player numbers, particularly in Auskick and to raise the profile of the club. The club also won the Best Auskick Centre in WA award and installed light towers at Gairloch Reserve to improve training facilities during his tenure.

He continued either on the club committee or in general support in a number of roles including sponsorship, communications, Auskick Manager and coordinating team photos and production of the club's Year Book until 2016. He received the Senior Club Person Award in 2007 and Life Membership in 2011.

In 2018, the club asked Drew to assist in the planning of the redevelopment of Shirley Strickland Reserve and then to be part of the inaugural Shirley Strickland Reserve Sporting Association as well as coordinate the transfer of historical memorabilia from Gairloch to the new Shirley Strickland pavilion.

Drew harboured a desire to write a social history book and thought of no better subject than the AMPJFC. The added benefit of researching the book is the additional photos and memorabilia collected and/or donated to the club from people previously associated with the club.

In writing the club's 60 year history (first edition), the revelation of the merging of Applecross and Mt Pleasant in 1985 led to the club officially re-naming itself the AMPJFC in 2016.

The club approached Drew to write this second edition bringing it up to 70 years. It also presented an opportunity to enlarge the history of the Mount Pleasant JFC section prior to the merger from 1960 to 1985.
